

A message from CARMEL MIDDLE SCHOOL

Good evening CMS families and happy Friday!

It's kind of hard to believe, but, we just finished the cleanup from our final all-school dance for the year. Tonight's dance also served as a fundraiser for an underprivileged school in Haiti, and the money earned tonight coupled with some money earned through our last "gram" sales (through our leadership class), we have raised over \$1,000 to send to the school in Haiti. This money will go a long way to improving their kitchen supplies and providing students with meals, and is another example of the wonderful generosity our school community dedicates to help those in need in our own community and around the globe. Thank you for supporting this event and we hope your students had a nice time at the dance.

In addition to the dance, we hosted the first track meet of the season at CMS. It was great to see so many students and families from the various schools around the peninsula engaged in friendly the competition and camaraderie that track meets support. Track meets have a different feel from other sports and if you haven't attended one, come on out and watch some of our students compete and you'll see what I mean. I didn't get any specifics on the outcome of events from Coach Steely tonight, but when I checked in with him at around 7:45, he said the meet was a lot of fun. For those of you enjoying the track experience, make sure you thank Coach Steely and our Athletic Director, Leigh White, for all their hard work to make the track meet run smoothly.

Just a reminder, honor's lunches take place next week and you should have received an invitation if your student had an academic GPA of 3.50 or higher and/or if your student improved their GPA by .50 points in the last trimester. Honors lunches take place Wednesday through Friday, and family members are welcome to join their student for fantastic tacos and agua fresca!

At this point it's after 9:00 PM, and I need to head home. I hope you all have a wonderful weekend!
