

About the NBA (National Basketball Association)

Do you want to learn about the greatest sport on Earth? There are a lot of cool facts about the NBA. Would you like to hear them? There are many teams in the NBA. There are 30 teams in the NBA. every team is divided into two conferences. Called Eastern conference and Western conference. In both conferences there are 3 divisions. In the Eastern the 3 divisions are called, Atlantic, Central, and Southeast. The Western divisions are called Northwest, Pacific, and Southwest. Each NBA team plays 82 games per year.

Throughout NBA history, there have been many great players. The current great players of the NBA are Kawhi Leonard, LeBron James, and Stephen Curry.

Kawhi Leonard

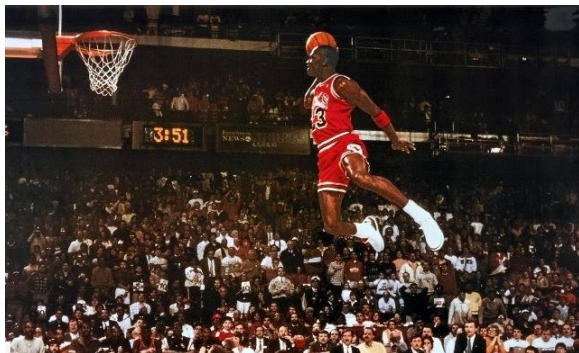

Lebron James

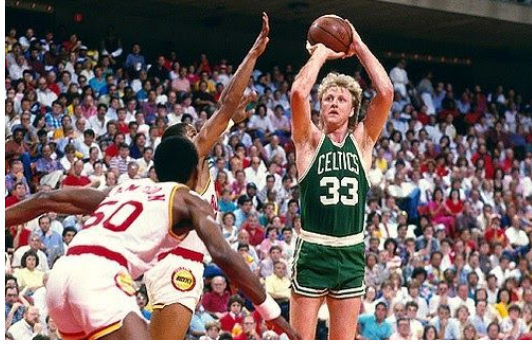

Stephen Curry

The 80's 90's great players of the NBA included Michael Jordan, Larry Bird, and Magic Johnson.

Michael "Air" Jordan

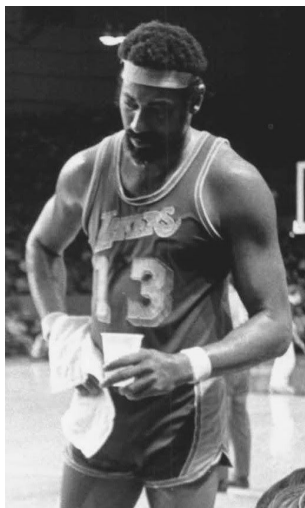

Larry "Legend" Bird

Ervan "Magic" Johnson

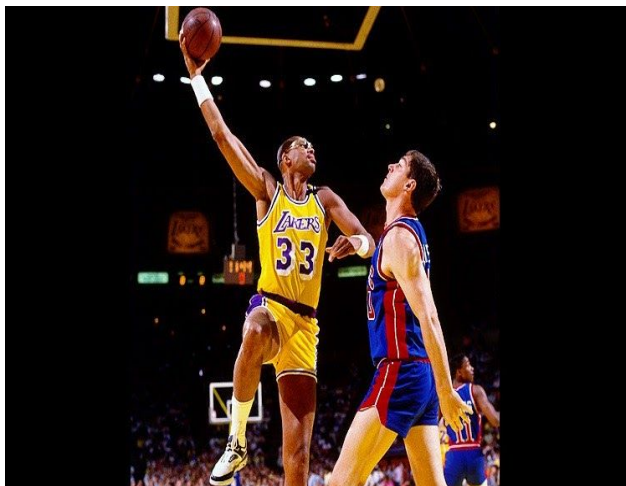

And the all- time- greats from the 50's 60's 70's were Wilt Chamberlain, Bill Russel, and Kareem Abdul-Jabbar.

Wilt Chamberlain

Bill Russell

Kareem Abdul-Jabbar

There are many good teams in the NBA. The Chicago Bulls, Boston Celtics and the Los Angeles Lakers are the teams who have won the most championships in the whole entire NBA! Over the years the Chicago Bulls have won 6 championships. The Boston Celtics have won 17 championships and the Los Angeles Lakers have won 15.

In the history of the NBA there have been many great individual achievements. Some of the greatest individual achievements are Michael Jordan's 6 championships in 8 years, Bill Russell's 11 out of 13 championships, and Wilt Chamberlain's 100 points in one game.

I hope now you know that basketball is the greatest sport on Earth.
