

OVERVIEW & ATTENDANCE

It is a big improvement over the old ABI. All of the same features are there, but with a different looking interface. Also there are some new bells and whistles.

Also tech staff can provide 1:1 assistance to help you get set up on the new system.

All of the menu items are now along the left side. The important ones are Attendance and Gradebook

The screenshot shows the Aeries NET interface for Screaming Eagle High School. The left sidebar contains a navigation menu with items like 'STUDENT FLAGS', 'MY FAVORITES (0)', 'Attendance', 'Attendance by Photo', 'Gradebook', 'Grades', 'STUDENT DATA', and 'AERIES ANALYTICS'. The main content area features a 'Quick Student Search' bar, an 'Attendance Summary' table, and a 'My Tasks' section. A red arrow points from the 'Attendance' menu item to the 'Attendance Summary' table.
