Film Club! Stop-Motion Edition! With Ms. Kuenster from the library *Cost \$135 1 hour per week**

Stop-Motion Animation is one of the earliest cinematic special effects; it involves moving inanimate objects little by little, frame by frame, until they appear alive. Come watch some classic and new classic Stop-Mo films, and discuss the art and craft behind different techniques. Miss Kuenster used to work in the entertainment industry, and spent many years making Stop-Motion television shows and short films.

Films TBD, but some examples: Coraline (2009), Fantastic Mr. Fox (2009), The Wrong Trousers (1993) Gumby (1960s), Mad Monster Party (1965), King Kong (1933), Jason and the Argonauts, My Green Crocodile (1966), The Lost World (1925) --- As well as selected Stop-Motion sequences from films such as Back to the Future, Beetlejuice, Pee-Wee's Big Adventure, Star Wars, RoboCop and Terminator; and some sketches from Robot Chicken, Buddy Thunderstruck, and Super Mansion

International Renaissance Faire Craft Workshops with a Mindful Twist ** Cost \$135 1 hour per week

We will begin the one-hour session with 10 minutes of mindful meditation to help focus our attention on the craft lesson of the day. Each week we will practice a craft useful to an occupation for the CMS International Renaissance Faire. After fifteen years of recreating a European market experience, this year we will expand our interests to other cultures, including those in the Middle East, West Africa, China, Japan, as well as Meso and South America. Priority will be given to 7th grade students.

Crocheting with Ms. Prusasky * Cost \$135 1 hour per week. Materials fee of \$30.**

All Levels Welcome. Come hang out in the music room and learn basic crochet terminology, how to make a slip knot, crochet a chain, single crochet, and double crochet. At the end of 9 weeks you will take home a fun project of your choosing!

Ukulele for beginners and all others with Mr. Stadille. ** Cost \$135 1 hour per week** Come and learn to play the world's happiest instrument. It's fun, portable, cheap, and allows you to participate in the wonderful world of music. 3 simple chords and a strum will allow you to play hundreds of songs. We will start from how to hold the uke, how to strum, some easy chords, and some familiar songs. Each time we will play new songs that kids want to learn to play. You can play just about any song on the uke. I have ukes and song books for kids to borrow or you can bring your own.
