Musical Theater with Kieri***Cost \$200 1 ½ hr. per. week**

In this high energy, hands on class, we will explore what it takes to become a "triple threat" in the theater world. Focus will be placed on vocal styles, dance styles and acting technique as we create a musical showcase featuring the students performing and directing scenes from their favorite Broadway shows. Emphasis is placed on vocal clarity and projection, eye contact, facial expression, body awareness and physical confidence; all skills that will help students whether they end up on Broadway or in the boardroom. Students of all skill levels are welcome and will be encouraged to grow and develop at their own pace in a positive, encouraging and non-competitive environment, where students can come and have a fabulous time "putting on a show" at the end of each session.

Cooking in the Habitat ***Cost \$200 1 ½ hr. per week (Material fee \$20 payable to MEarth)**

Come join MEarth staff for afternoons of harvesting from the garden and making healthy and delicious snacks and desserts! You will leave this class with a wonderful cookbook in hand.

Creative Cutting Boards with Mr. Ishler **Cost \$200 1 ½ hr. per week**

Come join in and make some creative cutting boards. No experience necessary. Welcome to 6th, 7th, and 8th graders! All materials included.
