**Crochet Creations 6-weeks for $132** Materials Fee: $15. (crochet hook and 2 skeins of yarn).

*Need to 'unwind?' I've got the 'hook'-up!* Sign-up for **Crochet Creations** with Mrs. Wadsworth. The class begins on Tuesday March 3rd, running 6 weeks and, ending on Tuesday, April 7th. All Levels are welcome!

**Dance Enrichment (March 3-May 19th) 11 classes $165 (NO class on April 14th due to Spring Break)**
This dance class will be HELD in the CHS Dance room from March 3rd-May 19th. Students will learn the contemporary and jazz dance from two CHS student teachers, the class will be supervised by Ms. Tarozzi. The enrichment class will perform in the CHS dance show on May 20th and 21st in the CHS Theater, all costumes will be provided by the CHS dance department.

**Hanging out with Stadille** (March 11-May 20 (NO class April 15 due to Spring Break) **10 weeks for $220**
Do you like just hanging around and doing crafts, cookin’, whittling, poker playing, buyin’ and sellin’, and other sketchy activities? If so then this is the class for you. Hang with Stadille and you will never be bored!

**Chess Skills. *** Cost $176 a 1.5-hour a week March 5th-April 30th (NO class April 16th)**
All levels of chess ability are welcome to join! All chess players are expected to bring a regulation chessboard and chess set. Chess sets may be ordered from the US Chess Federation (uschess.org). An excellent and economical choice would include a vinyl roll-up chessboard with green and cream squares, triple-weighted plastic pieces, and carrying case. Contact instructor (jos.rice@comcast.net) for a discount code or wait until the first session for further advice on ordering. A limited number of chess sets will be available for use during the class sessions. There is no need to purchase a chess clock since free chess-clock apps are available for installation on smartphones (“Chess Clock by Chess.com” is recommended).

**Girls Who Code** is an international organization striving to close the gender gap in computer science careers. In each Girls Who Code Club meeting, girls build community through interactive activities, learn about inspiring role models, and engage in fun and simple self-guided coding tutorials that range from beginner to advanced in Scratch, Python, JavaScript, and Thunkable. This session is the first 6 weeks of a 15 week program in which our club will work as a team to use their coding skills to solve a real world problem in our community. (This is a free class)
