1. Approval of meeting minutes from 2/3/2021 -will be via email

2. Treasurer's Report

-Year to Date used is \$5917.50. The amount is low due to distant learning.

3. Family game night

-Virtual Bingo will be 3/4/21. Jake Glazer has been kind to volunteer his time to host the Bingo Night.

-The next Fun Night will be online through a professional company. The date is TBD

4. 8th Grade Event

-Jill Martin kindly volunteered to chair the end of year party.

-The county regulations are changing and it might be a good idea to wait for some restrictions to be removed to allow for more in-person options.

5. PTO Board Elections

-Vice President and Treasurer positions will be available and the board is looking for these spots to be filled.

6. Principal's Report

-CMS welcomed cohorts from Cross County, band and chorus. This added 85 more students to campus.

-CMS is looking at interest-based cohorts vs. hybrid cohorts (academic).

-The issue with academic cohorts would be the loss of interest-based cohorts. The hybrid would be 2 days a week, so the students would get 18 days of school vs. 45 days in distance learning if it started March 22nd.

-270 students signed up for after school sports, 40 signed up for Drama and Industrial Arts is maxed out at 52 Eighth graders.
