2. Treasurer's Report

-Little has been spent, so there are funds for end of year activities.

-Proposed of budget is a copy from 2 years ago. The fundraising goal is \$70K.

-Find out if next year will use the quarter system or return to trimesters.

3. Teacher Appreciation

-Stacey has done an amazing job celebrating the teachers with a Super Hero theme.

-Each day she has planned a thoughtful treat or lunch

4. End of year 8th grade celebration

-Jill Martin has decided on a Luau theme and it will be Friday May 28th outdoors and the Habitat.

*(After this meeting CMS decided it would be best to not host the party on site and not have is sponsored by PTO, yet the PTO will still donate the funds.)

5. Executive Board

- All board members have been approved as followed: Lovina Worick: President; Jennifer Leighton: Vice President; Randall Fredrick: Treasurer; Sarah Norbraten: Secretary; and Loree Dowse: Director of Communications

-Currently the Fundraiser Coordinator position is opened

7. Principal's Report

-There was an unusual car incident on campus May 4th at 4:00pm

-A blue truck fleeing from police decided to drive through a fence near the field. All the students were safely evacuated away from the area and the teachers handled the situation smoothly. The driver was arrested.

-The return of students has been wonderful. Teachers are encouraged to do more experiences vs. book work.

- Last Friday, Liz Wells and Leadership put on a Fun Friday event: Sack race and a putt putt course for all grades

Looking into the future and potential bigger ticket request from PTO:

Currently planned is an expansion of the Sports Courts. Adding 16 feet of court space along with engineered basketball hoops and these should take place during the summer. There may be a request from PTO to help sponsor the hoops.

Promotion Plans:

In current Covid-19 tier and district regulations – the school is limited to 600 total people on campus for promotion. This might mean 2 different ceremonies, unless family attendance can be limited to 2 per student. Dan will be sending out a survey on which parents would prefer.

Meeting adjourned 10:24am
