Discussed, for Open House, instead of doing chili night because of the permitting restrictions, doing an Open House picnic. And to do it in the main grass area. Use the jugs for water stations. Also do music out there. Dan will organize the timing for that night. Potentially for the fall, we can do the same thing.

8th Grade Events Update

8th Grade Dance committee has met with Rancho Canada folks. DJ and photobooth person has been booked. There will be tickets - \$10 fee. Dan confirmed that the office will run ticket sales starting after Spring Break. Angie asking for help from school to ask kids for their song requests. Dan will include in the invitation for the dance.

8th Grade Brunch: Usually held in the Habitat. Last year we did donuts, strawberries, cream cheese, Sweet Reba's made quiches. Cerry had the idea for a Dads Breakfast/Brunch.
