Meeting adjourned May 4, 2022 8:00am

1. Approval of April Meeting Minutes- pending change

2. Welcome New Board- Lovina

-Discussed how wonderful the current board as worked together and able to be a team.

-Important for board to reach out to other parents for help (volunteering and fundraising).

-Make sure the board funds all students in various ways. It could be by activity (band/sport) to grade level (8th grade dance).

3. Treasury Report-

- Some items in the actual column will show zero because of reallocation

-Waiting for the 8th grade dance expenses to be final.

-Remind people with checks to cash them – Randy gave Dan the teacher's names.

4. Approval of adjusted Proposed Budget 2022/2023

- Dues and Insurance turned into two-line items

-The new board can decide to raise \$70K and if not, some activities may need to be cut. Another option is to request money for specific events (school dance) if the goal is not reached.

-Lovina motioned to approve proposed budget and Loree seconded the motion.

5. Final PTO relative activities

-Teacher Appreciation- Sarah Norbraten: The teachers have enjoyed coffee & donuts, bagels and fruit. Flowers will be brought by the students and the PTO will have some large arrangements made. The luncheon is Friday and the parents have filled most of the sign-up slots.

-The 8th grade dance is planned on campus by Kati Enea and will occur the same day at the renaissance faire. Lisa Hanson is collecting photos from 8th graders to do a slide show. Dan will email 8th grade families with information.

6. PTO- related business items

-Budget Approval -yes

-Expense reports need to come in ASAP- discussed

-Remaining outstanding expense is spirit wear for teachers

-MBOE tie-dye shirt expense request from Mr. Steely (check to see if there is a lower cost)

-CMS film Festival -Ms. Thompson: Would like to have \$250 for pizza and prizes for event. Lovina motioned and Sunshine seconded

7. Principal's Report- Dan Morgan:

- MBOE has been shifted from beginning of year to May. This should move back to Fall next school year.

-The 8th graders will get an additional end of year party at Carmel Beach as long as insurance approves it. The city is waving the fee.

-The student population is expected to decrease next year. It could mean less PTO funds needed and less parents to donate to the PTO fund.

-Thank you to Cerry Rasmussen and Lisa Hanson for doing New Parent Outreach. Thank you to Liz Wells for helping with teacher appreciation and to Kati Enea for coordinating the 8th grade dance. Also, thank you to Dan, Jen Kasper, Kathleen, Eileen and Laura for all they do.
