Meeting adjourned 9:30 September 8, 2021

1. Introduction

2. Committee Status

-Lisa Hanson is planning a new family outreach events and one idea is a popsicle party (Date TBT).

-Teacher appreciation lunch instead of potluck this Fall. Parents will sign-up to bring a lunch a teacher they select the 1st week of October. Loree will create a sign-up and send it to parents

-The 8th grade end of year dance/party has formed a committee.

3. Fundraiser

-There has been a change from the Serve-a-Thon because of COVID to reduce close contact. The fundraiser has been renamed Cash for Cougars.

-This is the first year PayPal has been set up and proved to be very successful with 75% of the donations arriving online.

-Only half of the families participated in the fundraiser, yet we managed to raise closed to the goal.

4. Treasurer's Report

-The goal is to use the funds raised and if something needs to be cancelled we plan to find an alternative activity. If an indoor dance cannot occur for example, we will use the funds for another activity to allow the students to have fun.

-The board will vote before the next meeting (10/6/2021) on the budget and an email will be send out for parents to review.

-The 2019/2020 budget is being used to compare to this school year because 2020/2021 was so different due to remote learning.

5. Principal's Report

-More absents than typical because of the strict guidelines due to covid-19.

-Ohana day was a success for the 8th graders. They had activities, lunch and every 8th grader received a sweatshirt.

-Hopefully to have the school dance or a replacement event at the end of October. The High School Home Coming Dance is Oct 2nd and should be a good indicator for middle school's dance.

-The Wellness Center is up and running and currently for students referred to it. There will be a Grand Opening once it is fully furnished.

Next Meeting: October 6, 2021 9:30am
