Hello,

Thanks for the opportunity to review. These are my thoughts about the maps:

- 1) CV and Big Sur should be two separate areas, which I think we as the board have already agreed on;
 - 2) I would like to see Cachagua combined with parts of the village to increase the population, I think it makes sense to have part of the CV village combined into area 5 and part of it incorporated into area 4;
 - 3) As much as possible, I'd like to see Big Sur represented by the people that live there, not in Carmel. Can we cut off area 3 at Carmel Highlands, or is this still too small a population size?
 - 4) I do not like map 8 because of area 4 which incorporates parts of Cachagua with the mouth of the valley. I think Cachagua needs to be incorporated with CV;
 - 5) I like maps 9a and 9b, but if we can bring the boundary of area 3 further to the south and not incorporate parts of Carmel, I would like that better, but I understand that there might not be the right amount of numbers to make it work.
- Thanks!

Seaberry
