  - ◇ Attend all classes regularly and on time.
  - ◇ Be prepared for class (i.e., bring assignments, books, and supplies).

## ACADEMIC HONESTY

Students who copy work from others (plagiarism), allow others to cheat from them, submit work that is not the result of their own efforts, engage in forgery, etc., are guilty of "academic dishonesty." When a student violates the Academic Honesty Policy at any time during the four years that s/he is a student at Carmel High School:

- The teacher will give the student a "zero" for the test, quiz, assignment, paper, or project, etc.;
- The teacher will contact the parents of the student for a phone or personal conference with them;
- In addition, the student will be assigned to four hours of detention.
- If a student receives more than one academic dishonesty, the student will receive at a minimum the same consequences as the first, and any further discipline that is deemed necessary, which may include college notification, no scholarship opportunities from CHS foundation, impacted teacher letter of recommendation.

**NOTE: The consequences outlined above are minimum interventions resulting from violations of the Academic Honesty Policy.**

## AFTER SCHOOL DETENTION

A student who is assigned After School Detention (ASD) is expected to attend. If, for some reason, a student is unable to attend the assigned time, the student or parent must make arrangements with the assistant principal through their secretary Lisa Jones at (831) 624-1821 ext. 2793 or [ljones@carmelunified.org](mailto:ljones@carmelunified.org), *prior to the assigned ASD*. If the student does not check in or a phone call is not received, the student will be considered a no show. Students who are no-shows for ASD will be assigned double time detention hours.

## ATHLETICS AND NON-GRADED CO-CURRICULAR ELIGIBILITY AND ATTENDANCE POLICIES

Students that participate in officially sponsored athletic teams at Carmel High and those students that are members of non-graded co-curricular activities on campus (including but not limited to, Mock Trial, Model United Nations, Robotics and after school drama productions etc.) must adhere to the following eligibility requirements.

- A. In the classroom; a participating student:
1. Meets the academic standards of a **2.0 G.P.A.**(unweighted), which includes no marks of "**F**", "**W/F**", or "**INC**". Students have **10 days** to clear grades of "**INC**", other-wise they will remain ineligible for the remainder of the grading period. **NOTE:** Grades and credits for teacher/office assistants will not be calculated for athletic or co-curricular eligibility purposes.
  2. Maintaining the citizenship standards of the Code of Conduct of Carmel High School.
  3. Shows respect for teachers and those in authority at all times. (Code of Conduct- Insubordination)
  4. Maintains a commendable attendance record.
  5. On the day of an activity or athletic contest the student must be in school for a minimum of 4 periods to participate.
- B. On trips; a participating student:
1. Is a district representative of the community, the school, and the team; therefore, he/she acts in accordance with the high standards of conduct listed above.
  2. Wears clothing appropriate to the event.
  3. For safety and morale reasons, uses district transportation to and from away games and activities.
  4. Will exhibit appropriate behavior on transportation. (Bus Conduct Rules and Procedures)
  5. Is governed by the Carmel Unified School District Drug and Alcohol Policies.
- C. In the community; a Carmel High Student abides by the laws of the community.

## ATTENDANCE POLICIES

Regular attendance plays a key role in the success of each student. Every teacher's course syllabus outlines the consequences of excessive tardiness or truancies. Except for those students with off-campus privileges, all students must check out through the attendance office before leaving campus during school hours.

### ABSENCES

If a medical or dental appointment requires the student to be out of school for part of a day, the school must be notified in advance. **Before leaving campus, the student must obtain a pass to leave campus from the attendance office.**

**Excused absences include:** Illness, medical, dental, or optometrist appointments, family funerals, formal religious observances, mandatory court appearances, school instigated suspensions, authorized field trips, or any other absences approved by the administration. **Unexcused absences include:** Verified parental need, family vacations, oversleeping, personal reasons, truancy, and non-parental clearance within 24 hours of absence from school. Other excused absences may be approved in advance at the discretion of the principal. **Excessive absences:** When a student has had 14 absences in the school year for illness, any further absences must be verified by a physician [CUSD Administrative Regulation AR 5113(c)]

**NOTE: Tests and homework can be made up for all excused absences. Make-ups for unexcused absences are at the individual teacher's discretion.**

### TARDIES

Tardy counts begin with the start of each semester. CHS has developed the following policy for dealing with period-by-period tardiness:

On the first tardy for an individual class:

- a. Teacher confers with the student

On the second tardy for an individual class:

- a. Teacher confers with the student
- b. Teacher may contact the parent via phone or email.

On the third tardy for an individual class:

- a. Student receives a written warning from administration
- b. Letter mailed home to parent with number of tardies

On the fourth tardy for an individual class

- a. Student is referred to the assistant principal.
- b. After school detention will be assigned
- c. Letter mailed home to parents with number of tardies

**Note:** Continuing tardiness will result in further progressive disciplinary action which may include, but is not limited to:

- further detention will be assigned
- meeting with assistant principal, parent and student
- suspended off campus pass
- restricted attendance to after school campus sports and/or activities
- in-house suspension
- referral to district attorney

## TRUANCY

**California Education Code Section 48260 defines truancy as: " absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30 -minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof..."** As a result of excessive truanancies, students will, in some cases, receive a lower or failing academic grade in a class. Students are truant from school or a class when they are absent or leave campus without prior parent permission on file with the attendance office. Carmel High School has instituted the following policies and procedures for dealing with the cumulative total of truanancies:

**On the first truancy –**

- A. Parents are contacted by phone and notified of the student's truancy;
- B. Assistant Principal reviews consequences with the student for future truanancies and assigns a minimum of 2 hours of after-school detention.

**On the second and third truancy –**

- A. Parents are notified, by mail, of the total number of truanancies;
- B. Student is assigned a minimum of 2 hours of after-school detention;
- C. On the third truancy, Letter #1 from the Monterey County District Attorney will be mailed home.

**On the fourth truancy –**

- A. Parents are contacted by phone and notified by mail of the ongoing truancy problem;
- B. Student is assigned a minimum of 4 hours of after-school detention;
- C. Letter #2 from the Monterey County District Attorney will be mailed home.

**On the fifth truancy –**

- A. Student is declared a "Habitual Truant";
- B. Student is escorted to and from class for a minimum of 1 day
- C. Letter #3 from the Monterey County District Attorney, with a "Notice to Appear" at a formal mediation, will be mailed home.

**NOTE: Continuing truancy will result in further progressive disciplinary action.**

**Board Policy gives a teacher the right to lower a student's grade for excessive truanancies.**

Three truanancies in a class, per semester, can lower a student's final mark in that course by one letter grade. Four per semester can lower a student's final mark by two letter grades. Five per semester can lower a student's final mark by three letter grades. Six truanancies in a class, per semester, allow the classroom teacher to give a grade of "F" (failure) for the final mark.

Students reporting to their first class period more than 30 minutes after the scheduled starting time will be marked absent. During all other periods of the day, students will be marked absent after the first 10 minutes of classes. These absences must be cleared within three school days, or they will result in a truancy.

- Four hours are assigned for each violation of the truancy or tardy policies. Hours must be completed after school, if detention is chosen, during the following calendar week, Monday through Wednesday, after school from 3:00 to 4:00 pm and Thursday from 2:15 to 4:15 pm.
- School-sponsored interscholastic sporting events, other extra-curricular activities, and family trips do not excuse students from attending ASD on the date assigned.
- Failure to complete the prescribed detention time will result in further consequences
- Repeated placements in ASD will result in further progressive disciplinary action.

## STUDENT BEHAVIOR

Students are expected to behave appropriately while in class, at school, on the school bus, or at school-sponsored events. Students are responsible to understand the CUSD Bus Policy. Classroom misbehavior is addressed by the student's teachers. Parents will be contacted, detentions may be assigned, and the participation component of the student's grade may be impacted. Serious or recurrent violations can lead to a teacher suspending the student for up to two class periods or referring students for administrative interventions, including:

- Assignment of after-school detention hours;
- Revocation of on-campus or off-campus privileges;
- Restriction of extra-curricular activity participation (dances, athletic contests, assemblies, field trips, etc.);
- Placement on a behavior and performance contract;
- Administrative removal from a course with the possible loss of credit for the class;
- In-school or out-of-school suspension
- Expulsion from the school district for a period of time as prescribed by the CUSD Governing Board.

## BULLYING, HARASSMENT, AND SEXUAL HARASSMENT

Bullying, harassment, or sexual harassment of students is prohibited by CUSD Board Policy. Bullying occurs when a student is intimidated by verbal or physical conduct or actions. Harassment is verbal or physical conduct directed at someone's personal characteristics. Sexual harassment includes, but is not limited to, unwanted or unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature. Depending on the seriousness of the offense, students may be suspended from school and/or recommended for expulsion from the district. At a minimum, students are subject to the following:

### CUSD Board Policy 5131.2:

Corrective actions for a student who commits an act of bullying of any type may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as defined in Education Code [48900](#), may include suspension or expulsion in accordance with district policies and regulations.

## BULLYING/HARASSMENT

### AB 537 violations

Bullying is NOT TOLERATED at Carmel High School. We expect teachers, staff, and students to IMMEDIATELY report any type of bullying for administrative action. AB 537 is the California Student Safety and Violence Prevention Act of 2000 and protects students and school employees against discrimination and harassment at all California public schools. This includes the actual or perceived sexual orientation and gender identity.

The state defines "gender" as "a person's actual sex or perceived sex and includes a person's perceived identity, appearance or behavior, whether or not that identity, appearance, or behavior is different from that traditionally associated with a person's sex at birth." The nondiscrimination policy also prohibits harassment and discrimination on the basis of sex, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability.

Harassment is defined as "**conduct based on protected status that is severe or pervasive, which unreasonably disrupts an individual's educational or work environment or that creates a hostile educational or work environment.**"

The protections cover any program or activity in a school, including extracurricular activities and student clubs through the Equal Access Act.

### THE THREE (3) TYPES OF BEHAVIORS

- PHYSICAL BULLYING: harm to another's body or property
- EMOTIONAL BULLYING: harm to another's self-worth
- SOCIAL BULLYING: harm to another's group acceptance

Violations may Include

1. Calling you names or making fun of you.
2. Pinching, pushing, or shoving you.
3. Taking things away from you.
4. Damaging your belongings.
5. Stealing from you.
6. Spreading rumors.
7. Saying or writing things about you.
8. Making you feel uncomfortable or small.
9. Excluding you from activities.
10. Making you feel targeted or excluded.

How Do You FILE A COMPLAINT? If you are being bullied or harassed you should begin by empowering yourself and telling the person who is harassing you to "stop!" and that you do not want them to do or say what they are doing or saying anymore. At this point you have the option to wait and see if it happens again.

You can also begin with, or if it happens a second time, by telling a teacher, telling a counselor, or TELLING ANOTHER ADULT on campus, or by telling your parents. If harassment continues from the same individual it is imperative that you let an adult that you trust know that the disciplinary action failed and a stronger more serious disciplinary action will be required.

Bullies can be intimidating. Try to stay in areas where there are plenty of people. Bullies do not like witnesses. If you ride the bus and someone has been bullying you, report the problem to an administrator. If you have to walk home, see if you can walk with other people.

If you receive threatening phone calls or emails, tell your parents or an adult you trust. Be sure to keep all emails and/or voice messages to share with an adult. If you see someone else at school being bullied, do the right and find assistance. Tell an adult about your concerns. People who are being bullied need friends. If you can help someone who is being bullied, please do so.

---

BULLYING/AB 537 VIOLATIONS AT CARMEL HIGH SCHOOL ARE UNACCEPTABLE.

**Be a proactive member of your school and community and seek assistance in ending the problem.**

### NON-DISCRIMINATION/HARASSMENT POLICY

The Governing Board desires to ensure equal opportunities for all students in admission and access to the district's educational programs, guidance and counseling programs, athletic programs, testing procedures, and other activities. District programs and activities shall be free from discrimination, including harassment, with respect to a student's actual or perceived sex, gender, ethnic group identification, race, national origin, religion, color, physical or mental disability, age, or sexual orientation.

District programs, activities, and practices shall be free from discrimination based on race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

The Board prohibits discrimination, intimidation, or harassment of any student by any employee, student, or other person in the district. Prohibited harassment includes physical, verbal, nonverbal, or written conduct based on one of the categories listed above that is so severe and pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the purpose or effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects the student's educational opportunities.

School staff and volunteers shall carefully guard against segregation, bias, and stereotyping in the delivery of services, including, but not limited to, instruction, guidance, and supervision.

The principal or designee shall develop a plan to provide students with appropriate accommodations when necessary for their protection from threatened or potentially harassing or discriminatory behavior.

Students who engage in discrimination or harassment in violation of law, Board policy, or administrative regulation shall be subject to appropriate discipline, up to and including suspension, and/or expulsion. Any employee who permits or engages in harassment or prohibited discrimination shall be subject to disciplinary action, up to and including dismissal.

### **Grievance Procedures**

The Board hereby designates the following position as Director for Nondiscrimination to handle complaints regarding discrimination and harassment and inquiries regarding the district's nondiscrimination policies:

Director of Technology & Data Services 4380 Carmel Valley Rd. Carmel, CA 93923 (831) 624-1546

Any student who feels that he/she has been subjected to discrimination or harassment should immediately contact the Director, the principal, or any other staff member. Any student or school employee who observes an incident of discrimination or harassment should report the incident to the Director or principal, whether or not the victim files a complaint.

Upon receiving a complaint of discrimination or harassment, the Director shall immediately investigate the complaint in accordance with either the Uniform Complaint Procedure (BP 1312.3) or site-level grievance procedures specified in AR 5145.7 - Sexual Harassment.

The Superintendent or designee shall ensure that the student handbook clearly describes the district's nondiscrimination policy, procedures for filing a complaint regarding discrimination or harassment, and the resources that are available to students who feel that they have been the victim of discrimination or harassment. The district's policy may also be posted on the district website or any other location that is easily accessible to students.

In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate, the Superintendent or designee may keep the identity of the complainant to the extent that the investigation of the complaint is not obstructed.

504 and Title IX complaints: contact Mr. Tuana at 624-1821 ex: 2788 [ctuana@carmelunified.org](mailto:ctuana@carmelunified.org)

SPED complaints: contact Mrs. Puente at 624-1821 ex: 2791 [dpuente@carmelunified.org](mailto:dpuente@carmelunified.org)

## **SEXUAL HARASSMENT (Title IX) POLICY**

The Board of Education prohibits sexual harassment of any student by another student, anyone employed by the district, anyone doing business with the district, or anyone on school property or at a school sponsored activity. The Governing Board will enforce all non-discrimination laws, including the prohibition against sexual harassment, to the fullest extent.

Teachers shall discuss this policy with their students in age-appropriate ways. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment; including the fact that sexual harassment could occur between people of the same gender.
2. A clear message that students do not have to endure sexual harassment. Students should be encouraged to report observed instances of sexual harassment, even where the victim of the harassment has not complained.

Eligible students are issued an off-campus pass at the beginning of each quarter and must show their pass to a campus supervisor or a school administrator in order to leave campus. Students with an off-campus pass may not be tardy or absent in the assigned class following lunch. Excessive tardies may result in removal of the students off-campus pass.
