Overloaded & Underprepared: Strategies for Stronger Schools and Healthy, Successful Kids

Thu, Sep 15, 2016 at 7 pm

Carmel High School Performing Art Center

3600 Ocean Avenue, at the intersection of Highway 1 & Ocean Avenue in Carmel

About Dr. Pope

Dr. Denise Pope is Co-Founder of Stanford University's School of Education *Challenge Success Program*, a research and intervention program that provides vital resources to schools, communities and families which aim to reduce unhealthy pressure on youth and champions a broader vision of student success. An award winning author and recognized outstanding educator, Dr. Pope is a 3-time recipient of the Stanford University School of Education Outstanding Teacher and Mentor Award.

"At Challenge Success, we believe that our society has become too focused on grades, test scores, and performance, leaving little time for kids to develop the necessary skills to become resilient, ethical, and motivated learners. We provide families and schools with the practical, research-based tools they need to create a more balanced and academically fulfilling life for students. After all, success is measured over the course of a lifetime, not at the end of a semester."

Audience Notes

Program is free and open to the general public. We hope that parents, teachers, educators attend from all of the schools in our area.

Running Time:

Approximately 60 minutes

Seating

First-come, first-served!

Doors open at 6:30 pm.
