

Using ParentSquare for Health Screening at School

Before you come to school, get the **Parent Square** app for your phone and click the **Submit Daily Health Screening** button. Here's how:

1. Download the **ParentSquare** app to your phone from the Google Play Store for Android and the Apple App Store for iOS. It will look similar to this:

Or go to this page on your computer:

www.parentsquare.com/signin

2. Register/activate your account by entering your cell phone number or email address and following the directions.

ParentSquare
email or cell phone number

3. Find the **Submit Daily Health Screening** button on the right side of your web browser or at the bottom right of the app:

- Continued -

4. Answer the questions and press **Submit** to complete the screening:

This form applies to:

Me, Winston Smith
