Hi Mark ~

I completely understand. We will hold off on sending the letters until later in the summer? We will fine tune our list as much as possible until further notice. Do you have any idea of the timeline? I’m sure the wall is one of the last things to be constructed, but is it a part of this phase? If so, does that mean early September??

Thanks for getting back to me, I know this is a time crunch...a tad stressful time. Let me know if there’s anything you need from me, other than cash!

Hope you are well...

Tess

---

Tess,

I promise, I’m definitely not ignoring you. We’ve been focused on getting the bleachers phase approved by DSA. It is now approved, and the District (Dan, et al.) is working with Kent to finalize the phase 2.0 (bleachers) project cost.

We are moving in to getting the entry gate and the donor wall approved by DSA.

We aren’t at the point of getting names perfected, etc...: we are researching a bronze plaque manufacturer and looking at options for the best stone surface.

So --- my current plan would be this: Get set on a bronze manufacturer and then we get into the detail of number of lines/font/ names/spelling, etc...

Ok? – really not ignoring – just balancing the time.

Thanks
Hi again Mark...are you ignoring me?

I'm still waiting to hear back from you regarding the donor wall and how many characters per line we can accept from our donors. We are sending out a letter to ensure name accuracy, but I'd like to let our donors know the maximum number of characters per line. If this is something you do not know, can you please give me your best guess???

Dan, I'm still waiting to hear the logistics for issuing the district a check from Operation Padre/CHS Athletic Boosters.

Hope you both had a great weekend...

Tess

Hello Parents,

**Back To School Night**

Thank you for coming last night to this year’s BTSN, I trust you enjoyed meeting your student’s teachers and learned more about the courses she/he is taking this school-year. I imagine most or all of the teacher’s you met identified how you can contact them. I encourage you to follow through with that contact if anything comes up that causes you concern or for times when you want more information or clarification. Please also feel free to contact your student’s counselor or administrator whenever you have the need. Contacts are listed on our website [https://www.carmelunified.org/Page/1931](https://www.carmelunified.org/Page/1931). Also, please find the [CUSD Communication Guidelines for Parents](https://www.carmelunified.org/Domain/295) on the website at [https://www.carmelunified.org/Domain/295](https://www.carmelunified.org/Domain/295).

**Student Dress Code**

With the warm weather season coming, please take a few minutes to review the school dress code policy with your student(s). It can be found in the student handbook on the website or on moddle.

**Red Cross Club**

Students in the CHS Red Cross club would like to help The American Red Cross collect disaster relief funds to help the people impacted by Hurricane Harvey. Right now, the best way to help out is through cash donations. There are 3 ways to donate. There will be Red Cross canisters in various classrooms on campus starting Tuesday 9/5. Students can bring in cash or a check (please make checks out to The American Red Cross). The Red Cross is accepting donations on its website via a dedicated link ([http://www.redcross.org/](http://www.redcross.org/)). Donors also can call 1-800-RED-CROSS or text ”Harvey” to 90999 to make a $10 contribution.

**Social Emotional/Crisis Counseling**

CHS is extremely fortunate to have a [LCSW](https://www.carmelunified.org/Page/1931) (Licensed Clinical Social Worker) on campus and she is Lauren Capano. Lauren is here to provide support to any student at any time they need to talk. Students can self-refer, teachers and/or staff members can refer, and you can refer your student to see Lauren. If you would like to speak with Lauren her email address is [lcapano@carmelunified.org](mailto:lcapano@carmelunified.org) and her phone number is 624-1821 ext. 2785.

**Parent Teacher Lecture Series**

Mark your calendar for **Tuesday, September 5th at 6:30 pm** to come to the CHS Performing Arts Center for a special lecture by Dr. Adriana Galvan. **Dr. Galvan comes to us from UCLA** where she serves as the Director and Principal Investigator of the Developmental Neuroscience Laboratory. Her presentation is entitled – *Insight into the Teenage Brain: The Neurobiology Underlying Characteristic Teenage Behavior*. The lecture is sponsored by CUSD and the Carmel Public Library Foundation. Dr. Galvan will also be on campus Tuesday morning talking with some students during 5th period.

**College and Career**
Attention Juniors and Seniors! **College Rep visits** are back! Next week don't miss your chance to meet admissions representatives from Chapman University, Arizona State, Santa Clara and Hamilton College. Check out the ever growing list of rep visits on the College & Career Center webpage [https://www.carmelunified.org/Page/2065](https://www.carmelunified.org/Page/2065). Sign up to attend in the College & Career Center.

**PSAT**

The PSAT is scheduled for October 25th. Please see the attached information sheet for sign-up information.

**Community Service**

In order to meet graduation requirements, students must complete **60 hours** of community service by the end of their senior year. We also expect students to show progress toward that requirement by completing **15 hours a year**. We strongly believe in encouraging our students to find something that is meaningful to them and that they have a sincere desire to support through their service. Our daily bulletin commonly lists opportunities for students and here is a current sampling of that posting:

- Volunteers are needed to help out in the **snack bar** see Mrs. Vita in the ASB office for details.
- Volunteers needed for the NEW **Carmel Youth Center STEM+Art Lab**: CYC has opened an exciting new STEM+Arts Lab featuring Maker Studio software, digital cutters and lots of interesting STEM+ Art projects. Volunteers are needed to help elementary and middle school students with projects. No specific experience necessary we'll provide training. Wednesdays from 3:30 - 5:30 at CYC. Please contact Richard Tavener, Director of CYC STEM+Arts Lab richardtavener@gmail.com if you would like to help.
- **CS / Job Opportunity**: The **Carmel Residents Association** is looking for a student to do data entry for approximately 20 hours in January and February and continuing sporadically the rest of the year. Applicants should be competent in the use of excel. Contact Barbara Livingston at carmellivingston@gmail.com if you are interested

If you have any questions regarding community service please contact Diana Vita, dvita@carmelunified.org, or Assistant Principal, Craig Tuana, ctuana@carmelunified.org.

**Peru Trip**

Attention Global Citizens ... CHS Teacher, Tricia Bean, will be leading a **non-school sponsored trip** through Forum by Prometour to **Peru** this summer, **June 11-20, 2018** to visit Cusco, The Sacred Valley, Machu Picchu, Misminay, Puno, Lake Titicaca, and Lima. The **deadline** to register for the trip is **Sept. 15, 2017**. See attached power point for itinerary and registration details. Contract Tricia Bean at CHS for more information 624-1821 ext. 3710.

**Padre Parents**

Our official PTSO (PTSO: Parent-Teacher-Student- Org) at CHS is a huge support for students and faculty. Your Donation of $100 per student or **ANY** amount helps to fund: *

- Student Academic Recognition
- Sober Grad
- College and Career Center
- Special Programs
- Teacher Grants for classroom needs members
- Various student clubs
- And more…

Your involvement, whether it be as a volunteer, or simply a contributor, is a critically important factor in our successes.

**Our goal for 2017-18 is to have 100% parent participation in our fundraising efforts**. All donations regardless of size are welcome and much appreciated. We suggest a minimum $100 donation for each student at CHS. Many thanks to all the parents who contributed on
Arena Day last Monday. With their help, we already raised nearly 20% of our $15,000 donation goal. If you have the desire to join us, please make your donation online now. Your support is vital. Please share this link with others who would like to help.

For more detailed information on Padre Parents, please visit our website. Follow us on Facebook and Twitter.

Our volunteers help staff a variety of fun CHS events such as the College Fair (October 31), Career Fair, Teacher and Staff Appreciation lunch, Student Academic Recognition Lunches, Senior Awards Night, and Sober Grad Night. As volunteers are needed, emails are sent with all the details. Please send your email address here if you would like to be included on the volunteer email blast. (No need to resend if you signed up earlier during online student registration or on Arena Day.) We currently need additional volunteer help on our CHS Merchandise Sales and FUNdraising committees.

Our next meeting will be on Thursday, September 7th, at 8 a.m. in the lobby of the theatre. We hope you can join us.

Happenings and Info

- 9/4 – Labor Day no school
- 9/5 – Dr. Galvan, UCLA Neuroscientist, Voluntary Student Assembly
- 9/5 – Dr. Galvan, UCLA Neuroscientist, Parent Lecture Series, Theater 7:00 pm
- 9/10-15 – Homecoming Week
- 9/15 – Homecoming Parade
- 9/16 – Homecoming Football Game
- 9/16 – Homecoming Dance 8:00 pm -11:00 pm
- 9/19 – How To Pay for College 6:30 pm Library
- 9/22 – Picture Day Retakes
- 10/4 – FAFSA Cash for College 6:00 pm Library
- 9/29-10/1 & 10/6,7 – Musical Spamalot Theater 7:00 pm
- 10/9-13 – October Break no school
- 10/16 – Staff Development Day no school
- 10/17-20 – Powder Puff Week
- 11/20 Powder Puff Game 5:00 pm
- 10/23-27 – Community Service Week
- 10/25 – PSAT Testing
- 10/30-11/3 – Shoe week
- 10/31 – College Fair CHS Gym
- 11/3 – Shoe Game at PG
- 11/10 – Veteran’s Day no school
- 11/15-21 – Mock Trial Team to New York Empire Tournament
- 11/16-18 – CHS Honor Choir to ACDA in Palo Alto
- 11/22-24 – Thanksgiving Break no school
- 11/28 – Cross Country Awards Banquet Cafeteria 6:00 pm
- 11/30 & 12/1 – CHS Dance Show 7:00 pm Theater
- 12/7-10 – CHS Drama in Black Box
- 12/15 – Winter Concert
- 12/19-22 – Finals
- 12/25-1/5 - Winter Break no school

Have a wonderful weekend! Rick Lopez, CHS Principal

To: Heath Rocha <hrocha@carmelunified.org>  
Subject: RE: CHKS

Thanks Heath...is there a reader's digest version of some cold hard facts that would promote empathy/compassion to the general public who might want to help support these kids and families in our district???

For example, how many students are served at the Children's Center, what level of outreach is currently being done, what percentage of students are on the free lunch/bus/pre-school program, family salary ranges compared to rent prices, drinking water nightmare situation, where do these kids play???

I know some of this is big picture stuff...but the need is so real and so much more can be done beyond the school district. Trying to create a "bigger picture" partnership with the community.

If we did any level of private fund raising, do you know which 501 (c)(3) entity we could run funds through? For example, for Operation Padre, we ran everything through the CHS Athletic Boosters. Does the district have any level of non-profit status? Could this be a FOCUS, sub-fund?

Still spinning my wheels...

Tess

Hi Tess,
This is awesome! Thanks, Tess. I am attaching a pdf version of the brochure as well as the letter we sent out to alumni for your perusal. Let me know if you need other information. And again, I would be happy to meet with Bertie, too, if you think that would be helpful.

I was thinking about what you said last night in regards to a plaque or method of honoring donors. I was thinking maybe we could put a perpetual plaque in the College/Career Center in the library that honors the top five giving levels:

- Principal Bardarson Circle $25,000
- George Mosolf Circle $10,000 - $24,999
- Lloyd Miller Shoe Circle $5,000 - $9,999
- Librarian Nellie Ryder Circle $2,500 - $4,999
- Red & Grey Circle $1,000 - $2,499

In addition, maybe we could put an insert in the graduation program each year that listed all donors to the endowment for that year. What do you think?

Dale

P.S. Your grammar is beautiful! :)

Good morning Dale...I sent this to Bertie early this morning. I blind copied you on it, but it was from my personal email and I realized it might go to your spam.

I had a couple more questions for you. If Bertie is willing to give some money, but is not too keen on the Endowment Fund, can we still facilitate giving scholarships not part of the fund? Also, please send me the brochure...

Thanks and fingers crossed!!!

Tess

PS, Don't read from a journalistic, grammar perspective!!!

Subject: Operation Padre and much more!

Good morning Bertie,

I hope this email finds you well? I've been drafting an email, in my head, for the last two hours and thought it was time to get up and write to you. For starters, Operation Padre is set to enter into the final phase of construction this summer, we hit a snag early last summer which delayed the project by a year, as they are only able to do the construction during the summer months. I will be happy to see this project reach completion! I see Marvin often, he is doing well in retirement, but recently [redacted] very difficult. He volunteers at our school every Wednesday, such a great man.

On to bigger things...I was recently selected to the Carmel High School Foundation's Scholarship Selection Committee, which, up until now, have known little about. I met with Dale DePalatis, head of the English Department, yesterday afternoon to gather my supplies and learn more about the selection process. The Foundation is proud of the $170,000 that has been raised, thus far, but to be honest, is not making much of a dent in the college tuitions our kids will face. I'm sure you know much more about endowment funds than I do, however I'm learning quickly. The fund is set up to last, in perpetuity, and gift 5%, per year, towards student scholarships. In order for this fund to make an impact, it needs to be much higher, upwards of a million dollars!

My husband's company has a foundation, The Preserve Foundation, which is able to give up to $5,000 per year, up to four years, for children of employees who aspire higher education. In order for the CHS Foundation to have more "teeth" and make an impact, this is what we need to do. The question is, how do we get there? I'm asking you if this is something you'd be interested in making a huge difference for our young adults venturing off to college? The difficult part is, unlike Operation Padre, we are only bound to asking individuals for this kind of money because most corporations will not give to endowment funds. What I do know is that the amount given each year can be named, i.e. "The Bertie Scholarship"...or anything the individual donor would prefer.

I've been working for the district for over nine years now and for the last year have been working in the Special Education Department at Tularcitos Elementary School. I have a deep love, compassion and connection to my students and would love to see them succeed. I became a part of this committee to make a difference and be a voice for some of the more "needs based" students. I'm happy to say that I know the majority of the kids up for scholarships this year...such worthy, hard-working, young men and women of character who have high aspirations and deserve reward for all their efforts.

I would love to have the opportunity to discuss this further with you, if this is something you'd be interested in supporting. Can I take you to lunch? Bring you lunch? On another note, I'd love to pick your brain and see if you know any other community members who might be interested in this opportunity as well.

Thank you for all you do, hope you are well, and would welcome an opportunity to meet with you.

Trying to make a difference, one student at a time,

Tess Arthur

To: Rafael Payan <payar@...>

Thank you! We presented to the CUSD Board last night. We asked them to cover the costs of the summer enrichment program, so we can focus our fundraising efforts on the completion of the field. They agreed! Nice to see this all coming together, with lots of buy in from many different entities. Moving onward and upward!

Hi Tess:
We are still anticipating the project getting underway this Summer. The Board has asked to revisit the naming of the Promenade, but as far as we know has accepted the remaining verbiage on the donor wall. It’s wonderful that you continue to raise funds toward the project. Thank you for those efforts. If any or all of the $40,000 is in excess of what the Board formally received, it would be important for us to have them accept the additional donation at an upcoming meeting. We are using an automated agenda system for meetings these days which requires us to submit items for presentation about 10 days in advance of a scheduled meeting. Please let us know whether we should talk about getting you on an upcoming agenda.

Subject: Operation Padre and New Construction

Good afternoon!

I’m writing to follow up on a few things in regards to the next phase of construction for the CHS Field Project. Are we still on track to finish the project this summer, including the donor wall? Are the donor wall specs the same as they were before? I’m also anxious to know what the Board decided in regards to the verbiage on the donor wall. I assume it will stay the same as this was already decided upon before Marvin left.

Still wanting to put this project to rest and send out our final letter to all donors whose name will be on the wall and attached to the press box.

I have another $40,000 to pass onto the project, please let me know if I need to formally present at the next Board Meeting or if we can, officially, close the account and I can give the final check to one of you.

Hope you are all doing well...

Tess

Hi Tess:
We are still anticipating the project getting underway this Summer. The Board has asked to revisit the naming of the Promenade, but as far as we know has accepted the remaining verbiage on the donor wall.
It’s wonderful that you continue to raise funds toward the project. Thank you for those efforts. If any or all of the $40,000 is in excess of what the Board formally received, it would be important for us to have them accept the additional donation at an upcoming meeting. We are using an automated agenda system for meetings these days which requires us to submit items for presentation about 10 days in advance of a scheduled meeting. Please let us know whether we should talk about getting you on an upcoming agenda.

Are either of you alive?

Good afternoon!

Will do Karen....hope you’re loving the new job!
Sorry you couldn’t make the reception either, it was very nice. So exciting to watch the kids play on that field.
Hope you are well...
Tess

- September 15-19: No Screens for Ice Cream Week
- Every Friday is Bobcat spirit day. Remember to wear your Bobcat spirit wear or green and white on Fridays.

Back in Kindergarten

Our kindergarten students were able to go back to their classrooms and playground on Tuesday. Thank you to everyone who came out and helped shovel, move, and rake the sand last Saturday to get the playground ready for them. We have such a great community!

Keeping our Campus Safe

To keep everyone safe, we keep track of every adult that comes onto our campus. All of our staff is trained to look for a visitor’s sticker or volunteer badge on every adult on our campus. So whenever you come onto campus for any reason, please check into the office. We will then give you a visitor sticker or your badge and you won’t have to be stopped by one of our staff and sent back to the office to check in. Also, if you see an adult you do not know that does not have a visitor’s sticker on, please politely ask them to check in at the office as well. Thank you for helping keep our campus safe.

Too much screen time in your family? No Screens for Ice Cream – 9/15 through 9/19
Do you feel your kids are spending too much time in front of a screen? Want to reclaim family time? We are encouraging and challenging all families to turn off the screens in their home from Monday, 9/15, after school to Friday, 9/19, when school starts. In turning off the screens our hope is to encourage families to spend more time with one another not only reading, but playing games, eating meals together, and going for those family walks. Many people know or feel that their family members spend too much time in front of a screen. We hope that you will take this opportunity to spend a week reducing that screen time, and maybe even use this to reevaluate how you want to structure your family time at home for the year. Students of families who choose to accept this challenge will need to complete the bottom portion of a flier that will go home next week for their child to earn an ice cream party on Wednesday, Sept 24 at lunch. Turning off screens involves everything with a screen including phones, tablets, computers, and TV's (of course this does not include time that students or parents need to be on a screen for educational purposes or to read or make phone calls) The flier coming home will have more details about the challenge as well.

Operation Padre Update

Operation Padre will be wrapping up its efforts by the end of the year and I’m proud to say that we’ve raised over $600,000! We are still collecting pledges which could bring our grand total even higher! As a show of gratitude and celebration, we will be inviting every donor to attend a pre-game reception at noon on Saturday, September 13th to kick off the first home game of the season. We are so proud of our community for stepping up and supporting this campaign…the field looks amazing! We will be designing the donor wall in the near future, but it’s not too late to get your name on the wall and be a part of our youth’s future for generations to come. If you’d still like to donate at the sponsorship level, please visit our website at www.operationpadre.com! Or if you have any questions, please contact Tess Arthur at 831-596-5170 or email at tessors@hotmail.com. Thank you for being a part of this amazing journey!

Support our PTO while doing your normal shopping - eScrip

To all of our Tularcitos families -- when shopping at Safeway, please remember to pay with a debit card, check or cash in order for your shopping to earn money for Tularcitos through the eScrip program. Unfortunately, credit cards no longer count towards earnings for the program. Thank you to all the families who have turned in their Safeway Club Card # for the eScrip program. The Tularcitos PTO relies greatly on this program to fund many of the “extra” activities our students are blessed to have at this school. As you see the 3rd-5th grade students walking across the campus with wet hair, you can think to yourself…that’s my Safeway money at work! For those who have yet to turn in your Safeway number, please complete the attached form and either email it back to the address on the form in or drop it off at the office. You should be able to fill in the form on the computer if you have Adobe Reader installed on your computer. Thank you for your prompt attention to this very important funding source for our PTO!

Message from our PTO

Again, welcome to a new school year! We had our first meeting this past Wednesday, and it was inspiring to see so many people there! Thank you for joining us (and if you were not able to make it, we understand that it is not always possible to come to the meetings). At our meeting, we talked about some of our many events and activities that are coming up for the year, especially Fall Festival. Here are some highlights from the meeting.

- Fall Festival is Friday, October 3rd! One of the most fun days of the year! This year, there will be even more fun games and activities. However, Fall Festival would not happen without our volunteers -- a great (and easy) way to help is to sign up to volunteer with your class booth! Shifts are only one hour long (feel free to sign up for more than one...). Your child's teacher has a sign up sheet for your class. If you have already signed up, thank you!!! FYI, if you know any High School students, they can get community service hours by helping at Fall Festival (any booth, contact robyn.rauh@yahoo.com for availability)!

- Also, Fall Festival order forms for pre-paid hand stamps (just $10 per child 5th grade & under, pays for all games, bounce houses, train rides, and more) and raffle tickets (just $1 each) will be sent home next week. Check your child’s backpack!

- Some classes still need a Room Parent (assists with special classroom events and communicates between PTO, teachers, and classroom parents). Several classes still need a Photo Coordinator for the Yearbook (take pictures of your class during class parties, field trips, etc. and submit them to the Yearbook committee). If you can help, please contact your child’s teacher directly.
Soon you will be receiving information about purchasing this year’s Yearbook for your child(ren) and about the PTO’s primary fundraiser, "Bucks for Bobcats" (November 3 - 14).

In other PTO news, there are still many opportunities to get involved this year. Want to try something new? Now is the time to do it! Or, know someone who would be great? Spring Fling is just one of the opportunities waiting for you (or your friend)! Contact Robyn Rauh (robyn.rauh@yahoo.com / 238-4639) if interested in this or other opportunities.

Our next meeting will be held Wednesday, October 1st, 8:40 am. Here's to a great year!

- Lunch cost changing - Over the past seven years CUSD has tried hard to keep the cost of the Tularcitos lunch program at $3.00. However, because of the increased cost of providing lunches to students, we need to raise the price of our lunches to $3.50 (which actually still does not cover the cost of the lunch program). Snack will stay at $2.00 and milk will remain at $0.50. Ideally we would have been able to make this change over summer and start the school year with the increase. However, because of some needed approvals the change could not be instituted until after the School Board approved the increase at its August 13 public meeting. The price of lunches will go up to $3.50 starting Tuesday, September 2, 2014. If you have any questions, please call Denise McGregor, head of food service, at 624-4515.
- There is no school Monday, September 1, for Labor Day
- Every Friday is Bobcat spirit day. Remember to wear your Bobcat spirit wear or green and white on Fridays.

Help get the Kindergarten playground ready for Tuesday

Our kindergarteners will be back in their classrooms Tuesday, Sept 2. However, we need help getting our kindergarten playground ready for our kindergarteners. We had all of the new sand delivered today but need help spreading and smoothing it all out. We will be holding a work party tomorrow, Saturday, August 30, starting at 8:00 a.m. Bring your
shovels, rakes, brooms, and wheel barrows. I will need to leave at 10:00 for a previously scheduled family event, but others are welcome to stay as long as they can to help out. Remember to bring a water bottle as well to stay hydrated.

Donating Money for Kindergarten

Many people have asked about how they could help to restore the kinder classrooms or if they could donate money to replace items destroyed during the vandalism. If you would like to donate money, we have set up a way through our PTO. You may write a check to Tularcitos PTO and designate the funds for “kindergarten fund.” We will then take these funds and use them to help replace items that had to be discarded and help ensure our kindergarteners a great transition back to their rooms and playground. Thank you again for your ongoing generosity.

Summer Reading Program Brunch

We had 98 students participate in our Summer Reading program. They got to enjoy a great brunch in our garden on Monday. We will be doing a summer reading program again next summer and we hope we can get even more students involved.

The Ice Bucket Challenge (water conservation style)

184 buckets of ice water, thousands of shivers, and $2256 raised for ALS. Way to go Tularcitos Bobcats! I am very proud of our students and their families. I know many students were concerned, and some ended up feeling bad for me, as they saw me shivering from the water. Thank you for the concern (and I am glad that we have so many compassionate students), but I was more than happy to go through that to raise money for ALS. To all those students, please do not feel bad. Thank you to everyone who contributed! I am so impressed.

Operation Padre Update

Operation Padre will be wrapping up its efforts by the end of the year and I’m proud to say that we’ve raised over $600,000! We are still collecting pledges which could bring our grand total even higher! As a show of gratitude and celebration, we will be inviting every donor to attend a pre-game reception at noon on Saturday, September 13th to kick off the first home game of the season. Open Spots Still Available in the Preschool Co-Op
Tular Co-op is now located at Carmel Child Development Center, but are still offering the same quality parent co-op experience that was enjoyed at Bay School and Tularcitos Co-op for many years. Come join us at this exciting new location as we continue to work with our children and families preparing them for their future schools. The Carmel Adult School Parent Co-op Preschool offers parents the unique opportunity to be involved in their child’s early education. Come experience a place where older children and younger children work together, new ideas are shared, and education takes on many forms as children develop a love of learning and new friendships! We are part of the Carmel Adult School in the Carmel Unified School District. We ask parents to participate and help out in our classroom one day a week in order to keep our program running successfully.

Pine Cone article about athletics and new field

From: Paul Behan <pbehan@carmelunified.org>  
To: William Bans <wbans@carmelunified.org>  
Cc: Whitney Grummon <wgrummon@carmelunified.org>; Golden Anderson <ganderson@carmelunified.org>; Dan Paul <dpaul@carmelunified.org>; Rick Lopez <lopez@carmelunified.org>; Tess Arthur <tarthur@carmelunified.org>; Marvin Biasotti <mbiasotti@carmelunified.org>

Will –

Thanks for agreeing to work on an article for the Pine Cone about the Athletic Program at CHS and the new stadium. Below are a list of people who would be good to interview. (I am cc’ing them here to give them a heads up that you will be calling.)

- Whitney Grummon - CHS Girls soccer. 624-1821, ext. 3721
- Golden Anderson – CHS Athletic Director. 624-1821, ext. 3721
- Dan Paul – CUSD Operations Manager. 624-6311, ext. 2060. (Ask about reduced water usage. Improved spectator seating.)
- Rick Lopez – CHS principal. 624-1821, ext. 2790
- Tess Arthur – Volunteer chairperson of Operation Padre, which is raising funds for the stadium

Here are some key concepts we want to weave into the article. Your interviews should tap into these themes:

- Athletics offer an exciting way to engage students in their school, resulting in a positive impact on school climate. A high percentage of CHS students participate in athletics (Golden should be able to give you figures from last year and this fall) and thus benefit.
- CUSD has winning teams and winning individuals in many sports.
- CUSD offers a rich athletic program, with a breadth that exceeds the athletic programs of much larger schools.
- The new field will be used for (list of sports), not just football.
- Community members are supporting Operation Padre to add extra features to the new stadium, such as the scoreboard, the press box, entranceway, and stands. Donations can be made by ______ (ask Tess).

- There is no school Monday, September 1, for Labor Day
- Every Friday is Bobcat spirit day. Remember to wear your Bobcat spirit wear or green and white on Fridays.

Education is a Partnership

Thank you to everyone who came to Back to School Night on Wednesday. Providing your children with the best education possible requires a great partnership between the school and home. Thank you for showing your students their education is a priority by coming to Back to School Night, getting to know your child’s teacher, and staying on top of what is going on in the classroom. I want to again stress the importance of taking time every day to eat a meal together as a family. When you have that meal time together, make sure the TV is off and the cell phones are put away. You want to give each other your full attention and make the most of that time. That time you spend together as a family is crucial for the development of your children’s academic, social, and emotional well-being. Thank you for making that time a priority in your family.
Giving Money for Kindergarten

Many people have asked about how they could help to restore the kinder classrooms or if they could give money to replace items destroyed during the vandalism. If you would like to give money, we have set up a way through out PTO. You may write a check to Tularcitos PTO and designate the funds for “kindergarten fund.” We will then take these funds and use them to help replace items that had to be discarded and help ensure our kindergarteners a great transition back to their rooms and playground. Thank you again for your ongoing generosity.

Summer Reading Program Brunch

We will be holding our Summer Reading Program Brunch to celebrate all of those students who read at least 700 minutes this summer (and turned in their form) on Monday, August 25. We had 96 students participate in the summer reading program. We are very proud of every student who read this summer, and especially those who were able to meet and surpass our 700 minute challenge.

Mr. Peterson is doing the Ice Bucket Challenge (water conservation style)

How often do you get the chance to pour ice water over your principal’s head? To help raise money for ALS I will be doing the Ice Bucket Challenge (water conservation style) on Thursday, August 28, at lunch recess. Any student who brings in at least $10 to donate to the ALS Association will have the chance to pour ice water over my head at lunch recess. To make sure to not waste any water, I will be sitting in a small swimming pool. We will then reuse the water to water the plants in our Tularcitos garden. If your students would like to participate please attach money or a check to the bottom of the flier that went home this week and turn it in to the office by Wednesday, August 27. (make checks out to the Tularcitos PTO and dedicate it to the Ice Bucket Challenge). I am dedicating all of my future chills and shivers to Uncle Johny, my wife’s uncle who died of ALS right about a year after we met. Thank you for contributing to a great cause. 100% of the money will go to the ALS Association. We are in need of a small pool. If you have one you can loan us for the day, please call the office.

Operation Padre Update

Operation Padre will be wrapping up its efforts by the end of the year and I’m proud to say that we've raised over $600,000! We are still collecting pledges which could bring our grand total even higher! As a show of gratitude and celebration, we will be inviting every donor to attend a pre-game reception at noon on Saturday, September 13th to kick off the first home game of the season. We are so proud of our community for stepping up and supporting this campaign...the field looks amazing! We will be designing the donor wall in the near future, but it’s not too late to get your name on the wall and be a part of our youth’s future for generations to come. If you’d still like to donate at the sponsorship level, please visit our website at www.operationpadre.com! Driving Safely, Especially in the Carmel Valley Community Center Parking Lot

It is extremely important to drive safely during drop off and pick up times. Please make sure to drive slowly and cautiously around campus to ensure everyone’s safety. We also really appreciate being able to use the CVCYC parking lot for families of our youngest students. Please make sure to drive especially slowly and cautiously there, and if you are arriving late please use our bus drop off area to drop off your child and not the CVCYC parking lot.

Community Informational Fliers link

Like I stated in my previous email, we will no longer be sending out paper versions of fliers for organizations. At the bottom of my Friday emails will be the link to access the fliers. One flier you may want to look at now is the “Orchestra in the Schools” flier. Attached is also a flier for Hidden Valley’s Youth Dance Classes starting September 1.

All parents/guardians of students at Tularcitos are automatically members of the PTO and we look forward to seeing you at the first meeting. We will be meeting the first Wednesday of every month at the same time and place, with no meeting in December. Our PTO funds many of the enrichment programs and field trips our students and families are fortunate enough to enjoy at Tularcitos. If you are interested in helping out with our PTO in any way please contact Robyn Rauh (PTO President) at robyn.rauh@yahoo.com.

Have a great weekend
Upcoming events

Wed, Aug 27: Picture Day
Mon, Sept 1: Labor Day Holiday
Wed, Sept 3: 8:45-9:45: PTO meeting in Bobcat Hall
Sept 15-19: No Screens for Ice Cream
Fri, Oct 3, 3:00-6:00: Fall Festival

Tess –

Marvin asked me to let you know which companies we do a lot of business with. In the Tech Department our two big ones are...

<table>
<thead>
<tr>
<th>Company</th>
<th>Sales Manager</th>
<th>Contact Information</th>
<th>Business This Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>PCMCG</td>
<td>Sandeep Kapoor</td>
<td>[email protected]</td>
<td>nearly $200,000</td>
</tr>
<tr>
<td>CDW-G</td>
<td>Charleen Chu</td>
<td>[email protected]</td>
<td>nearly $100,000</td>
</tr>
</tbody>
</table>

Before you contact them, can you tell me what approach you’d like to take? I want to be careful to not give them an idea that we are asking them to “grease our palms” or that this would in any way affect our decision to do (or not do) business with them in the future.

Hi there! Sure, we would be interested -- it sounds like fun! But, you know our crazy schedule (especially Jon's travel schedule), I don't know if we would be able to make it. When is the party?

Miss you too!

Tess Arthur is originally from Carmichael, CA and is one of nine children. She attended private schools from 1st-12th grade, eventually earning a degree in Journalism and Philosophy from CSU, Chico. Upon college graduation, she moved to the Monterey Peninsula where she landed a job in the Golf Division of the Pebble Beach Company. It was there that she met her husband Forrest Arthur, from Rolla, MO, who continues his career with the Santa Lucia Preserve. They have two children: Kaylee (20) who will soon be moving to Portland, OR to attend Portland State University; and Adam (16) who is a sophomore at Carmel High School.

Tess currently works as a Special Ed Aide for Tularcitos Elementary School in Carmel Valley, and has been in education for the last ten years. She has spent a great amount of time in and around education and is extremely passionate about making a difference in student’s lives for years to come. Her greatest philanthropic claim is spearheading the Operation Padre campaign, which raised over $650,000 for the Carmel Unified School District. This helped subsidize the build-out of a multi-sports facility for the students of CHS.

Tess is excited to be part of the Carmel High School Foundation, continuing to make a difference in the lives of our students.
