Happy Friday CUSD Families,

We are so happy to welcome you all back on Monday for the 2022-23 school year.

As your CUSD Chief Communications Officer, I am connecting with you to review the various communications channels CUSD has in place and where you can find information. CUSD uses a variety of external communications channels as outlined in this document (also attached to this message). Some of the channels are detailed below.

**ParentSquare**

CUSD uses ParentSquare for school communication, primarily with email, text and app notifications. ParentSquare automatically generates an account for each parent/guardian, using their preferred email address and phone number. We encourage parents/guardians to access their accounts so they can download the mobile app and update their preferences on when and how they are notified.

Here's what you can do with ParentSquare:

- Receive messages from the school via email, text or app notification
- Choose to receive information as it comes or all at once at 6 p.m. daily
- Communicate in your preferred language
- Comment on school postings to engage in your school community
- Direct message teachers and staff
- Complete field trip and other forms

**Peachjar**

CUSD uses Peachjar to send school information and approved flyers from community organizations digitally. In addition to important school events and information, these flyers contain programs and events offered throughout the community that help your child succeed.

After-school sports, local family events, free community programs, and college prep are just a handful of the resources found in Peachjar emails. You can also find all school-approved digital flyers posted on your school’s flyerboard by clicking the Peachjar button on your school’s website.

**Addressing Questions and Concerns**

Do you have questions or concerns and don’t know who to reach out to? Please refer to this sheet on our website (also attached to this message).

**Volunteers and Visitors**

It is important that all visitors and volunteers to school sites not photograph students other than their own unless the event is open to the public (sporting event, carnival, etc.). Here’s a brief handout to outline why this is important (also attached to this message).

**Word on the Street**

Our "Word on the Street" webpage is where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

Heard something you’d like to have fact checked? Submit a Word on the Street through the anonymous Google form.

Thank you for your continued support to improve communications within our CUSD community and have a wonderful school year!

Sincerely,
Jessica Hull
Chief Communications Officer

Good morning CUSD Staff,

Today we are formally launching our new "Word on the Street" webpage where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

Heard something you’d like to have fact checked? Submit a Word on the Street through the anonymous Google form. Refer colleagues, families and community members to the page as well.

Thank you for your continued support to improve communications within CUSD!

Good afternoon Board,

Tomorrow I'll be notifying staff, placing a notice on our homepage and doing some social media outreach directing our community to our new "Word on the Street" webpage where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

I have been considering this page for a while, but the contract/employment question came in four times just this morning, so I think this will be of great benefit to our district and our community (and will help with the number of calls, emails and texts I'm receiving on misinformation).

Thank you.

Jessica,

Hats off for this one. Excellent! Hope this goes beyond CUSD parents and into the community at large.

Well Done!

Karl

Good morning CUSD Staff,

Today we are formally launching our new "Word on the Street" webpage where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

Heard something you’d like to have fact checked? Submit a Word on the Street through the anonymous Google form. Refer colleagues, families and community members to the page as well.

Thank you for your continued support to improve communications within CUSD!

Jessica Hull (she/her/hers)
Chief Communications Officer

Happy Friday CUSD Families,

We are so happy to welcome you all back on Monday for the 2022-23 school year.

As your CUSD Chief Communications Officer, I am connecting with you to review the various communications channels CUSD has in place and where you can find information. CUSD uses a variety of external communications channels as outlined in this document (also attached to this message). Some of the channels are detailed below.

**ParentSquare**
CUSD uses ParentSquare for school communication, primarily with email, text and app notifications. ParentSquare automatically generates an account for each parent/guardian, using their preferred email address and phone number. We encourage parents/guardians to access their accounts so they can download the mobile app and update their preferences on when and how they are notified.

Here's what you can do with ParentSquare:
- Receive messages from the school via email, text or app notification
- Choose to receive information as it comes or all at once at 6 p.m. daily
- Communicate in your preferred language
- Comment on school postings to engage in your school community
- Direct message teachers and staff
- Complete field trip and other forms

**Peachjar**
CUSD uses Peachjar to send school information and approved flyers from community organizations digitally. In addition to important school events and information, these flyers contain programs and events offered throughout the community that help your child succeed.

After-school sports, local family events, free community programs, and college prep are just a handful of the resources found in Peachjar emails. You can also find all school-approved digital flyers posted on your school’s flyerboard by clicking the Peachjar button on your school’s website.

**Addressing Questions and Concerns**
Do you have questions or concerns and don’t know who to reach out to? Please refer to this sheet on our website (also attached to this message).

**Volunteers and Visitors**
It is important that all visitors and volunteers to school sites not photograph students other than their own unless the event is open to the public (sporting event, carnival, etc.). Here’s a brief handout to outline why this is important (also attached to this message).

**Word on the Street**
Our "Word on the Street" webpage is where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

Heard something you’d like to have fact checked? Submit a Word on the Street through the anonymous Google form.

Thank you for your continued support to improve communications within our CUSD community and have a wonderful school year!

Sincerely,
Jessica Hull
Chief Communications Officer

Good afternoon Board,

Tomorrow I'll be notifying staff, placing a notice on our homepage and doing some social media outreach directing our community to our new "Word on the Street" webpage where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

I have been considering this page for a while, but the contract/employment question came in four times just this morning, so I think this will be of great benefit to our district and our community (and will help with the number of calls, emails and texts I'm receiving on misinformation).

Thank you.

Good morning CUSD Staff,

Today we are formally launching our new "Word on the Street" webpage where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

Heard something you’d like to have fact checked? Submit a Word on the Street through the anonymous Google form. Refer colleagues, families and community members to the page as well.

Thank you for your continued support to improve communications within CUSD!

Good afternoon,

I'm writing a series of news briefs for the Carmel Sandpiper covering a couple of district updates. I was hoping to arrange a meeting to discuss the California Public Records Act Requests, the updated EIR timeline for stadium lights, and the new Word on the Street column on the CUSD website. I'm available during fourth period (10:30-11:40 am) most days and any day after school before 5 pm.

Please let me know what works best for you and we can go from there. Thank you so much.

Happy Friday CUSD Families,

We are so happy to welcome you all back on Monday for the 2022-23 school year.

As your CUSD Chief Communications Officer, I am connecting with you to review the various communications channels CUSD has in place and where you can find information. CUSD uses a variety of external communications channels as outlined in this document (also attached to this message). Some of the channels are detailed below.

**ParentSquare**

CUSD uses ParentSquare for school communication, primarily with email, text and app notifications. ParentSquare automatically generates an account for each parent/guardian, using their preferred email address and phone number. We encourage parents/guardians to access their accounts so they can download the mobile app and update their preferences on when and how they are notified.

Here’s what you can do with ParentSquare:

- Receive messages from the school via email, text or app notification
- Choose to receive information as it comes or all at once at 6 p.m. daily
- Communicate in your preferred language
- Comment on school postings to engage in your school community
- Direct message teachers and staff
- Complete field trip and other forms

**Peachjar**

CUSD uses Peachjar to send school information and approved flyers from community organizations digitally. In addition to important school events and information, these flyers contain programs and events offered throughout the community that help your child succeed.

After-school sports, local family events, free community programs, and college prep are just a handful of the resources found in Peachjar emails. You can also find all school-approved digital flyers posted on your school’s flyerboard by clicking the Peachjar button on your school’s website.

**Addressing Questions and Concerns**

Do you have questions or concerns and don’t know who to reach out to? Please refer to this sheet on our website (also attached to this message).

**Volunteers and Visitors**

It is important that all visitors and volunteers to school sites not photograph students other than their own unless the event is open to the public (sporting event, carnival, etc.). Here’s a brief handout to outline why this is important (also attached to this message).

**Word on the Street**

Our "Word on the Street" webpage is where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

Heard something you’d like to have fact checked? Submit a Word on the Street through the anonymous Google form.

Thank you for your continued support to improve communications within our CUSD community and have a wonderful school year!

Sincerely,

Jessica Hull

Chief Communications Officer

Subject: New Word on the Street

"The tennis courts at Carmel Middle School are so beyond disrepair that even the team coach deems them unfit for students and unsafe. Parents of tennis team members were told that the courts are so dangerous that the coach wouldn’t play on the courts himself in fear of injury and he has spoken to the district for years to no avail. Why is the district putting money into the high school football field again before at minimum, making sure all school fields and play areas are safe for students. What is the district’s plan for making sure Carmel Middle School students are safe on the tennis courts?"

WotS: "The district cares more about plants than human health and the water shed. They have posted dangers to health info sheets regarding toxic chemicals used on campuses. Yes, we were warned and had to agree to it when we signed up our kids for school."

Here are the facts: The California Healthy Schools Act (HSA) was enacted in 2000. It is a right-to-know law that provides parents and staff with information about pesticide use taking place at public schools and child care centers. The law encourages the adoption of effective, lower risk pest management practices, also known as integrated pest management (IPM). CUSD utilizes eco-friendly pesticides and provides the required notification of all products and active ingredients to families and staff. We also focus on IPM strategies for long-term prevention or suppression of pests through a combination of techniques such as monitoring for pest presences, making habitat less conducive to pests, improving sanitation, physically removing pests, and using least-toxic pesticides when necessary as a last resort. CUSD does not use any pesticides not allowed to be used at/near schools (list found here).

Good afternoon Board,

Tomorrow I'll be notifying staff, placing a notice on our homepage and doing some social media outreach directing our community to our new "Word on the Street" webpage where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

I have been considering this page for a while, but the contract/employment question came in four times just this morning, so I think this will be of great benefit to our district and our community (and will help with the number of calls, emails and texts I'm receiving on misinformation).

Thank you.

Great to hear from you and I hope you had a wonderful summer. How is next Wednesday the 17th at 3:15? We can meet you right after school in the library.

Jessica Hull (she/her/hers)
Chief Communications Officer
Carmel Unified School District

On Thu, Aug 11, 2022 at 2:48 PM [Redacted] wrote:
Good afternoon,

I'm writing a series of news briefs for the Carmel Sandpiper covering a couple of district updates. I was hoping to arrange a meeting to discuss the California Public Records Act Requests, the updated EIR timeline for stadium lights, and the new Word on the Street column on the CUSD website. I'm available during fourth period (10:30-11:40 am) most days and any day after school before 5 pm.

Please let me know what works best for you and we can go from there. Thank you so much.
We are here!

Wotts: "The district cares more about plants than human health and the water shed. They have posted dangers to health info sheets regarding toxic chemicals used on campuses. Yes, we were warned and had to agree to it when we signed up our kids for school."

Here are the facts: The California Healthy Schools Act (HSA) was enacted in 2000. It is a right-to-know law that provides parents and staff with information about pesticide use taking place at public schools and child care centers. The law encourages the adoption of effective, lower risk pest management practices, also known as integrated pest management (IPM). CUSD utilizes eco-friendly pesticides and provides the required notification of all products and active ingredients to families and staff. We also focus on IPM strategies for long-term prevention or suppression of pests through a combination of techniques such as monitoring for pest presences, making habitat less conducive to pests, improving sanitation, physically removing pests, and using least-toxic pesticides when necessary as a last resort. CUSD does not use any pesticides not allowed to be used at/near schools (list found here).

Good afternoon Board,

Tomorrow I'll be notifying staff, placing a notice on our homepage and doing some social media outreach directing our community to our new "Word on the Street" webpage where rumors swirling in the community, noted on social media pages, etc. can be corrected with facts.

I have been considering this page for a while, but the contract/employment question came in four times just this morning, so I think this will be of great benefit to our district and our community (and will help with the number of calls, emails and texts I'm receiving on misinformation).

Thank you.

<td>posted</td>
</tr>
<tr>
<td>8/10/2022 7:45:48</td>
<td>No one believes this Q&amp;A platform is anonymous. Are you tracking IP addresses? Please be transparent on the data you are capturing on the back-end. What rights are individuals wavering in this process when a question is submitted?</td>
<td>posted</td>
</tr>
<tr>
<td>8/10/2022 8:48:47</td>
<td>Are your facts accurate or responses misleading? It's a fact that Ted Knight's family still resides in Colorado where he is a homeowner. His children have not transferred to Monterey County. He might be a Monterey County resident because he physically has to show up to work in Carmel and legally he must transfer his driver license. That doesn't make him a committed resident to our students and parents.</td>
<td>already answered: superintendent residence</td>
</tr>
<tr>
<td>8/10/2022 10:52:11</td>
<td>CUSD claims it cannot begin Late Start without first installing stadium lights at CHS to allow sports practices in the darker afternoons. However, many schools throughout California, including MPUSD, have successfully switched to Late Start without harming their sports or academic programs. Are we really such a special case in Carmel, or is the much-needed Late Start being held hostage as a cynical bargaining ploy to get the stadium lights over growing objections?</td>
<td>posted</td>
</tr>
<tr>
<td>8/10/2022 11:06:44</td>
<td>Whatever became of the Student Advisory Council's surveys about the District's proposed stadium lights at CHS. Were the surveys conducted? What groups and communities were polled? How was the data collected, analyzed and interpreted? When were the results presented?</td>
<td>posted</td>
</tr>
<tr>
<td>8/10/2022 11:09:03</td>
<td>A religious discrimination claim was filed against Carmel Unified School District when you refused to allow a menorah to be displayed at a community holiday ceremony on school grounds. What is your game plan to be more inclusive of religion freedom this year?</td>
<td>posted</td>
</tr>
<tr>
<td>8/10/2022 12:28:21</td>
<td>Regarding the proposed stadium lights, word on the street is that CUSD is avoiding installing ridge poles with flags or balloons or anything else for that matter, which would help the neighborhood and community at large understand what the real visual and environmental impacts the four 80 foot tall stadium lights would be. Word on the street is that CUSD fears a huge negative response once everyone sees the impacts. It's a requirement for all new proposed residences on the peninsula, and makes sense for CUSD to be fully transparent and do the same early on. You might be surprised at the responses and table the stadium lights at CHS idea, and look for reasonable alternative locations for a real sports complex.</td>
<td>posted</td>
</tr>
<tr>
<td>8/10/2022 13:09:17</td>
<td>Why is CUSD delaying changing the pool lights to &quot;dark sky&quot; certified lighting when the Superintendent has already publicly apologized for the light pollution and promised a change months ago. Please don't deflect the response to the draft EIR for the stadium lights. This is about admission to fix a current problem and not connected to something that might never happen.</td>
<td>posted</td>
</tr>
<tr>
<td>8/10/2022 13:11:40</td>
<td>There is a rumor that the Superintendent visited the Carmel Views neighborhood during the evening, asked facilities to turn on the pool lights and remarked &quot;I too would be horrified if I saw this environmental disaster - I promise to fix.&quot;</td>
<td>already answered: stadium lights project</td>
</tr>
<tr>
<td>8/10/2022 13:13:35</td>
<td>Is there friction between Board Member Karl Palesstri and Ted over consistent misquotes that Ted makes in the Pine Cone?</td>

<td>Word on the Street is that the Superintendent and the School Board needs a refresher course on how to work with the PTA groups. School leaders and the PTA are partners in education. Whether at the county, school district, or local school level, school leaders such as teachers, administrators and superintendents can help ensure that a PTA is an informed and contributing part of the school community. PTA leaders and members often take their cues from the administrator's direction. An administrator's active support, cooperation, and inspiration are vital to the success of a PTA.</td>

<tr>
<td>8/20/2022 17:15:31</td>
<td>On August 19, 2022 CUSD published in the Carmel Pine Cone an official notice of public availability for the Revised EIR for the proposed CHS Stadium Lights. The District also posted the same information on its website. Is the RDEIR really available now, nearly a week before the published release date? If so, where can this document be found? The link you provided does not connect to the RDEIR and, as far as I can tell, there is no &quot;CUSD Announcement section&quot;. There is no evidence of the RDEIR anywhere online. Also, if the document has truly been released early and without warning, will that shorten the period for public review, which is currently set to end on Oct. 10, 2022? Thanks for clarifying this important issue. As you know, there's a lot at stake in making the RDEIR available to the public.</td>
