Good morning,

By this email, Carmel Unified School District responds to your California Public Records Act request (request no. 2223_26), received September 13, 2022. Your request sought "total fees, payments, contracts, purchase orders paid to Dannis Wolver Kelley, Attorneys at Law from 2019 – year-to-date September 2022."

Other than records contained in the publicly-available agendas and meeting minutes for the District's Board of Education, the District objects that this request seeks records that are exempt from disclosure including, without limitation, under the attorney-client privilege and attorney work product doctrine. (Gov. Code, § 6254(k); Los Angeles County Bd. of Supervisors v. Superior Court (2016) 2 Cal.5th 282, 297.) The Board of Education agendas and minutes are searchable and available at: <https://www.carmelunified.org/Page/6035>. The District has determined that it has no other disclosable records in response to this request.

This concludes the District's response to your request.
