Good afternoon,

Without waiving its rights or any other objections that may be available to it, please be advised that the District has determined that it may have disclosable records responsive to your California Public Records Act request number 2223_29. The District is in the process of locating, reviewing, and compiling these records. Once that process is complete, only those documents that meet the definitions contained in the CPRA and are not otherwise exempt from disclosure will be produced.

Thank you.
