Submit a California Public Records Act Request to Carmel USD

The Carmel Unified School District (CUSD) is committed to transparency and providing easy access to public records pursuant to the California Public Records Act (CPRA). The California Public Records Act gives the public the right to access records created and maintained by public agencies in the course of their normal business.

Pursuant to Government Code Section 6252(e), a public record is defined as "any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics." Public records requests may be used to obtain "records," which include a wide variety of documents and other materials (including print, photographic, and electronic formats) that were created or obtained by the organization and are, at the time the request is filed, in the organization's possession and control.

Records subject to disclosure under the CPRA may include email or other communications from members of the public or which reference them. While the District reviews all responsive records to determine if this information should be disclosed, in many cases references to members of the public, or the content of their communications to the District are subject to disclosure. Permissible exemptions from disclosure include documents that invade an individual's right to privacy (e.g., privacy in certain personnel, medical, or student records) or hinder the government's need to perform its assigned functions in a reasonably efficient manner (e.g., maintaining confidentiality of investigative records, official information, records related to pending litigation, and preliminary notes or memoranda).

All requests will be posted to the District's CPRA webpage.

Name of requestor: *
First and last name

Person Vehicle

Email of requestor: (Responses will be provided to this email address) *

To confirm if the 3.24 persons per vehicle is a reasonable assumption for high school football games, the following high school stadium project CEQA documents were reviewed regarding persons per vehicle:

Los Alto High School Lights & Public Address System EIR (Los Altos) (2020)
3.24 persons per vehicle (used Mitty High School data);

Mountain View High School Field Lighting EIR (Mountain View) (2020)
3.24 persons per vehicle (used Mitty High School data);

Bonita Vista High School Track & Field Project EIR (Chula Vista) (2021)
3.5 persons per vehicle;

Leuzinger High School IS/MND (Lawndale) (2021)
2 persons per vehicle;

Grant Union High School IS/MND (Sacramento) (2021) average of
3 persons per vehicle;

Chavez High School Stadium Seating Expansion (Stockton) (2008)
4.17 persons per vehicle;

Concord High School and Clayton Valley High School (Concord) (2015)
2.17 persons per vehicle;

Valley High School Sports Complex (Costa Mesa) (2014)
4.0 persons per vehicle; and

Hiram Johnson High School Athletic Improvements MND (Sacramento) (2022)
3.4 persons per vehicle.
