Hi Golden,

Renting the MPC facility is certainly something we can attempt to work out with you. Typically our facility isn't available until 8:00pm on T-W-TH and 6:00 or 6:30 Monday & Friday if it's not being rented for a high school game. We have some flexibility in this but not a lot.

I will look into a couple of other things and see where we could work it out to be a little more available.

I hope that helps with a little perspective.

Take care,
Wendy

Hi Wendy

I have been doing some research on some alternative facilities to rent for our athletic teams once California goes to the late start next school year. As you know, we do not have lights in our facility. I had a few questions that I hope you could help me with.

1. Would MPC be willing to rent out the stadium in the evenings once your teams finish in the Winter Season (Nov - Feb).
2. What times would you anticipate MPC being done with use each evening and when do you think it could be available to rent?

Please let me know when you get a chance.

Thank you.

Hi Dan

I have reached out to some neighboring schools about possible field use once we go to a late start as we do not currently have lights.

PG's response is below.

It looks like they are available for our teams after 7PM on weeknights. I would assume a 7-9pm or 7-930 pm slot based on what they say (Wed night not available). That is going to be an extremely late night, also I don't know (you would know better) if we have bussing available that late. Also will impact CV/Cachagua and Big Sur students as that is after the late bus. As far as games go we would need to play a double header (JV/V) - either PG boys or girls will be playing on the dates we have 'home games' so we would be playing at say 7:30pm and 9:30pm. I can inquire to see if they will allow us to be on the field until 11/11:30pm.

I'll update you when I have more information.

Golden

Hi Golden,

Here is what I have for you regarding the field:

1. With both boys and girls practicing we usually go until 7-7:30 Monday-Friday. On Wednesdays we have an adult school program that comes in after us.
2. Renting the field goes through our director of maintenance Matt Kelly (matt.kelly@pgusd.org). Currently we have Trinity on Saturdays for their home games, and each one of those run about \$1500. You would need to check with Matt about what you would pay, since you would most likely be using it for a shorter time, but more days.

Let me know if you want me to start a conversation with the powers that be on this end, and good luck!
