[REDACTED]

Good morning,

Without waiving its rights or any objections that may be available to it, the District has determined that it has no records responsive to your California Public Records Act request (request no. 2223_41) for an audio recording of the December 8, 2021, Community Listening Session. The District did not make and does not possess such a recording.

This completes the response to this request.

Jessica Hull (*she/her/hers*)
