Submit a California Public Records Act Request to Carmel USD

The Carmel Unified School District (CUSD) is committed to transparency and providing easy access to public records pursuant to the California Public Records Act (CPRA). The California Public Records Act gives the public the right to access records created and maintained by public agencies in the course of their normal business.

Pursuant to Government Code Section 6252(e), a public record is defined as “any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics.” Public records requests may be used to obtain "records," which include a wide variety of documents and other materials (including print, photographic, and electronic formats) that were created or obtained by the organization and are, at the time the request is filed, in the organization’s possession and control.

Records subject to disclosure under the CPRA may include email or other communications from members of the public or which reference them. While the District reviews all responsive records to determine if this information should be disclosed, in many cases
references to members of the public, or the content of their communications to the District are subject to disclosure. Permissible exemptions from disclosure include documents that invade an individual's right to privacy (e.g., privacy in certain personnel, medical, or student records) or hinder the government's need to perform its assigned functions in a reasonably efficient manner (e.g., maintaining confidentiality of investigative records, official information, records related to pending litigation, and preliminary notes or memoranda).

All requests will be posted to the District's CPRA webpage.

On January 22nd between the time of 9 am-10:50am my vehicle was damaged in Carmel High school Parking lot. No note was left. Over $2500 of damage was done to my vehicle. I went into the office on Monday and spoke to the assistant principal. She was very nice and said the would review the footage. She called me back and told me to fill out this public records request form.

If you have attachments or images to add to the request, please do so here.
