Principal’s Message
At Wednesday’s Board of Education meeting our Interim Superintendent; Trisha Dellis; provided a brief update on our work to address sexual harassment and sexual assault on campus. She also indicated that the school has a more detailed plan that outlines our next steps. The full draft of our plan can be viewed here. This is the blueprint for our work not just next year but in what will be part of our new mission as a school. The goal of this to address sexual assault and sexual harassment through a better informed process; changes to our curriculum and a better; safer culture on our campus. This is important work and change will come slowly but we are confident we can create a place where all our students feel respected and protected.

CONGRATS ON OUR BOYS SOCCER TEAM FOR MAKING THE CCS FINALS. They will play this Saturday at Harbor High School for the title. Way to go Boys!

GRADUATION UPDATE
I appreciate that we all want to share in the culmination of the journey of the Class of 2021. While the experience last year at Laguna Seca was great; it has been our preference all along to have a ceremony on site to bring our CHS life back to normal. Planning graduation began back in January by examining the guidance and getting an accurate accounting of our field capacity. We then continued to refine that plan as new guidance emerged. Per CDPH Guidelines; all graduates are spaced 6 feet apart. In addition; ALL attendees count toward capacity; which in the orange tier is 33%. With this in mind; our capacity allows for each graduate to have two tickets which seats 160 people in our bleachers and the remaining on the field. The other major requirement for large events; is that all seating must be ticketed to account for our exact numbers. Open field seating of this kind is not possible. Some have emailed with questions with regards to other schools and their graduation ceremonies. Neighboring schools are using the same guidance but may have larger seating capacity in their stadiums; smaller graduating classes; or have split their ceremonies into smaller groups. Back in March; we surveyed the students as to their desires for what type of ceremony if given the chance and the first choice was to have full ceremony on site. We have kept that as our goal are are honoring that request. The other key question I have received is what might happen if we change our tier status. The earliest that would be announced would be next Tuesday afternoon; two days prior to our ceremony. This is very short timeline to redesign the entire seating program and might only result in 100 or so more seats. We are actively looking at how we can increase seating capacity in the event we change Tier Status on Tuesday.

What a glorious week! Shoe Spirit Week is always a blast. It was great to see so many student and staff play along with dress up days and activities at lunch. We ended the week with our first outdoor Pep Rally on the field. I am so excited to see kids laughing and enjoying school. I am confident if we as a school commit to each other to mask up when indoors and stay home when we are sick; we can have many more weeks like this one. School News

**Counseling Updates**
The annual Steve Shapiro financial aid evening presentation is Thursday; Sept. 9th at 6:00 pm. This is a great Q and A session that covers a wide range of financial aid programs for Seniors. [https://carmelunified.zoom.us/j/97608224983](https://carmelunified.zoom.us/j/97608224983) Meeting ID: 976 0822 4983 Passcode: 052397

Counselors will be visiting classes beginning next week with the 12th grade sharing college/career information. There will then be Senior Conferences throughout the fall semester. During the first 2 weeks of September; Counselors will be heading into 9th and 10th grade classes going over counseling services. For interested 9th and 10th grade students; Counselors will be hosting academic planning workshops for a more personalized presentation of transcripts; graduation status; 4-year academic &amp; activities planning; and getting familiar with college eligibility. Sign-ups will be in the College &amp; Career Center. We will also be visiting junior classes in September sharing college admissions requirements and post secondary options. Once the visits are over we will be hosting College Fit Presentations and Junior Conferences in the spring semester. Back to School Night

CHS will be hosting our Back to School Night on September 2nd virtually this year. Due to the concerns over large groups in classrooms we have opted to be safe for all parents and students. Teachers will record videos that can be accessed from a special Spreadsheet that will be sent out on Thursday; September 2nd in the Afternoon. We hope this will still provide you the information you need to effectively support your students.

**COVID Procedures**
Over the past two weeks a team of CUSD staff have been working on developing COVID tracking and reporting protocols. A separate email will be sent out from the Superintendent's office that will go into great detail but the key takeaway is that if your student is sick please keep them home and call the school. We will assist you in determining if your child needs to quarantine or isolate and how to return to school when cleared. It is imperative that families work with the school to keep all our students safe.

**Class Presentations**
Next week Mr. Tuana and Mrs. Puente will be leading presentations in Social Science classes regarding awareness and prevention of Sexual Harassment and sexual assault. They will be joined by members of The Wellness Center and students from our Task Force who have contributed to the presentation. We are aware that this may be a sensitive subject and if a student is uncomfortable they may be excused. I will share out the final presentation next week. If you have questions please email either Mr. Tuana or Mrs. Puente. Shoe Game Tickets

We are so excited to be able to play the annual Shoe Game next Saturday at 7pm at Pacific Grove High School. PGHS is only allowing for the purchase of tickets electronically in advance via the following link: [https://gofan.co/app/events/375145?schoolId=CA19933](https://gofan.co/app/events/375145?schoolId=CA19933). PRINCIPAL'S MESSAGE

This week was a bit tougher than normal as we dealt with our first brush with COVID. I want to thank all those who have been supportive as we work our through this outbreak and try to stay true to our goal to keep school open. The guidance and process for determining a student's status and if quarantine is needed can be complex so we appreciate your continued patience as we refine our protocols. I am excited that this week we added three wonderful Contract Tracers to our team to assist and clear students faster. We continue to maintain our high standards of cleaning all classrooms and encouraging all students and staff to be vigilant in their mask wearing. While this week has been hard; we are learning a lot that will help us keep school open and thriving. This week also ends our first grading period. These marks are the first tangible evidence for us to gauge student success in the classroom. But they are also merely a reflection of a moment in time. Grades that are lower than desired can still be changed so this is the time to reach out for help; especially during Office Hours. Students with an F in a class will be assigned Office Hours in the coming weeks but it is also still available to anyone in need.

Finally; I would like to take a moment to reflect on the 20th Anniversary of 9/11. For students; none of whom were even born; 9/11 is part of history. Something we teach as part of a curriculum. For us adults; we can recount where we were when the news reports started coming in about the first attacks in New York. The day was a blur of information and fear. A sense of dread and numbness filled us as video was replayed in the days that followed. If you would be so inclined tomorrow; please take a moment to remember those who were lost on that day; those affected by those losses in the months and years after; and those who are still dealing with the trauma of that experience. It is also a time to remember the First Responders who came to people's aid and those who are brave enough to do that work here in our community today. Our thanks to you is immeasurable. School News

Mascot Update

I have been asked by some of the community to provide an update on the mascot study that we began last year. For those who are new to CHS; during the 2021-22 school year I was asked by the CUSD Governing Board to convene a study group to see if a change in our school mascot was warranted. Due to the ongoing issues with school re-opening in the spring and again with trying to devote as much time as possible to a successful fall opening; this study took a bit of a secondary place. The committee has now set its calendar for meetings for the next month and while this is a closed committee; anyone can view our work by visiting this site to see the Open Forums held last year. We are also seeking new student members as some of our group graduated last year. If you as a student are interested in joining please see Mrs. Powers in Room 42.

The Sandpiper Has Returned

Our student led newspaper; THE SANDPIPER; has returned with its first issue of the school year. After a year away from hard copy; the paper is now back out in the community for you to grab with your morning coffee. A PDF version of this issue is attached. I am always amazed by the work our journalism team does to give you student thoughts and reporting in a professional manner that would rival any major newspaper. Make sure to also check out their website in the links section of this email.

Student of the Month for August

Congratulations to our Students of the Month; nominated by CHS teachers and staff for their Active keeping CHS Clean and Beautiful
a beautiful campus to come to every day but lately we have seen some of our students struggle with keeping it clean. We have also had a couple unfortunate incidents of vandalism in the bathrooms which has required us to shut down some restrooms for repairs. We will be adding additional trash cans to the campus to deal with the increased amount of trash brought on by the need to provide individualize meal packaging due to COVID. Students; please be mindful of your impact on the campus and throw your trash in the trashcans. Parents; please help us reinforce the need for students to pick up their lunch trash and respect the cleanliness of our bathrooms. Padre Parents Corner

Earlier today a few Padre Parents board members joined Aubrey Powers in recognizing many of the 62 August Students-of-the-Month during break-time. Those students were offered their choice of fresh baked Red's Donuts; plus milk & water. These students also received a certificate as well as their very own coveted “C” sticker. August’s recognition theme was “Active Participation.”

SOBER GRAD NIGHT COMMITTEE Padre Parents are thrilled to announce that we have found 3 amazingly capable ladies to Co-Chair this years Sober Grad Night event!!! Much more will be revealed at this Tuesday’s; September 14th SGN meeting; where you will have an opportunity to meet this TERRIFIC TRIO!!! That said; the SGN Committee is still in need of positions to be filled. Once you have met this dynamic team; you too will want to join-in and sign up to share in the honor and joy as a member of this committee. Again; please join us on Tuesday; September 14th at 5:30 in the CHS Library. The windows will all be open with plenty of fresh air; bring a jacket and please wear your mask. Today's Powderpuff game was a ton of fun for the kids. The game ended in thrilling fashion with the Seniors scoring a late game tying touchdown for a 21-21 tie. It was great having the whole school out watching the festivities; not only the play of both teams; but the great work by our Junior and Senior Cheer Squads. The full game can be viewed on our PadreTV Youtube channel.

Office Hours

Beginning September 23rd; students who have earned an F grade in a class will be assigned to mandatory Office Hours. For those students who are passing their classes; Office Hours is still a valuable option to get more support from their teachers. Students assigned Office Hours can be released when the teacher feels the student has successfully remediated and raised their grades. If you are interested in having your student assigned to a class please contact your counselor or the teacher.

Drop Off

Lately we have noticed that students are being dropped off closer to the start of the school day; which means many students are showing up late to class due to the traffic. We appreciate how hard our lot is to maneuver in the morning but if at all possible please try to drop your students off a few minutes earlier so we can effectively ensure all students are in class when the Period 1 bell rings.

PSA Testing

Since the beginning of the pandemic; the CollegeBoard has chosen to scale back some of their testing options. In addition; many colleges and universities have opted out of requiring the SAT and ACT for college admission. This year schools have decided to make the SAT optional by making college applications test blind.

Given all of this information; as well as the safety concerns about having a large group of students indoors for a test; we have chosen not offer the PSAT this year. To date; we have not seen any of our neighbor schools offer the PSAT as well.

Principal's Message

Homecoming Week is next week! All the details are below but just the fact that we are celebrating this is good news. If you have younger students who are not part of the high school we invite you to bring them to the Parade and cheer on our students. Parents; if you have Carmel Gear you can wear with pride on Friday and be a part of the festivities at 4pm in Downtown Carmel that would be awesome as well. This year we have added other groups to our procession so we expect a huge student presence. It has been great seeing the students settle in and find their footing as the year has progressed. With clubs; sports and performances starting to really take off; CHS feels like it's old self again! School News

Sorry for the Delay...Busy day here at Camp Carmel High!!! Principals Message

What an amazing day for CHS! Homecoming kicked into high gear today with the Rally during the school day and the Parade after school. I want to thank everyone who came out to cheer on the students as well as so many of the local businesses and the Chamber of Commerce for their support of CHS. In order to better highlight our run of Sleepy Hollow; the two shows that were supposed to be on Saturday October 2nd will now be moved to Saturday October 9th at 12pm and 5pm. We hope this will allow all our students to participate in Homecoming as well as see this amazing show! School News

Homecoming Dance Tickets

Based on the interest and excitement about the Homecoming Dance this year; we have decided to sell additional tickets at the door beginning at 7pm to those CHS students who did not get one during our normal run of sale. Tickets will be sold to ONLY CHS STUDENTS with a valid current ID. Tickets will be $15 without ASB; $10 with ASB and CASH only. We are still limiting this to only CHS students; no guests. Traditionally; our Homecoming Dance usually attracts about 450 students; so our original intent was to keep in line with that number to allow for appropriate supervision. We simply did not feel the interest would be this high. We were able to expand the area our dance will occur to accommodate more students and will add additional mitigation strategies by spreading students out and providing some alternative activities for those not interested in dancing. Students may choose to wear masks as another form of safety. Our goal is to balance the excitement of a return of this tradition with the safety concerns of doing so in the shadow of the COVID experience. We appreciate everyone's patience as we work through the complications that COVID continues to throw at us with each event. This is very much a learning process for us and we are looking forward to a great evening.

Sexual Assault/Sexual Harassment (SASH) Task Force

Our SASH task force continues to meet to organize our work around this important topic. Copies of their meeting minutes can be found on the link below. We also held our first OUR VOICE club meeting this week in partnership with the Monterey County Rape Crisis Center. We are excited that this partnership will allow us to continue to highlight how students can feel empowered on campus and in the community.

Padre Parents Corner

The Padre Parents Board would like to enthusiastically THANK the 250 families that gave to our 2021 Donation Drive. With THANKS to you; Padre Parents were able to raise $36,442.66 91% of our goal!!! Please look for a more formal Thank You in the November SANDPIPER newspaper; where Padre Parents will LIST ALL of the names of those who selflessly gave their financial support. In turn; this money will allow Padre Parents to support students; teachers and staff both academically and socially; providing those many extras that keep CHS great. Another huge THANK YOU from The Padre Parents Board goes out to the Carmel Gives Fund of the Community Foundation for Monterey County; who gave $5000 to Padre Parents to solely be spent recognizing and supporting CHS teachers & staff. This very generous donation will be spent providing special annual appreciation events throughout the school year. All in; with our CHS Families contributions as well as the special grant from the Carmel Gives Fund of the Community Foundation for Monterey County; Padre Parents raised $41,442.66 and achieving 104% of our goal making this Donation Drive a complete VICTORY for Padre Parents!!!

CHIPO TLE FUNDRAISER UPDATE:

Padre Parents had great success last Wednesday night with our monthly restaurant fundraiser. With THANKS to so many of you that made CHIPOTLE your stop for dinner this week; Padre Parents were able to raise an additional $610 that will go directly back to fun-food-perks for the students! In closing; the Padre Parents Board would like to express our most sincere THANK YOU for your support; and allowing us the ability to enrich your child’s high school experience. If you did not have an opportunity to donate during our drive; and would still like to; we are casually still accepting donations through this calendar year and are hopeful that you would consider donating next year.

School News
TikTok Challenge Warning
After a positive start to the school year; we are starting to see some of the initial back to school excitement fade as we settle in and make our way to fall break. Although we prefer to spend time celebrating the many student accomplishments here in Carmel Unified; we are writing today to address the latest TikTok trend.

School districts across the country are responding to theft and vandalism of school property and other concerning behaviors after students started posting videos of themselves on TikTok completing destructive challenges. What may have started as minor pranks has now turned into costly repairs and replacements and other distractions from the important work schools are doing to keep students safe; and learning in-person. Additional TikTok challenges are planned for the rest of the school year; including those that promote physical violence against school staff; vandalism and even physical/sexual assault.

Please make sure your student realizes that these challenges are not innocent pranks; and will lead to serious repercussions and disciplinary consequences including suspension or expulsion. Additionally; theft; vandalism; and striking a teacher may lead to law enforcement involvement. Remind your student posts and other online activities remain forever and can impact high school extra curricular activities; college applications; job opportunities and more.

We are sharing this with everyone because we are all in this together. As a community we can change this narrative by encouraging our students to have pride in themselves and in our schools. Ask your student how they can make someone's day brighter with a smile or a helping hand. Small acts of service can have a greater impact than a few seconds of "going viral. Let our students make headlines for being difference makers and positive role models.

We stand ready to offer additional support and resources to our students and families. If you have concerns; please reach out to your students teacher or administrator. Thank you for taking this matter seriously and for your efforts to help ensure Carmel Unified schools are safe for all students and staff.

CSF Shoe and Sock Drive
CSF will be hosting a Shoe and Sock Drive the week after Fall Break to benefit Dorothy's Place and the homeless population of Monterey County. So we're asking students to clean out their closets next week and bring in gently used shoes; or donate a pair of new shoes or a pack of socks. All sizes and styles are welcome! There will be drop boxes on the way into school; and for every pair of shoes or socks donated; students will be entered into a prize drawing to win gift cards to local shoe stores!

New edition of the Sandpiper
The latest edition of the Sandpiper is now out. You can view the PDF version attached to this email. Don't forget to subscribe using the link below by visiting their website.

September Students of the Month
Congratulations to our Students of the Month; nominated by CHS teachers and staff as Super Scholars:
Padre Parents hosted our 2nd of the school year Student of the Month today at break. September’s theme was Super Scholars and 80 students were recognized 5 of them twice!!! Padre Parents gave out quality assorted Halloween candies in a bag; Cuties and water; along with the coveted C sticker and SOM certificate. If your student was recognized; but did not pick up all of their amazing awards & prizes; they still can by stopping by the ASB office when they return from the break.

Homecoming Special Thanks

Padre Parents are incredibly appreciative that Monterey Touring Vehicles DONATED the 6 vintage classic convertibles for the Homecoming Royalty to be driven in the Parade. Our amazing parent drivers were Matt Morgan; JC Myers; David Krueger; Nick Glaser; Mike Kelley and yours truly! There is no doubt that those six super-cool cars made this event even more magical! If you missed the Homecoming Parade last Friday; I encourage you not to miss it next year it was unforgettable!

Padre Parents in Action:

Padre Parents recognized the need for beverages for the outdoor homecoming dance; therefore donated 25 cases of water & Gatorade to the 550+ students there. Padre Parents also recognized the special recycling challenges this presented the custodians; however allowances were made and the plastic was successfully recycled.

The CROSSROADS BBQ Fundraiser

Padre Parents is pairing-up with The CROSSROADS BBQ for another super-fun fundraising opportunity on Saturday; October 30th all day from 11:00am until 9:00pm. Please bring your family & friends for some delicious REAL SMOKED BBQ such as Brisket; Tri-Tip; Pulled Pork; Chicken; St. Louis Pork Ribs & Sausages. They are serving indoors; outdoors as well as take-out. Order ahead online for ease. If you did not have an opportunity to donate during our Padre Parents Donation Drive in September and would like to; we are casually still accepting donations through this calendar year and are hopeful that you would consider donating next school year. Please donate by visiting: www.padreparents.org

Thank you and have a relaxing break;

Principals Message

As many may be aware, CHS is one of the few remaining schools to not have lighting on the main athletic field. Beginning next year; school start time must transition to 8:30am meaning our end of day practice and games will sometimes require lighting. Also; the opportunity to host evening games allows for more students to attend and support their teams which increases the overall school spirit and culture on campus. As we have seen since our return from the Pandemic; student engagement and enthusiasm is an essential component of the school experience and can lead to greater performance in the classroom.

Currently; CUSD has presented an initial report to the Governing Board; called an EIR (Environmental Impact Report); outlining the plan and the proposed impacts it would have on the school and the surrounding community. CHS students have been gathering support and created a petition to gain the collective CHS voice on this issue. If you would like to support ASB's efforts please visit here to sign your name.

Tutoring Club

We are overjoyed to share the creation of the CHS Tutoring Club. This is a peer tutoring style program under the guidance of Bridget Randazzo. The club offers support to any student in need of extra help on homework or to prepare for a test. The club meets in the Library and the hours are as follows:

Student Activities

Next week we are celebrating HALLOWEEN! Each day is a dress up day with lunchtime games; activities and prizes! Good news! The CSF Shoe and Sock drive is being extended for one more week! So be sure to clean out that closet this weekend and bring in a pair of gently used shoes or purchase new shoes or socks to donate. All sizes and styles are welcome and can be dropped off in the breezeway or in Room 19. Remember; for every item you donate; you'll be entered into the prize drawing for gift cards to local shoe stores; including Vans; Hedi's; and The Treadmill.

Challenge Success Survey

On November 12th CHS Students will take the Challenge Success survey. This survey allows our school to gather insights and data from students and use this information to improve student well-being and engagement with learning. The survey will query students on topics such as stress; wellness; connection; and engagement. CHS staff will then interpret the data and use it with our annual planning around our Single Plan for Student Achievement and our long range WASC action plan. Challenge Success is a non-profit affiliated with the Stanford University Graduate School of Education. They provide schools with proven strategies that promote well-being and engagement with learning in order to transform the student experience into one where all kids can create their own paths to success. CHS will have a special bell schedule that day to allow for all students to participate. This is also the week of Veteran's Day so we will modify the week as follows:

- Monday Nov 8th: Periods 1-7
- Tuesday Nov 9th: Periods 2; 4; 6 Block
- Wednesday Nov 10th: Periods 1; 3; 5; 7 Block
- Thursday Nov 11th: NO SCHOOL
- Friday Nov 12th: Periods 1-7 modified for the administration of the Challenge Success Survey.

Sorry the delay in sending this week's edition. Some technical difficulties got in the way. Principals Message: I hope everyone had an exciting and safe Halloween weekend. Friday was a great day filled with costumes and candy; proving that even high schoolers (and those of us who teach them) are still kids at heart. It was also wonderful to see so many of our students out and about in Carmel and Carmel Valley on Sunday walking the neighborhoods in costumes. It was another great reminder of how lucky we are to live in this wonderful place.

School News: Stadium Light Update: Thank you to all those who came out in support of the students' "Let There Be Light" campaign at the board meeting on Wednesday; it was so amazing to see the students speak so passionately for something that they feel will benefit the school for decades to come. While the work is still to be done to fine tune the overall proposal and for the board to decide in December; it was an important first step in showcasing how significant this issue is to our school population. Thank you also to the parents and staff who showed or signed the petition to help make your voice heard as an equal part of the CHS community. There will be much more to come on this in the next few months so stay tuned.

Principals Message

Tis the Season of Giving here at CHS. ASB has been hard at work on a wide range of ways students can give back to the community. We are currently hosting the CASA gift drive until November 29th. Many of our classes are participating so students should ask their 1st period teacher if they are part of the drive. Any other interested families can contact Mrs. Vita for a list of the needed items for donation. On Friday, November 19th at lunch CHS will host “Friendsgiving” where different clubs and teacher rooms will be hosting desert for interested students. On that day we also encourage families to donate if possible to the Monterey County Food Bank. November 30th will bring our contribution to Giving Tuesday with more details forthcoming so keep an eye out for how to get involved. All of these opportunities are in line with CHS students demonstrating they are connected citizens to the larger community. School News

Padre Parents
Drive Carmel
Seaberry Nachbar
City of Carmel

We greatly appreciate your contributions; thank you!!! SGN is a fully funded event for all Carmel High & Carmel Valley High Senior students. It is a well established event dating back to the Class of 1992; in which students spend graduation night in a drug & alcohol free; parent created environment. How do we get over 210 students to share in a parent created party you might ask? We do it by making the event so spectacular that they cannot wait to attend!!! This year; we are returning to the Santa Cruz Beach Boardwalk. We are striving to create a festive; joyous & playful party for our hard working kids; while also putting health; safety & wellbeing first. To do this; we will need our CHS community to help us raise the money. The fundraising campaign is under way and you can donate to this fantastic event by scanning the QR code or clicking the PayPal link below. https://www.carmelunified.org/Page/3873 Thank you in advance for reading this note through and considering being on Team SGN 2022. Principals Message: I hope everyone has a wonderful Thanksgiving break. A special thanks to ASB for kicking the holiday off with the amazing "Friendsgiving" event that was celebrated by 21 clubs around campus today which raised $800 for the Monterey County Food Bank. This was double the number of clubs from prior years who got to spend time with friends and eat some delicious pie!

School News: Giving Tuesday

Carmel High is celebrating Giving Tuesday on Tuesday; November 30th (Tuesday after Thanksgiving) and all students and families are invited to give. Giving Tuesday is a global generosity movement: Whether its making someone smile; helping a neighbor or stranger out; showing up for an issue or people we care about; or giving some of what we have to those who need our help; every act of generosity counts and everyone has something to give. There are endless ways to give and here are just a few:

The CASA Gift Drive! Our donated gifts will allow foster youth in Monterey County to shop and give gifts to their loved ones this holiday season. Please bring your new unwrapped gifts to participating 1st period teachers. If you do not have a 1st period; you can bring your gifts to Mrs. Hunt in the College & Career Center. Don't know what to give; visit the amazon wish list and pick out a preselected item. The gift drive is running through Tuesday; November 30th. Princess and the Purse is collecting new and slightly used purses and items to fill them. Please donate purses and gift bags as well as new items; such as makeup; jewelry; shampoo; conditioner; lotions; journals; hats; mittens; scarfs; feminine hygiene products etc. Donation boxes in Room C; Room 26 and the office. Giving Tuesday Library Book Drive: Help get books into the hands of elementary-aged children by donating new and gently used children's books. Donations can be dropped-off at the Circulation Desk in the Library. Giving Tuesday Snack drive: The week after Thanksgiving please bring in boxes of granola bars and other snacks to donate to ASBs snack drive. The snacks will be made available to hungry students stuck on campus after school and before sports practice. There will also be numerous Lunchtime Activities on Giving Tuesday; including card making; blanket making and campus cleanup!

Quick Fix for Glitchy Chromebooks: If you are experiencing strange; glitchy issues with your Chromebook; here is a quick and easy fix:

1) Sign out (click bottom left corner of display and sign-out on the pop-up window)
2) Then remove yourself as a User by clicking on the small down arrow next to your name.
3) Power down your chromebook.
4) Wait 15 seconds and power back on.
5) Then sign back-in.
6) Wait for Google to fully load (this may take a while)

Taking these steps should solve the problem.

Wellness Center Walk-ins/Passes: The Wellness Center has now transitioned to an electronic appointment pass system. Students may still access the center as a walk in for help with stress/anxiety or to just decompress with no appointment needed. Sessions with our Wellness team will be scheduled and a pass will be sent through StudentSquare. For more information please see Pam in the Center.

Padre Parents Corner:

Thank you to all those who helped out the Proud Padre Break on Wednesday where we celebrated the hard work our students did by providing glazed & chocolate covered donuts; regular & chocolate milk along with Mandarin oranges. It was a great treat for the mid-week!

The end of the semester is fast approaching. Students should check in with all their teachers about due dates and deadlines for submission for late work. Even with the stress of finals upon us; we have to take some time to breathe; relax and recharge. It is always better to spread your studying out rather than stay up late trying to get all the information to stick. We all need to make sure we are mentally balanced to find success in classes. Now more than ever we can rely on our friends and our teachers to support us and remember WE GOT THIS!!! School News

Principals Message

This past Wednesday CHS staff was treated to an amazing array of cookies care of our wonderful Padre Parents. It was a great reminder of the care and support our parents have for staff and the school as a whole. CHS remains committed to developing a strong relationship with our parent community as well as creating a culture for our students and staff to feel part of something special. With all that was lost last school year; these moments and gestures are so important to returning us to the Pre-COVID era of togetherness and mutual care for one another. We cannot thank the parents enough! School News

FINALS ARE NEXT WEEK!! Buses will pick up students on Tuesday-Friday at 12:30. Students are not allowed to leave during the finals break between classes. Good luck everyone!

Changes to Back Entry on Campus

In order to ensure the safety and well-being of our students; staff and neighbors; beginning with our return from break on January 4th; the back gate to the campus will no longer be open for student entry. Students should enter the campus through the front entrances. We have also been working diligently to bring all student parking onto our campus so that our surrounding community members are less impacted by the daily traffic and parking. Therefore; students who regularly park on Flanders are encouraged to park in the student parking lot. If you have not registered for a parking permit please do so with Lisa Jones so we can get an accurate accounting of our overall parking needs as we look to expand on campus parking for all students.

Thank you for your continued cooperation in keeping our campus and our community safe.

Food Drop Off Reminder

As a reminder CHS does not allow drop off of food during the school day; including the use of DoorDash or other food delivery services. We have had a number issues in the past with food being left unclaimed which can lead to health and safety issues. In addition; food delivery can interrupt as students will leave to pick up items during the class period. Please send lunch with your students or they may take advantage of the free lunch provided daily in the cafeteria.

Please join us for the next Sober Grad Night (SGN) meeting on December 14th; at 5:30 in the CHS Library. SGN is an important event that sets the tone for all our high school students; particularly
our Seniors during these challenging times. Just this week; the Surgeon General Advisory posted research about the exacerbated and unprecedented stresses young people already face during the Covid-19 pandemic. This week was certainly a challenge with the rise in COVID cases. I wanted to say thanks to those students and parents who have been cautious about coming to school if sick and working with us to chart the best course for our overall CHS health. While we are seeing a rise in cases; school has continued to function and students are engaged in learning. A reminder that we do send out a notification anytime your child is in classroom with a student who tests positive. However; being in a room with a positive student does not mean your child is a close contact. Our contact tracing team will be in touch with you if your child is in need of additional screening to rule out any concerns.CUSD has adjusted our process to align with CDPH guidance in terms of isolation. If a student has a positive COVID diagnosis; the term of isolation is now 5 days with the ability to return to school on day 6 provided they no longer have symptoms and clear with us by having a negative Rapid Antigen test. This change does not apply to those students who are deemed close contacts that require a quarantine period to rule out infection. Those students would remain out of school for 10 days but could test on day 6 of quarantine to potentially come back earlier. I appreciate that this can be confusing so please do not hesitate to call with questions.

This week we made a small but meaningful addition to our girls restrooms as This Club Saves Lives decorated the doors with new vinyl stickers. As part of the work being done around social emotional learning we are striving to create positive massages for students to embrace through their day. We are excited to expand to other parts of the campus to share good thoughts and support each other.

School News

Parking Lot Updates

We have moved all staff parking to back of campus which has opened up approximately 20 more parking spots in the upper parking lot. Starting Tuesday; we are allotting an extra 20 spots for juniors in the upper parking lot for a total of 40 that will all run along Highway 1 and have been marked with junior parking signs. Those previous senior parking spots will now be at the top of parking lot where staff previously parked. Current sophomore drivers will be parking in the lower lot. Thank you for your understanding during this change and we will work to make any adjustments as we see fit.

New COVID Protocols

As you may have seen; the district has aligned itself with the newest CDPH guidance. These changes will take affect next week so notifications made today or over the weekend will still align with our current guidance. Some key points include: If parents or students receive an exposure notification for any class; the student then becomes eligible to test to rule out a positive result. This also takes out the provision for a modified quarantine which limited students ability to participate in sports or extracurricular programs. Full testing protocols will be forthcoming next week.

Students who are showing symptoms should stay home and test when they return to school. Any student coming back off an absence needs to report into the office to get a “gold card” for return to school. It is helpful if parents sign students up for our testing system in advance by visiting this link: https://my.primary.health/carmelunified?registration_type=student

The High School Mathematics Adoption Committee recently finished its field testing and evaluation process of materials for Integrated Math levels 1; 2 & 3. They are recommending that Reveal Math by McGraw Hill be brought to the Board of Education for approval. Part of the process requires instructional materials to be made accessible to the public for review for thirty days prior to the Board taking action. Copies of student materials will be available for review in the front office at Carmel High School from January 31st to March 18th. Principals Message
This week saw a slow decline in our COVID cases and many of our students returning back to school. While we are not out of the woods on this latest surge; we are definitely feeling better than in weeks past. Today’s minimum day provided our teachers and staff some time to gain professional development on how to best support students who have been victims of sexual harassment and sexual assault. We were trained by a speaker from the Monterey County Rape Crisis Center on how to support and show empathy to our students when they are in need. This is part one of a two part training that we will conclude next month as a component of our long term commitment to change the discourse on our campus about these issues. Staff walked away feeling that they have a greater understanding of the needs of our kids and what resources we have at our disposal. We really appreciated having the time and the expertise of the MCRCC team.

WASC Mid Cycle Report and Visit
Every 6 years Carmel High School is required to go through an Accreditation process through the Western Association of Schools and Colleges. Our last full visit was three years ago and at that time the visiting committee left us with some recommendations and scheduled a one day mid cycle visit. We are now in the process of preparing for that visit on March 30th by completing our updated WASC mid-cycle report. At the most recent Padre Parents meeting; I outlined some of the work we have done in this area and how we plan to address the remainder of the recommendations provided to us. For parents and students who are curious about our report; you can view a draft attached to this message along with the Google SlideDeck highlights presented to Padre Parents last Thursday here. As we get closer to the actual visit I will share out more information.

Pick Up and Drop Off Near Campus
As we continue to work on parking on campus we are asking that parents please make every effort to pick up and drop off your students in the CHS parking lot. Some parents park on the adjacent streets which are labeled as no parking. We are continuing to work with all local agencies to address our parking and traffic needs and will share out more solutions in the coming weeks. We are confident that we can safely accommodate all pick ups and drop offs in the main parking lot. We thank you for your help.

Winter Formal
Next Saturday will be our Winter Formal "Snowflake Soiree" from 7-10pm at the Hacienda in Carmel Valley. Tickets will go on sale on Monday for $20. We are limiting tickets to 450 students based on the space provided at the site. Given that we have a hard cap on attendance; we are not allowing guests for this dance. The event will be outdoors so masks are optional for students. Students will not be admitted after 8:30pm and may not return to the dance once they leave. Please plan to pick up your student promptly at 10pm.

The unexpected warm weather brought out a fair amount of smiles this week as students relaxed during lunch out on the lawn. I had a chance to wander by and chat with a number of our students who are all starting to feel a lot more comfortable with school and looking forward to the dance on Saturday. Between the dance; the home basketball game vs Pacific Grove; Singer Songwriter Showcase and Mock Trial in the County Finals; it is shaping up to be a great weekend for CHS.(I also wouldn't want to betray my Southern California roots and not show my support of the Rams in Sunday's Super Bowl!) February break is upon us. The offices will be closed next week and will re-open on 2/28. We have seen a bit of an uptick in our COVID cases this week so please take precautions when you are away from school to minimize any loss of school time. March and April are crucial months for those students preparing for AP classes and nothing can replace being in class; working with your teachers. Today we sent out quite a few exposure notices based on positive cases. It is important to note that not all those cases happened on one day. Over the past week we have had 63 reported cases either through our own testing or through home testing. While not all of these students have been on campus; we are certainly aware of the transmission in our student community. Often we are informed of a positive student 1-2 days after they test positive at home so there is a bit of a lag time in notification. Each notice has the date of exposure to assist in your own test planning. Given that the school is closed next week we will not offer RA testing but will resume that service when we return from break.

As a school our primary focus is on student academic achievement which in most areas is getting good grades. This is the time when grades tend to be in the most flux as assignments are turned in and points start to accumulate. Using the Aeries Parent Portal is a great way to know how your student is doing in class and what work they need to get caught up. It is also important to help your student craft emails to reach out to teachers about how to keep up on the work load and managing their time effectively. It is also good to celebrate your students achievements when they are performing well. High school students are not immune to the positive effect celebrations can have. Just because a student is older doesn’t mean that an "A" paper can't find its way to the refrigerator for all to see in the house. If you are not currently able to get into the Aeries Portal; contact our offices and we will get you on the way.

Shift in COVID Procedures
With the slowing of COVID positive cases; we are relaxing our testing process and will no longer test by grade level. Any student who wishes to get a test at anytime may do so by stopping by the Contact Tracing Center in the main office. If you receive an exposure notice it is recommended to test between 3-5 days after the exposure. Testing can be done before school; at break or during lunch. Also as a reminder; students are still required to wear their mask indoors until March 12th. The new guidance will be in place effective March 14th in which wearing a mask is recommended but no longer required indoors. The full guidance can be found on the CUSD website.

Principals Message

After more than two years of helping students cope with the challenges and complexities of the COVID-19 pandemic; comes a new hurdle for educators and families: Supporting our young people through the biggest attack on a European state since World War Two. Some students may have been following events in Ukraine or have overheard conversations and are curious about the cause and the impacts that this may have both globally and locally. To help students better understand this event and to place it in a broader context; were providing some links to resources you may wish to use in conversations at home:

As always; these resources are not meant to be exhaustive; nor are they an endorsement of a particular political viewpoint.

This Club Saves Lives is co-hosting a benefit concert with the Singer/Songwriters Club on Friday; April 1 at MEarth. Dinner starts at 5:30; music starts at 6pm. $10 includes pizza slice; sunflower cupcake (provided by Sweet Rebas) and a drink. All proceeds will be donated to UNICEF.

Community Service Fair on March 15th

This Tuesday is the return of our Community Service Fair. This is an opportunity for students to get signed up for the required community service with any of our local community partners. The normal number of community service hours required to graduate from Carmel High is 60 hours (15 hours per year) however this amount has been adjusted for current Seniors; Juniors; and Sophomores to account for the COVID 19 pandemic and Distance learning during the spring of 2020 and the entire 20-21 school year. The prorated number of hours for current students is as follows:Class of 2022 (seniors) 37.5 hours required for graduation (3 CHS semesters on Distance Learning)Class of 2023 (juniors) 37.5 hours required for graduation (3 CHS semesters on Distance Learning)Class of 2024 (sophomores) 45.0 hours for graduation (2 CHS semesters on Distance Learning)Class of 2025 (freshmen) 60.0 hours for graduation (At school 4 years)To accommodate our visitors; all Sophomores and some juniors are being asked to park at Carmel Middle Schooland catch a shuttle up to the high school. Students parking at CMS will be thanked for their flexibility with an hour of Community Service and a Red's donut.

Students need to park on the Frontage Road and walk on the sidewalk by the front of the school to the bus loading zone by 7:20 am

COVID Mask Mandate Change

This Monday marks the next step in our management of the COVID19 pandemic that began over two years ago. Beginning Monday students and staff will be strongly encouraged; but not required; to wear masks in any school setting. We also acknowledged that students will have different feelings and emotions about this - with some very excited and some nervous or even scared. We want to reinforce the need to be empathetic and respectful of everyones choice and not say anything to each other about what their classmates may choose to do.

I would ask that you please take the time this weekend to reinforce the same messages at home. With mask wearing everywhere at school now being a personal choice; I wanted to let you know that your childs decision to wear a mask or not needs to be something you decide at home and it will be the students responsibility to follow your familys decision. We want all of our students to feel comfortable and confident in what they are deciding to do with masks and want to make sure we are being respectful of
families decisions and not inadvertently giving a different message. Therefore; we are not going to take the time to ask what families are choosing to do or enforce your familys decision of having your student wear or not wear a mask. If you ask us what your child is doing at school; we can let you know; but we will not enforce or remind students of what families are wanting them to do. The school will continue to provide notices to families when there is an exposure and students can take a Rapid Antigen test any time they wish from our Contact Tracing Team. We are excited to finally get to this stage of the pandemic and want to keep moving forward. If you have any questions; please reach out to me.

This week ASB hosted our Battle of the Grades. Throughout the week, students were involved in themed dress days and lunch time activities culminating with our Pep Rally today. The Junior class pulled the upset coming in first with the Seniors slotting in second. As of this writing the 3rd place battle between Sophomores and Freshmen is too close to call. Keep an eye on the bulletin Monday for official results. This Friday also marks the end of the 3rd quarter. These grades are used to determine spring sport eligibility and give students a midway mark on their progress during the second semester. Grades will be finalized on Tuesday and sent out to parents via ParentSquare later next week.

Winter Sports Wrap-Up

Here are some of the highlights of a successful winter season of sports:

Girls' Basketball finished a hugely successful season as PCAL Cypress Division Champions. Elle Bohlman was named league MVP as well as 1st team all league. Abigail Shipnuck was the Defensive Player of the Year and 1st team all league. Delaney Castagna and Caroline Byrne were selected 2nd team all league and Adeline Crabbe was voted the Richard Chamberlin Sportsmanship Team award.

Boys' Basketball: Amir Brown was voted 2nd team all league and Jim Moreau received the Richard Chamberlin Sportsmanship award.

Girls' Soccer: Nikki Benak was recognized as the Offensive Player of the Year and 1st Team All League. Maddie Gallagher was voted 2nd Team All League and Sophia Davis was honored with the Richard Chamberlin Sportsmanship award.

Boys' Soccer: 1st Team All League honors went to Alexis Soriano and Brody Mendez and Chris Esparza-Pasos were both awarded 2nd Team All League. The Richard Chamberlin Sportsmanship award went to Jordy Cabrera.

Wrestling was able to complete their season despite numerous challenges due to COVID and had a larger than normal contingent of athletes this year to grow the program.

The Drowsy Chaperone Musical

The CHS Drama department opened their first musical in two years entitled the Drowsy Chaperone. The play will be performed this weekend and next and is a great chance to see our actors and musicians in action. Tickets are on sale at the door; $15 for adults; $10 for students/kids.

Graduation Planning has Begun

As we turn the corner into the fourth quarter; thoughts head toward the end of the year and graduation. CHS is planning a return to our normal graduation experience for the Class of 2022. Unlike last year; there will not be a cap on the number of attendees or tickets that will need to be picked up in advance. We are looking at ways to spread our seating out to make the event comfortable for all our spectators. Much more information to come on this.

CSF “Be The Change” Drive

The California Scholarship Federation Club is hosting the Be the Change drive from March 21st through April 1st. Choose to donate to one or all of the three selected organizations: Dorothy's Place; the Monterey Food Bank; and the SPCA. Jars will be labeled by organization name and dispersed throughout fifth period classrooms. CSF will match the donation to the organization that receives the largest amount of change and will reward the fifth period class with the largest sum of donations with cookies.

Principals’ Message:

Today we had the chance to visit CMS to meet the Class of 2026. It was great to see their enthusiasm at joining the CHS family. Our second Wellness Parent Night is on 3/31 at 6pm in the Library. Parents can come get valuable resources to help their students with stress and anxiety. We will also share how CHS is supporting students as they tackle the issues of mental health at school.

School News:

Course Requests for 22-23

Beginning next week all current CHS students will now be able to request their courses for the next school year. Our counseling team is meeting with our current 9th grade students this week which will conclude our class visits. It is essential that students select their courses in a timely fashion so we can best develop our schedule. Selections are made in aeries and can be adjusted throughout the month of April. For questions about specific classes please refer to our Course Catalog on the school website.

Counselor Caseload Adjustments:

Each year, CHS examines the overall caseloads of our counselors to ensure there is balance between the number of students each counselor is assigned. When the caseloads are unbalanced by more than 20 students, it becomes necessary to adjust. With shifts in our student population we need to make an alphabet change for the upcoming 22-23 school year. Please know that we do not make these types of shifts often; usually once every four years. Most students will not be impacted by this, but some may receive a new counselor starting in the fall. Our counseling team will review those students who are shifting to ensure that the new counselor is aware of any specific college plans; 504 or IEP needs and other specifics that will make for a smooth transition. Students who are affected will receive a separate welcome email outlining how to best work with your new counselor along with an opportunity to schedule a separate meeting. The changes are as follows:

Student Last Names Counselor
A-G Darren Johnston
GE-M Yesel Von Ruden
N-Z Jeff Rogers

I appreciate your understanding and apologize if this may cause a little confusion; but our hope is that by balancing the caseloads at this time we can provide better service to all students in the fall.

Spring College Fair:

We will be hosting our first-ever Spring College Fair next Tuesday; March 29th. We will have admissions directors from 16 out-of-state universities here to meet our awesome students. Schools will be set up on the access road above the amphitheater from 12:30 - 1:30 which is LUNCH and 6th period. The fair is open to all 9-11th grade students. In addition; any Senior who has been accepted to any of these out-of-state schools should take the opportunity to meet their admissions reps to talk about next steps. Schools in attendance include: University of Utah, Elon University, University of Alabama, University of Arizona, Michigan State University, U. Mass Lowell, High Point University, Seton Hall University, Maryville University, Indiana University, Bloomington, Marist College, St. John's College Oregon State University, Johnston &amp; Wales University, Arizona State University, Washington State University.

No Waste Wednesdays:

Next Wednesday will kick off No Waste Wednesday. Bring your lunch in reusable containers. Or if you eat a school lunch; put your waste in our designated bins. Do either of these things and get a popsicle! We will be collecting and repurposing your popsicle sticks and we hope to collect 1000 sticks by Earth Day on April 22nd.

There are two laws concerning trash and recycling that effect schools in California: SB 1383 requires schools to prevent; reduce the generation of; and recycle organic waste (aka compost). AB 827 states wherever recycling or organic waste is generated; a school must provide an appropriate container adjacent to the solid waste container to capture and divert recycling and organic waste. Containers must be easily accessible; visible; and clearly labeled. If you want to know more and are interested in helping our school comply and reduce our food waste; come to the Environmental club meeting Mondays at lunch.

Looking ahead to next school year; Padre Parents Elections will be held at the Padre Parents Monthly General Meeting on Thursday; May 5th at 8:00am. This noted; if you are interested in joining Padre Parents Board in the capacity as...

It is worth noting that many of our stellar musicians are also athletes; members of competitive academic teams and star students. It is proof that students can do a wide array of things on campus and find success in many different paths! Make sure to check out the APRIL WELLNESS CENTER Newsletter attached to this message.

SOBER GRAD NIGHT NEWS:
Our SGN Rummage Sale was an incredible success! We had hundreds of donations pouring in from Wednesday-Friday of last week. We also had over 100 VOLUNTEERS across 4 days helping with this massive event. The SGN committee cannot express enough gratitude to the many families that poured time and energy into the Rummage Sale; allowing it to roll out smoothly and with very few challenges.
We had student volunteers running items to & from cars; parents unpacking & sorting a myriad of donation items; dads literally juggling and haggling with buyers; cashiers ringing up sales at three locations; creative managers posting signs; and piles of people helping to corral & manage the crowd of shoppers. I feel blessed to have laughed with many of you over the fun & unique rummage sale donations. We must have had a swarm of 100 people descending into the CHS theater at 9am Saturday morning! I have never seen anything like that in all my life; people running; bags flying up! The energy on the day of the sale was incredible. And; we probably had over a 1000 people attend over the course of 6 hours on Saturday!!
***While we are still counting the earnings for a grand total; I know we made a great sum of money for our CHS and CVHS students. THANK YOU EVERYONE for helping; attending & donating. We not only provide a value recycling effort for the community; but we came together in the spirit of service; through laughter... and exhaustion; to raise funds for our graduating Senior class.***

Good Afternoon; This April marks the 21st anniversary of Sexual Assault Awareness Month. CHS has partnered with the Monterey County Rape Crisis Center to organize school-wide events over the next two weeks that are aimed not only at bringing awareness to end sexual assault; but also to inform students; families and staff of actions they can take to help transform the community into a safer and more comfortable place for all people. We recognize that these topics might bring up some trauma for students and families. We will have our regular Wellness Center staff available for students in need as well as counselors from the Monterey County Rape Crisis Center to assist with support. It is a good opportunity to talk to your students at home about these issues as well. Our first event is called “Flag Day” and will be tomorrow; Thursday; April 21st. According to statistics published by the Rape; Abuse & Incest National Network (RAINN); a sexual assault occurs once every 68 seconds in the United States. If we extrapolate that number we find that during every 7-hour school day 375 people are sexually assaulted in our country. To call attention to this alarmingly high number; the Our Voice club; a student-led organization; will be putting 375 small teal flags in the ground at the entrance to school. Additionally; before school starts and during lunch; club members will be talking with their classmates about the prevalence of sexual violence; passing out small brochures with more information; and encouraging people to wear a teal ribbon in support of the movement to end sexual violence. On Wednesday April 27th; CHS students will be able to participate in “Denim Day”; a nationally recognized campaign to show support to survivors of sexual harassment and sexual assault. For more information on this campaign visit their website here. The next day; April 28th; our Feminist Club is coordinating a march around campus during break to support the survivors of sexual harassment and sexual assault. Check out these links if you’re interested in learning more about: Sexual Assault Awareness Month; the Monterey County Rape Crisis Center; or the most recent statistics surrounding sexual violence. A table will be out during lunch with representatives from the MCRCC to provide information and resources to students. Thanks; Jonathan Lyons; Principal; Carmel High School

Student Government Day This past month CHS worked with the City of Carmel to reengage the Student Government Day event. Students in ASB were each assigned a role and a leader in our city government. Last night; they held their meeting in which they were tasked to allocate a budget surplus of $315,000 to city programs (this was fictional & will not actually go to the proposed actions; although very creative). I am extremely proud of how they conducted the meeting and themselves; took their role seriously and represented Carmel High in the best way possible for bringing back this event. We appreciate the support the City showed our students and hope this is the first of many of these partnerships to come. CHS Survey on Race Relations
Over the past school year, CHS has experienced instances of racially insensitive and inappropriate language; both verbally and in writing on campus. This led us to create an Anti-Hate Speech task force made up of students, teachers, and administrators to begin to identify the issues at the root of these instances and work together to identify possible solutions. The first task for the group was to create a short, 5-minute survey for students to give input on their experiences on campus and allow us to set some baseline data for our work. This optional survey is set to be administered in our history classes in the coming weeks. The data will then be analyzed by our task force and the results presented to the school community as a whole.

Principals Message

Time is really starting to fly by now with only a couple weeks left of school. It has been great seeing all the preparation for end of the year events and activities as we celebrate the end of a successful school year. There is real energy on campus as excitement builds for our Awards night; concerts and the trip to Universal Studios for the seniors. We hope the next two weeks will be a great way to send our students into summer. School News

Finals Week

With Finals Week right around the corner; now is a good time to start scouring bedrooms for books and other items to turn in. Recently; students received a printout of the materials they owe (ChromeBooks; chargers; library materials). Seniors must have their items turned in order to walk at graduation. 9-11 grade students will turn their materials in during Finals week. Any items not turned in will be billed as lost. Recognition Assembly/Day on The Green

Monday's recognition assembly will be held in the gym for the first time in three years. Students who do not feel comfortable being in large crowds due to COVID concerns can view the event remotely in rooms 17; 24 or 34. Students must be in one of those rooms or the gym during the assembly. Masks for the event are optional. The assembly will be broadcast live on PadreTV beginning at 11:20am for those who wish to tune in. This will be followed by our annual Day on the Green festival which includes games; food and the distribution of the yearbook. A list of students who have purchased the yearbook is posted on the library window and by room 27. If you want a yearbook and have not yet purchased one; we do have extra copies; bring $80 to the ASB office. Cash; check; or card accepted. We are also conducting our annual ChalkFest event all day in the upper quad featuring our student artists recreating famous works of art for all to see. Senior Update

Seniors will receive their official check out form on Monday in their Government class. Students will have next week to clear the process in advance of rehearsal. Upcoming Teacher Appreciation: GIFT CARD GARDEN

This coming Wednesday during break; Padre Parents will be celebrating our last Teacher &amp; Staff Appreciation event of this school year. We will be having a GIFT CARD GARDEN serving coffee &amp; pastry; where the teachers &amp; staff can choose their own $25 gift card provided by the many families that so generously donated them earlier this month. Speaking of those amazing donated gift cards we are still missing about 20 of the 100 that were signed-up for. Please check with your kids; please check their backpacks; their car; your car and countertops too! We need to be sure that all the gift cards make it to the school office by this Monday at 3 pm! ** When possible; PLEASE SHOP LOCALLY! When dropping the gift cards &amp; off; please place in an envelope with Lisa Brazils name and Teacher Appreciation Event written on the envelope; along with your name as the gift giver. Thank you APRIL STUDENT-Of-The-MONTH On Wednesday this week; 68 Students were recognized as April SOM; with the theme of the month Most Inspiring. Each of our amazing 68 students received their very own coveted C sticker; a certificate from the teacher that nominated them; along with a super delicious; fresh-baked Reds Donut! Please visit the CHS website for a list of all the wonderful students nominated Padre Parents are incredibly thankful for their board member Rosa Hong; as Rosa will be stepping down from chairing SOM for Padre Parents at the end of this school year. Taking over for next school year; Julia Scattini is looking forward to continuing with this special tradition. Thank you ladies! SOBER GRAD NIGHT NEWS We had a very successful event last week; our last Minute Party and distribution of the Senior gifts. THANK YOU to the many parents who helped wrap; organize; decorate; distribute and clean up. The seniors were feeling very grateful and the excitement is now building for our big event; Sober Grad Night; which will take place on June 3rd. We do have one more big request for volunteers. We are still looking for chaperones for...
the Boardwalk trip. Please consider signing up! It is a lot of fun and a great way to help celebrate our students last event with CHS. Please use the link attached here: https://www.signupgenius.com/go/20F0E4DCAA2BA6FC1-sober
Also, we are still tracking down permission slips for all seniors planning to attend! This permission slip is specific to Sober Grad Night (not Senior Trip/Universal Studios that is a separate release form). Please spread the word that we must have a release from all senior parents who are sending students on this safe and very fun event. While it was due last week; we have extended the deadline. So; please make time to get this in. It can be delivered to the ASB office; or scanned and emailed to: angolee@oyainc.com. Thank you; SGN Committee

Awards Assembly/Day on the Green

This past week we held our first awards assembly in the gym in three years. To view the show visit the link below:

We also saw the return of the Day on the Green event where students got the chance to bungee jump; rock climb and eat a ton of food. Thanks to Padre Parents for helping us with all the great snacks and for our amazing cafeteria staff for dishing out the Pizza My Heart Pizza. Some students took advantage of the petting zoo while others hung out and signed yearbooks. All in all; it was a great day!

Senior Awards Night

On Tuesday we hosted the annual Senior Awards night where we recognized our outstanding graduating seniors with scholarships and awards from local programs. Students in attendance received scholarships totaling $270,000 to aid in their post-secondary careers. We appreciate all the support our school has from local businesses and philanthropy groups. It was a wonderful event and a great way to showcase the achievements of our kids.

APLAC Podcast Award Winners

Each year; the AP Language & Composition students create podcasts and submit them to the National Public Radio Student Podcast Challenge. This year; Owen Shirrell was recognized as a finalist for his entry; "How a 1950 Lincoln Continental Saved My Uncle from Vietnam." In addition; three other CHS podcasts earned Honorable Mention; including Greta Beasley for "The Modern Woman"; McCartney Hong for "Null"; and Marina Hobson and Ryleigh Teague for "Monterey Bay Hydropone."

Our congratulations go out to these students for earning national recognition of their work!

STUDENT RECOGNITION

This past week was a very busy week for Padre Parents; we hosted an ALL STUDENT RECOGNITION following last Mondays Day on the Green. This was Padre Parents way of congratulating ALL the students for completing an especially challenging school year! Padre Parents took over the Snack-Bar and served ball-park nachos with Jalapeos & salsa; chocolate filled crepes; 2-bit chocolate candies; Vitaminwaters and Izze sodas. The students were thrilled that they were recognized again and given free food-treats one last time this school year more than any other year ever!!!

SENIOR RECOGNITION NIGHT was last Tuesday in the Performing Arts Theater starting at 6:00. Padre Parents showed our support by providing a lovely table with an assortment of 25 dozen cookies made by Paris Bakery; still & sparkling waters and coffee from the Crossroads STARBUCKS.TEACHER & STAFF APPRECIATION GIFT CARD GARDEN

This past Wednesday during break; Padre Parents celebrated our Teachers & Staff with our last Appreciation Event of this school year. Padre Parents planted;-) a GIFT CARD GARDEN with handmade paper flowers each with a $25 gift card from a local business attached. We served coffee; strawberries; donut holes and Jane Hands famous-homemade banana bread. The teachers & staff were able to choose their own $25 gift-card-flower and read the handwritten & heartfelt Thank You cards provided. The brief event was such a success everyone was completely blown away!!! I was too; and am still completely blown away by the generosity of our CHS families for having jumped on the SUG so incredibly quickly and filling all 100 gift card sign-ups along with the 25 thank you card sign-ups in less than 24 hours from when we first sent out the request! I am amazed and so grateful to our CHS community; we could not have done this event without your support!!! Thank you.

WELCOME TO 22-23 SCHOOL YEAR!!!!!
Principals Message

Welcome Back Padres. I am so excited to start another school year with all of you. I hope everyone had a great summer full of rest and fun with family and friends. I know many of you have questions about our return to school on August 8th so I hope this guide will help as we all prepare for an amazing school year. While last year began with uncertainty about how our return to in person learning might go; this year I am filled with optimism about the resiliency of our students and staff. For many last year was harder than even our year online so I believe we are all excited to have a great school year.

School News

We will be kicking off the 2021-22 school year with a Week of Welcome from August 8th-12th. Each day will highlight different aspects of our school culture through interactive video presentations; class meetings; games; activities and social opportunities for all students. Please take some time to review the 22-23 Student Guide and Course Catalog for any questions about school rules or policies.

Student Schedules

Student schedules will be posted at 5pm on August 5th.

1) Students may come to the College and Career Center on August 8th to request schedule changes.
2) Priority will be given to those students if on the schedule it says SEE COUNSELOR or they are missing a class period.
3) Students who wish to make a level change to their classes may fill out a request form at a kiosk in front of the College and Career Center.

As a reminder we do not make change based on Teacher Preference.

Checklist for the Start of School

Before the first day of school it is essential that all parents/students complete the following:

Parent Data Confirmation: Each year; all parents/guardians need to update their students’ contact & medical information and to acknowledge receipt of required annual notices. We expect to open that process by August 1st. Families that are new to the district will receive information at that time about how to log in to their child’s Aeries student information account.

Residency: All students regardless of grade level are required to submit proof of residency. If you have not already done so please visit our Residency Affidavit online.

Students who have not established residency will not have schedules for classes available to them on August 5th.

Immunizations: Regular school vaccinations (such as DTP; HepB; MMR; Polio; Tdap; Varicella) continue to be required for all students with no exemptions. COVID vaccinations for students age 12 and older are not required for students to attend school.

ID Card Registration: Please register for your ID Picture prior to August 8th. Students will need their ticket on their phone in advance. Students without phones will be able to get assistance from staff on Monday.

Adjustment to Counselor Caseloads

Each year; CHS examines the overall caseloads of our counselors to ensure there is balance between the number of students each counselor is assigned. When the caseloads are unbalanced by more than 20 students; it becomes necessary to adjust. With shifts in our student population we need to make an alphabet change for the upcoming 22-23 school year. Please know that we do not make these types of shifts often; usually once every four years. Most students will not be impacted by this; but some may receive a new counselor starting in the fall. Our counseling team will review those students who are shifting to ensure that the new counselor is aware of any specific college plans; 504 or IEP needs and other specifics that will make for a smooth transition. Students who are affected will receive a separate welcome email outlining how to best work with your new counselor along with an opportunity to schedule a separate meeting. The changes are as follows:

Student Last Names: CounselorA-GA: Darren JohnstonGE-M: Yesel Von RudenN-Z: Jeff Rogers

Masking Update

As you are likely aware; this year we are opening school without a mask mandate in place. This means that students are not required to wear masks inside/outside of classes or during any activities that take place on campus. Students may choose to wear masks in any setting at school and we encourage families to make their own decisions about masking prior to the beginning of the school year. August 8th: FIRST DAY OF SCHOOL

Parents; please take note of the arrival time for your students. The school will be open at 7:30am if a student needs to be dropped off early. 9th Grade Event Schedule:

**Principals Message**

What an amazing first week of school!!! The energy on campus has been infectious. All week I have seen kids laughing and settling into the school year both in classes and through our pep rallies and Week of Welcome events. I hope you have had a chance to chat with your student get a sense of their personal experience and that our students are off to great start to the school year. I encourage our parents to spend a few minutes visiting our Video Production Pageto see the welcome back; club fair and community service videos that were shown in class this week to see what students can do to get involved on campus!

Reminder that next Friday is a minimum day. School Gets out at 12:20pm.

**School News**

**Counseling Notes**

As I wrote earlier this week; we are beginning the process of balancing classes which may make some shifts to a student's schedule. I appreciate that change is not always ideal but in order to ensure the best possible academic experience; sometimes we have to make changes to even the class sizes out. It is our goal to complete this process mid next week so students can begin to develop a rapport with their teachers.

Principals Message
The CHS family continues to keep our thoughts and prayers with the students and staff at CMS who are still dealing with the tragedy earlier this week. Some of our 9th students where close with the victims and we will continue to provide support via our Wellness Center.

Supporting the Biakanja Family:
A GoFundMe account has been established by San Jose Fire Station 16 in an effort to support Steve Biakanja; father of Leigh; Lucy; and Ben; and the Biakanja family. The description below was copied from the GoFundMe account. If you’d like to contribute to this account please follow this link: https://gofund.me/58f22630

The school year is now in full swing and for many students this week brought the first wave of homework and assessments. This is a great time to develop a check in system with your student to assist them with keeping organized and on top of the work that is starting to come out of classes. A simple check in to see how the day went can trigger a reminder to finish up that English essay or complete those last three math problems.

Students; make sure you are logging into Google Classroom regularly to see what assignments are due and make good use of the day planners provided to keep yourself ahead of those deadlines.

School News
Back to School Night
This Thursday; August 25th; is our BACK TO SCHOOL NIGHT. We will kick things off at 6:00pm in the CHS Amphitheater with class visits to follow. Please see the attached flyer for the class schedule and a map of the school. If you do not have the Aeries app on your phone please use the flyer to have your student(s) fill out their schedule for you. We look forward to seeing all of you and allowing our teachers to provide needed information about their classes.

SHOE WEEK
Next week is Shoe Week that culminates with the 75th Annual Shoe Game at CHS at 2pm. We will kick things off Monday with the first of our Spirit Week Dress Up Days. The pep rally will take place on Friday with the JV game preceding the big game. Since it has been five years since we have had a full game we are asking our families and students to assist with parking. We will have a shuttle service from CMS for students and ASB will have a tailgate event in the CMS lot from 12-1. Students will be able to get lunch; a "SHOE SHIRT"; 1 hour of community service and priority seating for the game if they take the Rooter Shuttle. Tickets may be purchased at the gate or via GoFan using the QR on the Flyer below. The map below indicates areas that are NO EVENT PARKING and vehicles will be ticketed. The main lot will be monitored and once filled we will relocate spectators to CMS for shuttle service.

Check out from School
A gentle reminder to students and parents that you must check out through the attendance office if you are leaving campus for an appointment. Parents can call ahead to have their student released from class to allow for a smooth exit to those needed visits to doctors and dentists. A student should also check back in to the office when the return to campus and provide us with a doctor’s note so we can clear any absence.

Padre Parents Corner

THE PROGRESS REPORT for 9/2/22

Carmel High School
New Post
Author: Jonathan Lyons
Fri 09/02/22, 06:00 pm

Principals Message
I hope everyone has a wonderful three day weekend. A reminder that September 9th is a minimum day and that school gets out at 12:20pm that day. As a reminder we are encouraging students to stay home if they are sick. As our extracurricular programs ramp up we know the pull to be at school when ill is that much greater as students do not want to miss out on classroom activities; practices and games. Between continued COVID concerns as well the onset of cold and flu season; we want our students to practice responsible school attendance and stay home if they have symptoms.

School News
How to Pay for College Workshop
Steve Shapiro; a Certified Financial Planner and CPA; will be giving a special presentation the costs of college and how families can reduce the burden of paying for schools on September 20th from 6:30pm to 8:00pm in the CHS Library. This 90 minute workshop will cover:
The #1 key to reducing college costs (it's simple but not easy)
Financial Aid Basics for both high and low income families
How many students are able to attend private colleges for the same cost as a UC
Strategies that will absolutely help reduce college costs (if you use them)

The end of the first grading period is upon us. This is the first signpost of student performance and is a good indicator of where your student may need support. Office hours can be extremely helpful in allowing students time to meet with teachers and get additional information and prepare for tests. While these grades do not show up on the transcript; they are a good way to engage in a conversation about how your student is doing. We still have several families that have not yet completed their data confirmation in Aeries. Please access your parent portal and confirm your contact information so you can get all the needed information from our staff. School News

PSAT sign ups for 11th Grade Students

CHS will return to offering the PSAT for our 11th grade students. This test is designed as both a practice exam for the SAT and as a qualifier for the National Merit Scholarship Program for 11th grade students. In the past; CHS has offered this exam to 10th grade students as well but we are following the recommendation of the CollegeBoard to limit this to Junior students. CHS is also exploring the possibility of offering the SAT or the ACT during a school day later in the spring to interested 11th Grade students. More details will be forthcoming.

The test will be administered on October 25th; 2022 here at school. The cost for the exam is $18.00.

Students/parents will be able to sign up for the exam via the Student Web Store or in person at the ASB window. The deadline for payment is Sept. 12th at 3pm.

Today we sent out the first progress report grades via ParentSquare. Parents should have received a secure notification to view your student’s academic performance through the first five weeks of the year. These marks are a way we can share with students their progress to date and are often used to identify students in need of additional support via assigned office hours. As a reminder any student may access any teacher during Thursday office hours. We hope these grades will spark conversations around the dinner table about how your student is doing and what classes they are finding success in and what subjects might be in need of some additional support.

Thank you so much to all the parents that came out to the Homecoming Parade this afternoon. We had amazing participation from our teams; cheer; dance and so many of our student clubs to showcase all that CHS has to offer. We speak of CHS being a home for all students and events like today showcase how diverse and exciting our home is. If you want to see some of the pics follow me on Instagram @padreprincipal or on Twitter @jlyonsCHS.

Today marks the triumphant return of THE FRIDAY SHOW!!!! This is our weekly TV show produced by students in the Video Production 2 class. The video can be viewed at the bottom of this email. This is a great example of the work being done in our Visual and Performing Arts programs. The daily video bulletin; halftime performances by dance; the pep band playing at games and actors performing in the fall play are all examples of the amazing work our VAPA students and staff are sharing with the school. For many students; these venues are their home to express their talents and passions with the school.

Powderpuff October 7th

Next Friday is the annual Powderpuff game between Junior and Senior students. Last year we experimented with holding the game during the school day and it was a huge success. The entire student body was out to cheer their classmates on. Given that we will once again host the game during the day and are exploring ways to either broadcast the game live or record it to post later in the day, The Sophomore class is in charge of the snack bar and are soliciting donations using the following link: https://www.signupgenius.com/go/904094FAAC2FA13-power1

This year during Powder Puff week we are bringing attention to Breast Cancer Awareness Month! We are partnering with a local organization that offers support to local breast cancer patients during their treatment. Learn more about the Breast Cancer Assistance Group of Monterey County and make a donation here. Let's do our part!

Student Hotspot Application

Any CHS family in need can submit this form if you would like to apply for a hotspot for the 2022-2023 school year. Please be sure to note on your application which cellular service (AT&T or Verizon) works best at your home.

Principals Message:

Last night was a great example of what makes this place so special. In one night we hosted a Girls Volleyball match; Boys and Girls Water Polo games; and our Cash for College workshop all at the same time. The crowds were packed full with students out supporting each other and cheering the teams on. The library was bustling with students and parents preparing for the next step in the college application process. In all areas; we saw CHS on full display as a home for all students to support and care for one another. It’s nights like last night that make my job the best in the world.

Tonight is another opportunity to see the wide range of student engagement on display as we are hosting the first Singer Songwriter showcase in the Cafeteria as well as Field Hockey at home and Football at Seaside High. I hope you can take in one of these events and see how amazing our students are!

Our fifth annual Art Expo was held all day today. Over 175 students from five high schools joined together to share their artwork and get valuable feedback from local artists on their individual portfolios. The intent of this is to foster our students in visual arts as both a pathway to postsecondary success and to further inspire their passions. Our art department has excelled at developing a home for students who want to explore a wide range of artistic styles and mediums. To view some of the student work visit the CHS Art Department site.

The Principals Message: I want to wish all those who serve and their families a happy Veteran's Day. On November 29th at 5:30pm in the CMS gym CUSD is holding a special board meeting to consider the proposal regarding adding stadium lights and parking to the CHS campus. We are asking students and parents to come support us in our efforts to get these needed additions to our campus to address safety concerns around practice; allow us to have some night events to help increase school spirit and provide needed additional safe spaces for students to park during the school day. We hope our CHS community will come out in full force to support our students and enhance this facility that many of us call home. We are hoping to get a large crowd to the meeting as a way of persuading the governing board that this is what the CHS community wants and needs to succeed. School News

Changes to Attendance

Per the email from the Superintendent earlier this week: We understand that families may have scheduled vacations during school days and may have had those absences excused in the past. This is not supported in California Education Code 48205. CHS will not excuse student vacation days outside of our regular calendared vacation days. Removing students from school for travel will be considered an unexcused absence. Students will be excused for typical absences such as illness; including an absence for the benefit of the pupil's mental or behavioral health; medical appointments; attending funeral services; or other justifiable personal reasons. We appreciate your cooperation and support.

ASB News and Notes

This past week our ASB; along with club leaders; were able to engage in a leadership workshop through Envoive. Students were able to learn cooperative techniques; effective visioning projects and other key leadership skills that they will now implement in their organizations. Next week we begin our season of giving with a ton of events:

- Friendsgiving Friday Nov 18th ASB will sell pie off of the balcony of Room 7
- Clubs & Teachers can order pies will host in classrooms or locations on campus

- Our goal is to raise $500 to donate. Last year we raised over $500! CASA Gift Drive Nov 28th to Dec 2nd
- 1st period class competition...winners=breakfast treats Mon. 12/19
- If your class isnt participating; gifts can also be donated to Mrs. Vita for the drive
temporarily to shop items . All gifts will be donated to CASA Voices of Monterey County who aid foster youth in our area.
- Giving Tuesday Nov 29th Community service opportunity; lunchtime activity (pick a philanthropy) Lots of ways to contribute
- To your club about how you can participate
- Pledge to donate your time in your community - see IG for ideas

A Message from Our Local Health Community
Community Hospital of the Monterey Peninsula; Mee Memorial Healthcare System; Natividad Medical Center; Salinas Valley Memorial Hospital; and the Monterey County Health Department urge all residents to act now to protect themselves and their families against respiratory viruses circulating this holiday season; including influenza (flu); COVID-19; and respiratory syncytial virus (RSV). An early wave of RSV and influenza activity in California has led to increased hospitalizations among children in many places across the state; placing stress on the healthcare system. Local hospitals and the Health Department ask for everyone’s help keeping our children and families safe heading into the winter season by following these steps:

- Stay Home if You Are Sick. When you are sick; avoid close contact with others to protect them and to take the time you need to heal.
- Wash Your Hands. Frequent hand washing with soap and warm water is an easy way to stay healthy and keep from spreading germs.
- Cover Your Cough or sneeze with your elbow; arm; or a disposable tissue to help prevent the spread of winter viruses.

I want to thank all the parents and students that came out on Tuesday to support our efforts to improve the stadium with new lighting and expanded parking. We are very excited about how these changes will benefit our students by providing a safer place to practice and play and increased parking so all our drivers can enter and exit the campus easily. This experience showed our students that their voice matters and can lead to real change. While there is still work to be done; the results of Tuesday’s vote only reinforce our commitment to making CHS the best home it can be for our students. Great work Padres!!!!
