Hello JukieAnna,

The request was more than just the resolution but any all correspondence (emails written analysis, letters, etc]:tha to this resolution including the details of

- comparison of current performing art center to previous.
- comparison of any previous pool? Was there one?

The process, discussion and correspondence of why the action diesny result in a direct or indirect change in the environment?

The evidence that with certainty that there is no possibility that the construction of neither project had a significant even potentially significant effect on the environment?

Evidence and correspondence that a Notice of Exemption was filed with the county clerk?

Neither project was a minor change or replacement. Please provide any and all evidence that includes emails and correspondence leading to this conclusion.

Ms. Dillard,

On behalf of Carmel Unified School District, attached please find correspondence with enclosure document from attorney Jessika Johnson in the above-referenced matter. Thank you.

As a result of the COVID-19 Virus and the federal, state, and local mandates, all Dannis Woliver Kelley attorneys are working remotely. Further, many of the buildings housing our offices have closed. While we are able to receive US Mail, our ability to receive other deliveries (FedEx/UPS) is extremely limited at this time. Thus, we are asking that you refrain from sending any correspondence or documents by overnight delivery at this time and instead use email or a file transfer for large files. Thank you for your consideration and professional courtesy.
