Hello Jessica,

To the CPRA Response you provided (attached), on the Resolution #08-08 attachment there are some blank areas. Can you clarify:

- Was there an attachment of a certified document of exempt finding?
- Was notice of exemption filed by the public agency approving the project. Neither Yes or No Boxes were checked
- Who was the final signature, date and title of the person signing? Is it implied that it was Rick Blanckmeister as the contact person?

Should this be considered a new CPRA request to be submitted in the formal form or a follow-up to what your attorney's provided?
