Good afternoon Mrs. Dillard,

While I do not have access to the second item requested, I can provide you with documentation of the messages CHS has sent to staff, students and families through our school-to-home communication system and through the daily bulletin. It reads:

### "Changes to Back Entry on Campus

In order to ensure the safety and well-being of our students, staff and neighbors, beginning with our return from break on January 4th, the back gate to the campus will no longer be open for student entry. Students should enter the campus through the front entrances.

We have also been working diligently to bring all student parking onto our campus so that our surrounding community members are less impacted by the daily traffic and parking. Therefore, students who regularly park on Flanders are encouraged to park in the student parking lot. If you have not registered for a parking permit please do so with Lisa Jones so we can get an accurate accounting of our overall parking needs as we look to expand on campus parking for all students.

Thank you for your continued cooperation in keeping our campus and our community safe."

I hope that this is helpful.
