This email is in response to your Public Records Act request for: "a copy of the CUSD district insurance policy or bond, crime bond if CUSD has one, CUSD faithful performance bond, and the signed oaths of all board members and Ted Knight" received by CUSD.

Attached are the Oath of Office documents for all board members. Superintendents have a contract, not an oath of office and Dr. Knight’s contract can be found on our public board of education meeting portal here for the May 26, 2021 meeting. Please scroll down to section V. ACTION/DISCUSSSION/INFORMATION ITEMS, item V.A. Approval of Superintendent Contract. The contract is available as a download in the Attachments section.

California has no requirement for school board or county board of education members to file a surety bond. School districts in California must have a liability insurance policy to provide coverage in the event of a claim against a board member, instead of individual bonds for board members. The liability insurance the district carries provides coverage for the superintendent and the board members. Attached is a proof of coverage certificate reflecting the district’s liability coverage.

I believe this provides you with all requested information. If you have further requests, please do not hesitate to contact me. Thank you.
