Dear Jessica,

Please call me Shel.

Thank you for working on that request.

I have another CPRA request:

All emails from August 1, 2021 through December 14, 2021, that includes any member of PTA executive board (Majo Spencer, Melissa Anderson, Alex Sanchez, and/or Jenny Panziera). I only want the following three custodians searched:

- 1) Jay Marden,
- 2) Melissa Anderson,
- 3) RiverSchoolPTA@gmail.com -- the PTA president told me that she didn't have access and didn't approve messages sent through it -- only Jay and his staff have access and send emails through it without her permission

Thanks,

Shel
