Mrs. Dillard,

Without waiving its rights or any objections that may be available to it, the District has determined that it has no records responsive to your CPRA request (request no. 2223_49) for a "copy of the updated and corrected letter once it's been amended and CUSD's request for exemption is re-sent to the County of Monterey." The District sent the County a notice of exemption from local zoning ordinances and regulations on or about November 17, 2022, which was provided in response to CPRA request 2223_47. The District has not updated, corrected, or resent such a letter to the County.

Thank you.
