3.Halloween FUNdraiser

-Goal was to raise \$30K and the actual ended up being \$17,065 with the net \$15,644.

-PTO has money earmarked in the budget for programs that may or may not happen (example: Music in the Park among other activities).

## 5. Outreach for New Parents

-Family mentors needed for 35 new families at CMS. An email will be sent out requesting seasoned families to volunteer. The plan is to have cookies/letter delivered to the new families to welcome them and help build connections.

-Cerry is also organizing an online zoom with a theme.

## 6. Vice Principal's Report

- Dan will return from Family Leave the end of this month.

-A total of 60 students are on campus in different cohorts for various reasons (no internet access, Special Education and English Learners). Currently there is no plan to have in-person school for the general population.

-Materials Handout and Picture Day went well. There will be Retake Pictures on December 10<sup>th</sup>.
