Good morning CMS! We hope you all had a great weekend and welcome to your last full month of the school year! Today we begin our CAASPP Testing. During the next week, we will have a variety of modified Bell Schedules. Today, we will have 40-minute classes. After 4th period, please report back to your 1st period class for testing.

 **Attention Cougars! Today is Day One of Teacher and Staff Appreciation Week!** If you have time, write a note of appreciation to those teachers and staff members who have made a positive impact on your life. A little note showing your gratitude for their hard work would mean a lot.

 **This Club Saves Lives** needs you today to come and make pet toys for the SPCA at lunch in C12. See what the club is up to and get involved! Snacks will be provided. Come and make a difference!

 **Attention all CJSF members:** Your five hours of community service must be posted on the "CJSF Community Service Hours" google form by this Friday, May 6th!

 **Good Luck to our Tennis B Team** in their matches against Palma today at 4:00pm. **Go Cougars!!**

 **WiffleLand:** It was a good game at the old ballpark on Friday. The **MathCity Banana Slugs** slid out to an early 7-3 lead, but the **LittleTown Lobsters** crawled back in the middle innings to take the lead 11-7. In the end, the Lobsters outlasted the Banana Slugs by a score of 11-8. Manager Little said of her team, "I'm glad my team came through otherwise I was headed to the tank at Red Lobster to make some trades". Today's game will pit the **Nakamura Lane Leeches** against the **MoBeFo Squid** in what might be a championship preview.

 **Were you in Mrs. Fletcher's or Mrs. Robinson's classes at River School?** If so, stop by the library or the office and write them a note with memories or best wishes for their retirements. These cards will be presented to them at the end of the school year at the retirement celebration.

 **Do you like making movies? Are you looking for something fun to do this summer?** Carmel High is offering a Filmmaking Bootcamp for CMS students where you will learn techniques to plan, shoot and edit your films. The five-day Film Camp will be staffed by experienced CHS video students, as well as the Video Productions Teacher. If this sounds like fun to you, you can pick up a flier in the library, or see Mrs. Thompson with any questions.

 **Today's Menus:** **Breakfast:** Cereal and Benefit Bar. **Lunch:** Pepperoni Pizza or Bean and Cheese Burrito
