Today is DAY Two of Spirit Week! The eighth graders are still in the lead for the final Spirit Week of the year! They currently have 340 points after showing some creativity with their non-backpack carriers. We saw everything from scooters, to suitcases, to shopping carts, to strollers, to a portable toilet. Thanks for showing such creativity! Special Shoutouts to Jade Seebeck, Noah Cabrera, Joya Besler, Oliver Wilson, and Ryder Salzillo for their extraordinary modes of school supply transportation. They showcased their contraptions yesterday during the lunch time parade and earned themselves an ice cream treat!

After yesterday's count, the seventh graders are in second place with 297 points, and the sixth graders are now in third with 251 points. Today, the competition continues with **Colorful Clothing Day**. Fifth period leadership will be around to take the spirit count. Here are the rest of the Spirit Days: **TOMORROW: Cougar Pride Day** - 6th graders wear white, 7th graders wear red, and 8th wear gray! **Friday: Renaissance Faire Day** - Be sure to wear your Renaissance Faire costumes all day long in order to earn points for your grade level.

TONIGHT, is our CMS Talent Show at 5:30pm in the gym. We hope you can make it to the show to support your fellow Cougars and watch some incredible talent!

Wiffle World Series Update: The *Nakamura Lane Leeches* won again yesterday to take a 2-0 lead in the series and 1 game away from the Championship title. It was an exciting back and forth battle with both teams hitting the long ball and playing good defense, but the suction power of the Leeches proved to be too strong for the *MoBeFo Squid* to overcome. Game 3 is today. Las Vegas oddsmakers predict a shift in the series... Look out Leeches!

Attention All Film Festival Team Members, Cast, Crew and Judges: You are invited to a pizza lunch in the library tomorrow. See you then!

Songwriter's Club meets today at lunch in the Music Room A3 for the Talent Show Rehearsal.
