**After seeing all of the bright colors and tie-dye around campus yesterday, it was difficult to tell which grade level was going to earn the most spirit points.** However, after the count, it is clear to see that the eighth graders want to win this Spirit Week! The eighth graders are in quite a lead with 488 points. The seventh graders are still in second with 392 points, and the sixth graders are in third with 338 points. We will see if the eighth graders can hold onto their lead after today's **Cougar Pride** count and our lunchtime tricycle races. Yes; that's right. Head over to the sports court for our annual Spirit Week Tricycle races to earn more spirit points for your grade level. Don't forget. Tomorrow is the LAST day of Spirit Week. Wear your **Renaissance costumes** to school, and you will earn a point for your grade level.
