Daily Bulletin

Thursday, December 8th, 2022

 **The sixth graders are still winning the CMS Money Wars!** They are now up to 771 points and have a significant lead over the seventh and eighth graders. The seventh graders now have NEGATIVE 8521 points, while the eighth graders have NEGATIVE 11,415 points. Remember, coins add points to your grade level, and dollars and checks made out to The Food Bank for Monterey County subtract points from other grade levels. All of the money donated is going to a great cause. We want to ensure that every Monterey County family has food on their tables this holiday season. Please continue to bring in your change and dollar bills.
