 **The 7th Grade Wiffle Ball Tournament** continued yesterday when the *SteelyCity Seagulls* won their second game over the *WilliamsTown Walruses* by a score of 7-3. Today the *AbateVille Anglerfish* will try not to be gobbled up by the *Whit /White Sharks*.

 **Chess Tournament Update:** In the last two days we have witnessed extremely skilled play between the best chess players here at CMS! Alex Hirschfield advances to the final after a grueling match up with Allen Klingel. There were some back and forth exchanges with potential for either opponent to win during the game. In the other semi-final, Jasper Bolante took on Josh Gardener. The intensity steaming from the room required dehumidifiers! The game shifted to Jasper's advantage when he captured Josh's queen. This led to Jasper's win. These games were powerful & moving moments in CMS chess history!! We all look forward to the final games in the tournament to be played by Jasper Bolante and Alex Hirschfield, as a Best-of-3-Contest.
