Hello CMS! Today is Tuesday Advisory Day! Please report to your Advisory classes after Break.

Congratulations to all our outstanding CMS musicians for their incredible work at the Music in the Park's competition at Great America this past Saturday. All four groups earned the highest rating of Superior and earned 1st place honors. Additionally, the CMS Boys' choir won special recognition as the highest scoring vocal group in the Junior High/Middle School category.

★ **Spirit Week** is off to an incredible start with the sixth graders in the lead. After the lunchtime basketball challenge where the sixth graders were making basket after basket and the fifth period spirit count, they have 645 points. The eighth graders are not too far behind with 555 points. They blame their lack of baskets on the use of a bouncy ball instead of an actual basketball. Once we switched to the basketball, they were able to quickly gain some points. We would like to give a HUGE shout to Mr. Martinez for bringing in the gigantic basketball game. It was a great way to start the week. As for the seventh graders, there were only a handful of participants, and they tried their best. After the lunchtime activity and fifth period count, they are at 315. With all of this said, today is a new day, and it is Beach Day! Come out to the main quad during lunch to show off your hula hoop skills and earn points for your grade level.
