Good morning CMS! Today we will follow an **EVENS ONLY** Block Schedule. You should currently be in 2<sup>nd</sup> period. After this class, we will have a 10-minute break before heading to 4<sup>th</sup> period, and then lunch. After lunch, please report straight to 6<sup>th</sup> period, then to your Advisory class.

In Advisory Class, we will be viewing a film by the **The Bully Project**, an organization committed to ending bullying behaviors in schools nationwide. In an effort to continually have an active role and harvest a shared responsibility of creating a positive campus climate, we have partnered with the **Not In Our Schools** anti-bullying movement to build a powerful anti-bullying campaign at Carmel Middle School.

**Today is National High Five Day!** We hope that you will high-five as many people as you can as you arrive to class, as you leave class, and as you are walking in between classes. We want everyone on campus to be given at least one high five today. That little gesture can make someone's day and bring a smile to their face. If you are not comfortable high fiving someone, try giving them an elbow. Enjoy celebrating National High Five Day! **Go Cougars!**

**Congratulations to our Cross-Country Team** who competed in their first meet this year. Their next meet is next Friday. Come on out, scream and shout them on!
