 **Although Friday was the last day of National Red Ribbon Week**, we hope that all of you will continue to make positive choices by choosing to live a life free from drugs and alcohol. Thank you to everyone who participated in all of the dress-up days. We have a special shout-out to Ms. Grant's and Senora Moreno's first period classes! They both had 100% of their students wearing Halloween costumes on Friday. We hope you enjoy your treats!

 **Today is National Candy Corn Day!** To celebrate, each of your first period teachers will be passing out a candy corn pencil for each of you to use all year long. Happy Candy Corn Day!

 **Congratulations to our Halloween Dance Game Winners: Ella Sullivan, Lily Savoie, Bridget Trambley, Addison Mendoza, Mia Cobb, Dawson Scherman, Syllas Evans, and Jason Chan.** Please see Mrs. Wells during break in P1 to select your prize. Thank you to all of you who came to the dance. It was a Spooktacular good time! Also, congratulations to our costume winners. **Jorge Mendez and Anya Griesser** had the scariest costumes, **Van Myrold** and **Eliana Emerson** were the most creative, Rowan **Day** and **Cora Landry** were the most festive. As for the group contest, there were two groups that stood out. First, there were **Oliver, Jackson, Drew, and David** as the Minions, but the group that definitely stood out the most were **Beau, Johnny, Brock, and Aiden as Kens**. A special shout out to the leadership students who helped with the dance set-up and the CMS PTO for sponsoring the entire dance.

 **Speaking of costumes, tomorrow is Halloween!** If you wear your costume to school, be sure to come out to the main quad at lunch to show it off and participate in our candy walk.

 **INK-tober's Word of the Day is: RUSH.** Come to the library today and practice your ink drawing skills.

Group 8 is still undecided with Nicoya Ibsen, Dean Briant, and Storey Smith, who all need to replay the group, due to a dead even tie. We all look forward to some challenging games in Room C6 this week.

 **Library News:** Hats off to our pumpkin-pro Jasmine Jin, who nailed it with a 9kg guess! The actual weight of our magical library pumpkin was 9.28kg! Swing by the library after school today to scoop up your fantastic pumpkin prize!

Are you prepared to turn your lunchtime into a spine-tingling, artistic adventure? Join us for a lunchtime Makerspace activity that will chill your creativity to the bone: **Haunted Marble Pumpkins** using nail polish magic! Unleash your inner ghostly artist and transform ordinary pumpkins into spectral marbled masterpieces. Conjure up eerie patterns and unearthly colors on your pumpkins, making them the talk of the spirit world. Visit the library to enlist your name in the Book of Shadows for this eerie lunchtime activity. Remember, haunted spaces are limited, so hurry and secure your spot before the witches' hour arrives.

Tomorrow is the last day to stop by the library and place your guess on how many HiChews are in the jar! Closest answer wins the entire jar for their Advisory class.
