In the end, the map-savvy legend, Ashley James, secured not just this year's title but solidified her reign with a remarkable two-year streak. Ashley isn't just a champion; she's an all-time geography maestro. Let the drums roll for Ashley, the undisputed Map Mastermind!! She will be honored onto the Library Wall of Fame

Get ready! The Staff vs. Student Volleyball Game is happening TOMORROW! It's time to bring your A-game, students! The staff is formidable, but this could be the year when the tables turn. Will the staff's undefeated record continue, or will the students rise to the challenge and make history? Our money is on the staff with the likes of ***Jump Serve Jefferies, Wonder Woman Wells, Griffin the G.O.A.T*** and ***Kap'n Kuenz*** on the roster! Bring your cheering voices and spirit to the gym on Friday when ***"The Voice" Loosley*** and his co-commentator ***Bad-News Banton*** broadcast live while ***"Little" Known Facts*** reports courtside! See you all in the gym tomorrow when the staff takes on the students!

In the 8th Grade WiffleBall Tourney, the Carr Towne C-3Po's won by forfeit as the ***Clarke/Morenoton Battle Cruisers*** failed to field a team for the second time. Manager Moreno was disappointed in the turnout. Commissioner Woodward had this to say. "The turnout this season for all of the teams has been rather weak, which is surprising given the fact that we couldn't keep them away from the park as sixth graders. C'mon guys where is your school spirit? Today's game will feature the ***Kuenztowne Kyber Crystals*** against the ***PE Darkside***.
