WiffleNews: It was an action-packed game yesterday as the **Kuentzowne Kyber Crystals** took on the **PE Darkside**. The game ended in a 12-12 tie but unfortunately 2 players from the C-3po's were caught playing for the Kyber Crystals. The Darskide therefore won by default and if those players are caught playing for another team again, they will be disqualified from the tournament. There will be no game today. The tournament will pick back up after break.
