The Money War The eighth graders are still winning the **CMS Money Wars!** They are down a couple hundred points, but they are still in the positive. It looks like the sixth or seventh graders should drop a \$100 bill in their container to make this war a little more even. The eighth graders have 972 points. The seventh graders now have **NEGATIVE 10, 316** points, while the sixth graders have **NEGATIVE 10, 415** points. Remember, coins add points to your grade level, and dollars and checks made out to The Food Bank for Monterey County subtract points from other grade levels. All of the money donated is going to a great cause. We want to ensure that every Monterey County family has food on their tables this holiday season. Please continue to bring in your change and dollar bills. Remember our goal is to raise at least \$5000!
