Happy Tuesday CMS! Today the Leadership students from CMS and CHS are hosting an Activity Day! After 4th period, your teacher will escort your class to the Gym where you will sit with your class for a brief presentation before the activities begin.

The Carmel High School and Carmel Middle School leadership classes are excited to host an afternoon of activities! The fun will begin right after fourth period in the gym with a staff vs student dodgeball game. Those of you showing the most school spirit might be one of the lucky students selected to play in the game. Once the staff dominates the students, you will all be able to choose from a variety of activities to participate in until the lunch bell rings. The activities will take place in the main quad, sports court, and the activities field. Feel free to keep having fun throughout the lunch period. All games will be open until the end of lunch. If you earn four Cougar Bucks, head over to the student store to grab a delicious frozen treat. Please keep in mind that all school rules apply and positive behavior is expected.

We've noticed an increase in chewing gum in our water fountains and on the ground around our school. This is a reminder that chewing gum is not allowed on school premises. It's not just about cleanliness, but also respect for our shared spaces and community.
