## School and District Policies and Practices

### OFFICE HOURS

Office hours are 8:00 – 3:30.

The office is open daily from 8:00-3:30. You may also make an appointment by calling 831-667-2452. You may email Kouri Spungin our school secretary at [kspungin@carmelunified.org](mailto:kspungin@carmelunified.org) or the principal at [etacconi@carmelunified.org](mailto:etacconi@carmelunified.org). When the office is un-staffed, the voice mail system will record incoming calls. You are welcome to leave a message for one of our staff members and the voice mail message will be returned promptly. Please see COMMUNICATION GUIDELINES for more information.

### VISITING THE SCHOOL

We welcome parents and visitors as an essential part of the educational community! District policy requires **all visitors to sign in** to the office when entering the campus during school hours. If you wish to walk your student to class, please sign in and get a pass. We ask that you avoid interruptions during classroom instruction. When picking your child up, please wait on the bench outside the office. We appreciate your effort to help us provide a **safe and secure campus!**

### ENROLLMENT

Kindergarten: Children who are 5 years of age on or before September 1 of the current school year are eligible for enrollment. Legal proof of birth date is required.

Those children with birthdays between Sept. 2 and Dec. 2 will be enrolled in the Transitional Kindergarten and participate in two years of Kindergarten.

All NEW students are required by State law to have a physical examination. Students who have attended any California public school need not have another physical examination. The physician must report the examination on the CUSD form entitled "Report of Health Examination for School Entry", which is available at the school office.

### ATTENDANCE AND ABSENCES FROM SCHOOL

Attendance is essential to a student's success in school. If a child is absent because of illness or other "excused" reasons, please telephone the school that morning to let us know the reason for the absence. A call will be made home if we have not heard from you. *If your child is absent or tardy more than 30 minutes from school 3 times without a valid excuse, he/she will be declared a truant. You will be notified in writing that such action has been taken.*

### ATTENDANCE AND TARDIES

Captain Cooper School works to foster a sense of belonging; being at school every day **on time** helps students feel that sense of belonging. Students are expected to arrive at their classroom door by 8:30. Parents are required to park and come into the office to sign in when their students are tardy. Any student who arrives after 8:30 needs to go to the school office to check in. Please see **Truancies** for more detailed information regarding excessive absences or tardies.

### TRUANCY

California Education Code Section 48260 defines truancy as: "absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof." Students are unexcused from school until their parents have called the attendance secretary to report an excused absence.

**Excused absences are: student illness, medical appointments, family funerals, and mandatory court appearances. Family vacations are best scheduled during our many break times and are not excused. Please report all excused absences directly to the school secretary. If your child will have one or more unexcused absences for any reason, you are asked to meet with the school principal before or soon after the absence; before is preferable!**

In accordance with Monterey County Truancy Laws and Ed. Code, **Captain Cooper School** has instituted the following policies and procedures for dealing with the cumulative total of truanancies:

**Of course we would like to avoid all consequences and ask that parents respectfully abide by state mandate as it pertains to student attendance.**

**To summarize Monterey County Truancy Abatement Program and Ed. Code:**

**Step 1. Three unexcused absences or days tardy in a school year:**

Parents are notified by mail of the student's truancy and a meeting or phone call with a school official is required. Copies of truancy letters are sent to the Superintendent and kept on file. Monterey County District Attorney's office Letter #1 is mailed home. *(If a parent receives the first letter and the attendance record already shows that more than three unexcused absences have been accrued, it is still considered "step one" in the process, for the process begins when the parent has been notified).*

**Step 2. A fourth unexcused absence:**

Parents are contacted by phone and notified of the student's truancy and a second meeting and/or phone call is required. Monterey County District Attorney's office Letter #2 is mailed home. Copies of truancy letters are sent to the Superintendent and kept on file.

**Step 3. A fifth unexcused absence:**

Student may be declared a "Habitual Truant" by the County.

Monterey County District Attorney's Letter #3 will be mailed home and kept on file. The District Attorney's Office will contact you regarding the situation

NOTE: Continuing truancy will result in further progressive disciplinary action. Board Policy gives a teacher the right to lower a student's grade for excessive truanancies.

## **ACCIDENT INSURANCE**

If you do not have insurance or if you wish additional insurance, you will find an application and information about different coverage plans in the office. **Please note that for insurance, you need to apply directly to the insurance company.**

## **BEFORE AND AFTER SCHOOL SUPERVISION**

School staff does not provide supervision before or after school.

**We ask that children DO NOT arrive at school before 8:15 AM or stay after 3 PM without parental/adult supervision, unless they are attending a school program.** If, in an emergency, your child cannot be picked up on time at dismissal or must remain at school for a short time, please notify us as soon as possible.

**CHANGE OF ADDRESS AND/OR TELEPHONE** Please notify us when you move, obtain a new telephone number, or have a change of mailing address. We need your information at school to be as up to date as possible. This is very important if there is an emergency and we need to contact you.

## **USE OF SCHOOL GROUNDS**

Families and community members are welcome to use the school playground when school is not in session. However, the school GARDEN and APPLE PIE playground are closed to the public after school hours. We appreciate careful and appropriate use of all equipment. For safety and security, children must be supervised by an adult who is not playing a sport. Neither alcoholic beverages nor smoking are allowed. Thank you for taking care of the school, and placing recyclables and trash in containers.

## **SCHOOL SUPPLIES**

Students may supply paper, pencils and other necessary school materials. The school will provide these items to any student. Your child will be required to give particular care to books and all other school property. In the case of unnecessary destruction, the child may be required to pay for the materials destroyed.

## **LOST AND FOUND**

Please **mark all clothing**, lunch boxes, binders, etc., with your child's name. Please check the lost and found box. Unclaimed articles will be donated to local reuse non-profits in December and June.

## **FIELD TRIPS/PARENT CHAPERONE**

We must have a parent volunteer/chaperone form on file once a year for parents who help on field trips or at school. Thank you.

## **SCHOOL LUNCH PROGRAM**

School lunches are prepared daily at Carmel High School. The cost is \$4.00 including milk. Menus are prepared monthly and will be sent home with your child. Milk may be purchased for \$0.50. Lunch and milk orders may be processed in the office before school. Our district wide computerized school lunch program is called NutriKids. Parents are encouraged to pay for their child's lunches on the school website, or by sending money to the office. Lunches may be paid for in cash or check. Checks should be made payable to: CARMEL UNIFIED SCHOOL DISTRICT.

## **BREAKFAST PROGRAM**

Breakfast is available at 8:15 and 10:15. The cost is \$2.00, or is available through the Free and Reduced program.

## **FREE OR REDUCED PRICED LUNCHES**

Free and Reduced Lunches are available to eligible students. Forms may be obtained at the school office. The forms are sent to the CUSD Food Service Department, who then processes the forms and notifies the parents if the family qualifies.

## **TRANSPORTATION FEES**

Fees are charged for school district transportation. These fees help the district, but only offset a percentage of the deficit in operations. The cost for one student to ride the bus for one year is \$200.00. Two students are \$400.00 and three students are \$500.00. There is a \$1.00 one-way charge for occasional riders. Further information and schedules are in your packet.

## **Emergency and Medical Issues**

### **EMERGENCIES**

Parents are required to have an emergency card on file at the school office. If any information changes during the year, the parent is required to visit the school office, in person, to record the change.

## **ILLNESS OR INJURY**

In case of illness or injury, a child will be cared for temporarily by school personnel. First aid treatment, only, will be applied. If emergency medical treatment is necessary, parents will be contacted. If unable to contact the parents, school personnel will follow the information on the emergency card.

## **PARENT REPORTING REQUIREMENTS FOR STUDENT INJURIES AND ILLNESSES**

Parents shall notify the office staff or school nurse regarding any student injury or illness. Parents shall inform school staff of any concerns, potential limitations and/or prohibited activities that may require accommodations. A physician's note may be required for school attendance. The school nurse will communicate any accommodation plan to the site administrator and relevant staff.

## **STUDENT MEDICATION**

Please inform your child's teacher of any medication being taken by your child, or of a physical condition that may preclude normal activities. If a student brings medication to school, it must be checked in with the office which will be responsible for dispensing it, **only if there are written instructions from a doctor and the correct form is on file**. In compliance with district nurse instructions, if a child needs medication to be administered during the day, such as pain medication or cough suppressant, the child is too ill to be attending school and should be kept home until recovered enough to get through the day without medication.

## **IMMUNIZATIONS**

Students are required by law to have immunizations for varicella (chicken pox), measles, mumps, rubella and hepatitis B prior to entering a California school. Parents must submit a California School Immunizations Record during registration. Kindergarten and newly registered first grade students to the school must submit a physician completed health examination. Incoming kindergarten and newly registered first grade students are also required to have an oral health assessment (dental exam) completed and submitted.

## **HOME HOSPITAL TEACHING**

A home teacher will be provided for pupils who are unable to attend school due to health problems for a period of more than four weeks. If a home teacher is needed, contact the school principal for further information.

## **HOME/SCHOOL COMMUNICATION and CONNECTION**

We believe home and school communication is essential in supporting our students. Below you will find the Carmel Unified School District guidelines for communication as well as ways to connect school, learning, and home.

## **COMMUNICATION GUIDELINES FOR PARENTS**

Parent/Teacher communication is one of the most critical factors to insure student success at school. In this era of ever-present communication, it is helpful to have clear expectations to help parents and teachers manage their communications effectively. With that in mind, the **Carmel Unified School District** has established these guidelines.

### General

- Parents should be aware that teachers are instructing during the school day and often have before school and after-school meetings. Teachers may have over 100 students and parents with whom they need to communicate. Therefore, it may be 24 to 48 hours before a teacher can respond to a phone call or an email.
- In times of heavy volume, teachers may not be able to meet these timelines, but will make an effort to acknowledge receipt of your communication. They will let you know if they need time to develop a thorough response.

- To make sure your teacher receives time-sensitive information, it is helpful to place both a phone call and an email. Please indicate your degree of urgency in your message. In an email, it is a good idea to write “Time sensitive” at the start of the subject line.
- For truly urgent items, it is best to call the office, where staff can direct your call appropriately. This is important because teachers do not always have a chance to check phone messages or emails during the course of the school day.
- If your concern is not urgent, please indicate whether you need a detailed response or whether the communication is for information only.
- At Back-to-School Night, teachers will indicate whether they have a preferred mode of communication (phone or email). Please understand that this is just a preference; as a parent, you are encouraged to use the method that makes the most sense to you. If their preferred mode is not convenient for you, be aware that teachers are committed to respond to your communication, no matter how it is sent.

Email

- Occasionally, an email may be blocked by our filter. If you are concerned that may be the case, it is a good idea to contact the teacher by phone.

Grades - Secondary

- Before calling or emailing the teacher, check the Aeries.net website (<http://aeries.carmelunified/aeries.net>) or MySchool (<http://moodle.carmelunified.org>).
- Be aware that teachers are allowed up to two weeks to enter grades after an assignment is due. A good rule of thumb: the longer the students have to work on an assignment, the longer a teacher may need to grade it. If homework is turned in late, it may not be posted for up to two weeks after it is received.
- If you need help with a password, you may call your school attendance secretary. Help for the Aeries.net Gradebook log-in is also available online on the district website under the “For Parents” menu (then Forms For Parents, Other Forms), and MySchool help is available at <http://moodle.carmelunified.org>.

*If you have questions or suggestions regarding these guidelines, you may contact the district’s communication officer, Paul Behan, at 831-624-1546, extension 2040 or [pbehan@carmelunified.org](mailto:pbehan@carmelunified.org).*

### Connecting School and Home

- Read carefully bulletins which are sent home (e.g. What’s Happening and the bi-monthly newsletters)
- Check the school calendar frequently; call with questions.
- ***If you need to change your child’s transportation going home, please help your child feel secure by confirming plans before school and by sending a signed written note to the office. We cannot accept phone calls outlining ride changes except in emergencies.***
- Help your child gain responsibility in completing and returning homework.
- Read with or listen to your child read.
- District policy requires that all visitors or volunteers on campus wear a Visitor/Volunteer pass. Volunteers must sign in at the office and obtain their badge to wear while on campus.
- Send back all permission slips promptly.
- Help your child to be prompt, courteous and responsible.
- Make any special plans for the day with your child **before** he/she leaves for school. Children are allowed to use the school phone only in urgent cases.
- **Please plan family trips during scheduled school vacations.**

## **HOMEWORK POLICY**

### **HOMEWORK/MAKE-UP WORK POLICIES**

Homework at the elementary school level should be a continuation of parent and child spending time together to foster a love of learning. Those times of a parent reading with their child can now be expanded to the child reading to their parents or siblings. Students can explain, or seek further reinforcements at home for skills and concepts learned that day at school.

**CUSD Board Policy** of homework for elementary grades is as follows:

1. Students should expect to have homework three or four days each week. The amount of time spent on homework should be about 15 minutes for Kindergarten, 20 minutes for grades one through three, and between 30 and 45 minutes for grades four and five.
2. Assigning homework to be completed over weekends, official breaks and holiday periods is prohibited. However, long-term projects may span official breaks and multiple weekends. Families may choose to work on assignments during these periods at their discretion.
3. Homework assignments at the elementary level will encourage parents/guardians to read with their children and to interact with their children in positive ways.
4. Homework assignments at the elementary level will reinforce skill and concept development and encourage family participation.
5. Homework assignments will help to develop good personal study habits. Teachers will instruct students on how to develop effective study techniques.

**CUSD Guidelines** regarding homework for parents and students are included on the following pages.

#### Guidelines for the student

To do a good job with homework, students should:

1. Listen carefully to all directions regarding homework; ***ask questions if the assignment is not clear.***
2. ***Complete and turn in all homework assignments on time.***
3. Keep a notebook record of all assignments, including due dates and other specific requirements.
4. Have a definite time and place for study, free from interruptions, and stocked with working materials.
5. Budget time wisely and maintain a schedule for study time.
6. Use libraries, dictionaries, maps and general reference materials, and learn appropriate ways to approach and question people who are knowledgeable in various fields.
7. Strive for the best results, rather than the minimum.
8. Take the initiative in making up work missed for any reason.
9. Use a study method appropriate to the assignment – such as working independently, in a small group, as part of a team, or other useful processes or procedures.

#### Guidelines for Parents/Guardians

To assist their children, parents/guardians should:

1. Provide a suitable place for study, free from distraction and, if possible, reserved for that student alone.
2. Assist students in developing systematic home study skills.
3. Show interest in the work being done and provide feedback
4. Participate eagerly in assignments which call for active parental involvement.
5. Express interest when children talk about school.
6. Assist in balancing schoolwork with other activities.

7. Talk with teachers if assignments *or the amount of time required to complete assignments* seem to cause students continuing problems.
8. Share ideas on topics of common interest.
9. Keep in touch with the school program through calls, visits, and participation in school activities.
10. Insist on the proper use and care of books and materials.

### **PROGRESS REPORTING**

We have three reporting periods at the elementary school level: November, March and the end of the year. Parent-Teacher conferences will be scheduled during the November and March reporting periods. All students will receive a final report card at the end of the year.

### **ACADEMIC SUPPORT SERVICES**

These services include:

**Title I** – to provide additional academic support in a small group

**ELD** – to help our primary Spanish speaking children transition to English

**Special Education** – to address learning disabilities and special needs

**After school Intervention or Homework Club** – to provide additional after-school help to students (dependent upon staffing)

- When meeting your child at the bus stop, please be there on time. If you are not there on time, your child will remain on the bus for the entire route and be brought back to Captain Cooper School.
- Please go over the bus safety rules so your child understands what they are and why they are important to follow.

The following rules are to ensure a safe and enjoyable ride. (This is a partial list. Please consult Board Policy E (4) 354 on the district website.)

1. The "danger zone" is 10 feet around the bus in every direction. While waiting at the bus stop, students must stand in line as far back from the road as possible.
2. While on the bus, students must remain seated with their feet on the floor in front of them, not in the aisle.
3. Sit in your own seat and remain with seatbelt buckled at all times.
4. Do not shout or gesture at passing vehicles or pedestrians from the bus.
5. Maintain a quiet voice.
6. Wait until the bus comes to a complete stop before standing to exit.
7. Eating or drinking is not permitted on the bus, unless specific permission is given by the bus driver.
8. Throwing any object in, out of, or at the bus is prohibited.
9. Respect the bus driver.

### **DRESS CODE AR 5132(a)**

3. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.

6. Hair shall not obstruct the student's vision.

## **Gang-Related Apparel**

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282) Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.

## **PHYSICAL EDUCATION**

Coaches and teachers may require more stringent dress requirements to accommodate the special safety needs of certain sports and/or classes.

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)
