

Carmel Unified School District
CARMEL RIVER SCHOOL DISCIPLINE PLAN

PHILOSOPHY

We believe that good discipline provides a climate that promotes a pattern of positive, wholesome pupil behavior in the school as a whole, as well as in the individual classrooms. The goals of our discipline plan are to do the following:

- develop the habits of good character represented by the six pillars of... **Respect, Responsibility, Trustworthiness, Caring, Fairness and Citizenship.**
- provide and promote instructional time that is free from disruption.
- ensure a learning environment that is safe, both physically and emotionally.
- encourage positive self-esteem that comes with good character.

STANDARDS OF GOOD CHARACTER

Respect - treating others the way you want to be treated, accepting differences, being polite and courteous to everyone. Respectful people solve conflicts peacefully.

Responsibility - working hard and doing what you are supposed to do. Responsible people take care of their own things. They also do what they say they are going to do, so people can count on them.

Trustworthiness - being honest, telling the truth, keeping promises, and being loyal so people can trust you. Trustworthy people don't lie, cheat, or steal. They also have the courage to stand up for what is right.

Caring - being kind, helpful, and generous. Caring people are not selfish. They care about others' feelings, and are forgiving.

Fairness - playing by the rules, taking turns, and sharing. Fair people are open-minded, do not blame others, and listen to both sides before making a decision.

Citizenship - cooperating with others, obeying the rules and laws, and respecting the authority of parents, teachers, and other adults. Good citizens do their share. They work to protect the environment and make their school and community a better place.

PETS

River School focuses on promoting manners that, in addition to the character pillars, support a school goal of fostering civility and respect.
