ACTION/DISCUSSION/INFORMATION ITEMS

Town Hall Community Forum

This special Board meeting was an opportunity for the Board, site administrators, parents, students, and community members to review a status report on the Master Facilities Planning Process from LPA, our architectural planning firm. About 90 people were in attendance at the meeting held in the CMS gymnasium from 6:30-8:30 pm.

Following their presentation, attendees circulated to review site-specific diagrams. They left comments, made suggestions, and asked questions. Each school's diagrams will be available for the next month at the school site to gather further input from stakeholders. LPA will process all of these ideas and bring back more refined plans to the Board of Trustees at the Board meeting on March 13, 2019. At the March 13 meeting, priorities and financial resources to support the plans will be discussed.

Attendees had the opportunity to review the diagrams up close and to note their comments and suggestions.
