Clean out your cupboards and go to the store to buy as many nutritious foods requested by the Food Bank of Monterey County! Please refer to the list provided last week. Remember that the Food Bank cannot accept any glass containers. Day ONE of the canned food drive was a success. Some classes have covered the bottom of their barrels and are working their way up to the magic line that will get them a special treat! Yesterday we had three classes who had the mystery can. However, it was Mrs. Whitford's sixth graders who were drawn out of the bucket for the tasty treat! Be sure to listen for today's Mystery Can announcement. Remember, if your class has the Mystery Can, please bring it to Mrs. Wells's Room (C9) within the first five minutes of class, and your class will be entered into the drawing and could be the next to win! Leadership will also be around to see if any of your fifth-period classes made it to the special line today.

 **During this season of giving thanks, we also need to remember to take care of those in need.** With the recent devastation of the Northern and Southern California fires, we are going to begin a money collection for the victims. You will find plastic bins in the library and the office to drop in your generous contributions over the next couple of weeks. We will be sending the money collected to organizations who will help distribute to those in need.

Did you sign up for the Geo Bee? The bee will take place Thursday during lunch, immediately after the Gathering. There will be seven bees held simultaneously in different rooms on campus. Room assignment are posted in the library and in Social Studies classrooms. **Geo Bee Kahoot returns again today in the library during lunch.** If you can answer today's Geo Bee question, email the correct answer to Mrs. Thompson. The first three students with the correct response get a Cougar Buck

 **Feeling Crafty and Artistic?** Cloth bag decorators will gather in Mr. Steely's habitat classroom TODAY during lunch.

The Extended Learning Center is open after school after school today from 2:45-5:30pm. Please stop by if you are looking for extra help with homework. Late busses to Big Sur and Cachagua will be available at 5:30.

 **Farmers Market at pickup!** This Thursday and every Thursday until our Holiday Break, MEarth is having a Farmer's Market out front of the school. Stop by for fresh fruits, veggies, and flowers.
