 **Farmers Market at pickup!** Today and every Thursday until our Holiday Break, MEarth is having a Farmer's Market out front of the school. Stop by for fresh fruits, veggies, and flowers.

We are on DAY FOUR and half way through the canned food drive! Continue to clean out those cupboards and go to the store to collect those cans! The Food Bank of Monterey County is depending on us to help our neighbors throughout the county during this holiday season. We have four days left to collect over 4,000 cans! Apparently, Mrs. Bradley's class is working their way towards the special line in the food bin. They are by far the closest as of yesterday. However, it was **Mr. Fosler's sixth graders** who were chosen for the tasty treat! Be sure to listen for today's Mystery Can announcement. Remember, if your class has the Mystery Can, please bring it to Mrs. Wells's Room (C9) within the first five minutes of class, and your class will be entered into the drawing and could be the next to win! Leadership will also be around to see if any of your fifth-period classes made it to the special line today. Remember, this is a competition where the results are based on the average number of cans per person in your fifth period class. Any fifth period class could potentially win the pizza party at the end of the competition!

 **Come to our own CMS gym and cheer on our 7th and 8th Grade Boys Basketball** teams as they take on San Benancio at 4:00 and 5:00pm. Also, good luck to our 7th and 8th Grade Girls in their away games at San Benancio. **Ladies:** your bus departs at 2:55 p.m. **GO COUGARS!!**

Today is your chance to WIN FREE CMS Spirit Gear! Anyone who is showing school spirit by wearing Carmel gear or lots of red and comes to the leadership table at lunch today will receive a Cougar Buck and will be entered in to win CMS Spirit Gear or Awesome Gift Cards! Go Cougars!

 **The Geo Bee is happening today during lunch, immediately after the Gathering. The Library will be closed during this time for anyone who is not participating** There will be seven bees held simultaneously in different rooms on campus. Room assignments are posted in the library and in Social Studies classrooms. If you are participating in the Geo Bee, grab your lunch after the Gathering and report immediately to your assigned location. If you have any questions about the bee, go see Mrs. Thompson in the library.

Tomorrow's Fun Friday Activity is Holiday Karaoke in the Main Quad! If you are interested in participating, please sign-up with Mr. Loosley today in the main quad during break!

 **Environmental Club** now meets on Wednesdays at lunch in Mrs. Chupka's room D-1. Thank you to all members of our Ohm Connect Team who have now saved over 2.8 kilowatt hours of electricity. That's enough electricity to power your 50-inch LCD TV for 175 hours, or one week of binge watching your favorite shows 24/7! We've also earned almost \$500! The team is celebrating with a pizza party next Wednesday at lunch in Mrs. Chupka's room D-1. All team members are welcome! The ocean thanks you!

This Club Saves Lives: There has been a change in the schedule and all purses and toiletries need to be turned in this today in the library to Ms Kuenster for the Princess and the Purse event. No club meeting this today due to the Geography Bee.
