Today we begin our CAASPP Testing. During the next two weeks, we will have a variety of modified Bell Schedules. Today, we will have 30 minute classes. After Break, please report back to your 1st period class for testing.

 **Come discover the Micro-Cosmos in our Habitat.** We will be using our Foldscopes in the Habitat Classroom at lunch the rest of this week, starting today.

Do you have a loaner Chromebook in your backpack that you no longer need? If so, please bring it back to the library NOW.

 **Good Luck to our CMS Golf team** as they head out to Bayonet and Blackhorse for their match against Chartwell beginning at 4:00 today! **Golfers** - your vans will depart at 3:00 p.m. **GO CARMEL!**

Did you know that 95% of dead Albatross birds found on the northern Hawaiian Islands have plastic in their stomachs? You can help ALL birds by using reusable containers and picking up trash whenever you see it. Come see what it's like for an Albatross to try to find its food amidst a sea of plastic trash at Friday's Earth Day activities at lunch in the main quad. The Environmental Club and Leadership will be hosting educational activities, games, and prizes. Hope to see you there!

 **6th graders:** Are you ready for 7th grade? Have you visited your doctor and received your TDAP and Chicken Pox shot? If not, please remind your parents to make your appointment to get yours to ensure that you are ready for the next school year.

8th Graders: Are you interested in trying out for the Carmel High Cheer Team next year? Tryouts will be held Saturday, April 27th from 1:00 - 3:00. Flyers available in the office

 **Attention All Film Production Teams:** The deadline for submitting your project for the CMS Film Festival has been extended to next Monday, April 29th.

Stop by the library at break to check out a good book or two or three to keep you entertained during the loooooong testing periods this week.
