 **Howdy CMS! It's Western Wednesday and Spirit Week is off to a great start!** At the moment, 6th grade is in the lead with 201 spirit points. However, eighth grade is only two points behind with 199 points, and seventh grade is close with 182 points. Today is day two, and leadership will be around during fifth period to see how many of you are showing off your western wear spirit. Also, don't forget that you can earn LOTS of spirit points if you participate in the Lunchtime Activity. Today, see if you can lasso your way to the leader board by earning lots of spirit points for your grade level. Tomorrow, we all need to show our Cougar Pride by wearing our school colors. However, each grade level has been assigned a color. Sixth graders, you need to wear as much red as possible. Seventh graders, you need to wear as much gray as possible. Eighth graders, you need to wear as much white as possible. On Friday, we will end Spirit Week with everyone's favorite dress-up day, Pajama Day. Pull out your comfy PJ's and slippers for the last moment to earn Spirit Points. Just as a reminder, all of your spirit choices must be school appropriate. May the most spirited grade level be crowned the champions and receive a delicious treat for winning!

Game 1 of the 8th Grade World Series of WiffleBall took place yesterday as the **Guzziberg GummiBears** annihilated the stale and sloppy **PE Pringles** with a 27-1 thrashing yesterday. The "6 Players in left field" defense employed by the Pringle failed miserably and allowed the Gummies to hit homerun after homerun. Like a firestorm, the GummiBear offense raged and scorched their way to within 2 games of a Championship.

Do you have clean Renaissance Fair items ready to turn in? Bring them to the library at break. All Ren Faire items will be added to your library account today, and MUST be turned in (or paid for) by Friday.

 **Day 2 of the ESports Club** lower bracket play continues at lunch in the MakerSpace. Come see who moves on. If you are not a part of the bracket play; no worries. Come down anyway for free play.

You will be turning in your Chromebook with your math class on Friday. Please make sure your Chromebook is charged, that there are no loose papers in the case, and that your first and last name is visible. If you need another sticker for your name, please stop by the library before Friday. Please bring in any chargers or loaners that you have at home.

All library materials must be turned in before the end of the day on Friday in order to prevent your name from going on the list of students who will lose end of the year privileges.

 **Environmental Club:** We will have our last meeting of the year today at lunch. Come ready with ideas for next year!

Attention 8th Graders: It's time to partner up for your 8th Grade Trip to Great America! Grab a buddy and stop by the 8th grade quad at lunch tomorrow and let Mr. DiGirolamo and Ms. Montana know who your bus and park partner will be.

Foldscope Makers: Meet on Thursday and Friday at lunch in Mr. Steely's room to check out pond critters!
